explanations of trade unionism the regulation of property and production the establishment of worker s rights and a harnessing of industry toward creating prosperity for all Although the public at the time were sympathetic to democratic socialism they were confused as to methods behind its implementation One of the essayists Annie Besant keenly addresses the How Other essays meanwhile are more general in tone concerning policy plans for the future and the moral cause for socialism

An Unsocial Socialist, the Original Classic (Large Print) George Bernard Shaw,2015-05-21 In the dusk of an October evening a sensible looking woman of forty came out through an oaken door to a broad landing on the first floor of an old English country house A braid of her hair had fallen forward as if she had been stooping over book or pen and she stood for a moment to smooth it and to gaze contemplatively not in the least sentimentally through the tall narrow window The sun was setting but its glories were at the other side of the house for this window looked eastward where the landscape of sheepwalks and pasture land was sobering at the approach of darkness The lady like one to whom silence and quiet were luxuries lingered on the landing for some time Then she turned towards another door on which was inscribed in white letters Class Room No 6 Arrested by a whispering above she paused in the doorway and looked up the stairs along a broad smooth handrail that swept round in an unbroken curve at each landing forming an inclined plane from the top to the bottom of the house A young voice apparently mimicking someone now came from above saying We will take the Etudes de la Velocite next if you please ladies
