Macekura,Erez Manela,2018-09-06 This anthology offers a cutting edge perspective on how development has shaped the history of the modern world Stephen J Macekura and Erez Manela have gathered together leading historians to examine development on the international regional and national levels as well as local manifestations of development initiatives and transnational organizing on behalf of alternative approaches Themes include the relationship between empire and development the role of international institutions the influence of the Cold War decolonization and post colonial development strategies reform and resistance to development development and global health and the ecological effects of development The Development Century examines how ideas and discourses about development have shaped its practices on the ground explores the ways in which policymakers and experts attempted to implement development through specific institutions and policies and analyzes development initiatives and their effect of local environments and people **APAIS 1999: Australian public affairs information service , South Asia's Turn** Gladys Lopez-Acevedo,Denis Medvedev,Vincent Palmade,2017-05-23 South Asia has a huge need to create more and better jobs for a growing population especially in the manufacturing industries where it is underperforming as compared to East Asia The report examines three critical and relatively understudied drivers of competitiveness Economies of agglomeration firms and workers accrue benefits from locating close together in cities or clusters through urbanization and localization Participation in global value chains stronger competitive pressures weed out least productive firms while others improve by gaining access to new knowledge and better inputs Firm capabilities in order to operate close to what would be considered optimum efficiency levels given the prevailing factor prices and thus employ South Asia s abundant labor The report shows that South Asia has great untapped competitiveness potential Realizing this potential would require the governments in the region to pursue second generation trade policy reforms for firms to better contribute to and benefit from global value chains e g facilitating imports for exporters to facilitate the development of industrial clusters in secondary cities cheaper and less congested than the metros as well as to deploy policies to improve the capabilities of firms **South Asia in the Era of Globalization** Mita Bhattacharya,2004 The South Asian economies constitute the largest and most densely populated region of the world With an estimated 1 4 billion plus people this is a larger market area than China This volume addresses South Asia s opening up and

attempts to integrate into the global economy The volume is unique among existing offerings on South Asia in that it covers the dynamics of structural adjustments due to globalisation focusing on the development and welfare aspects of the region The contributions by a broad range of international experts from the disciplines of banking and finance economics management and political science are informed by three central themes The three themes are industry reforms and market adjustment economic performance and the effects on globalisation on specific industries and economic development poverty and welfare issues The volume adopts a broad interdisciplinary approach to these issues and will appeal to readers from across the business disciplines

Modern South Asia Sugata Bose, Professor of History and Diplomacy Director Center of South Asian and Indian Ocean Studies Sugata Bose, Associate Professor History Ayesha Jalal, Ayesha Jalal, 2004-07-31 The South Asian subcontinent is home to nearly a billion people and has been the site of fierce historical contestation It is a panoply of languages and religions with a rich and complex history and culture Drawing on the newest and most sophisticated historical research and scholarship in the field *Modern South Asia* is written in an accessible style for all those with an intellectual curiosity about the region After sketching the pre modern history of the subcontinent the book concentrates on the last three centuries from c 1700 to the present Jointly written by two leading Indian and Pakistani historians it offers a rare depth of historical understanding of the politics cultures and economies that shape the lives of more than a fifth of humanity In this comprehensive study the authors debate and challenge the striking developments in contemporary South Asian history and historical writing The book provides new insights into the structure and ideology of the British raj the meaning of subaltern resistance the refashioning of social relations along lines of caste class community and gender the different strands of anti colonial nationalism and the dynamics of decolonization This book is a work of synthesis and interpretation covering the entire spectrum of modern South Asian history social economic and political The authors offer an understanding of this strategically and economically vital part of the world

Comrades against Imperialism Michele L. Louro, 2018-03-01 In this book Michele L Louro compiles the debates introduces the personalities and reveals the ideas that seeded Jawaharlal Nehru's political vision for India and the wider world Set between the world wars this book argues that Nehru's politics reached beyond India in order to fulfill a greater vision of internationalism that was rooted in his experiences with anti imperialist and anti fascist mobilizations in the 1920s and 1930s Using archival sources from India the United States the United Kingdom the Netherlands Germany and Russia the author offers a compelling study of Nehru's internationalism as well as contributes a necessary interwar history of institutions and networks that were confronting imperialist capitalist and fascist hegemony in the twentieth century world Louro provides readers with a global intellectual history of anti imperialism and Nehru's appropriation of it while also establishing a history of a typically overlooked period

Embracing the Tune of Expression: An Emotional Symphony within **Socialism In Southern Asia**

In some sort of consumed by displays and the ceaseless chatter of quick conversation, the melodic beauty and mental symphony created by the prepared term frequently fade into the backdrop, eclipsed by the persistent noise and interruptions that permeate our lives. However, set within the pages of **Socialism In Southern Asia** a marvelous literary prize overflowing with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, that interesting masterpiece conducts visitors on an emotional trip, skillfully unraveling the concealed tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of the poignant evaluation, we can explore the book is central harmonies, analyze its enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
