Society And Its Criminals:

Society and Its Criminals Paul Reiwald, 1949 **The Society of Prisoners** Renaud Morieux, 2019-10-03 In the eighteenth century as wars between Britain France and their allies raged across the world hundreds of thousands of people were captured detained or exchanged They were shipped across oceans marched across continents or held in an indeterminate limbo The Society of Prisoners challenges us to rethink the paradoxes of the prisoner of war defined at once as an enemy and as a fellow human being whose life must be spared Renaud Morieux redefines how we understand the notion of what a prisoner of war was before international legal and social conventions were introduced in the eighteenth century the distinction between a prisoner of war a hostage a criminal and a slave was not always clear cut Morieux then uses war captivity as a lens through which to observe the eighteenth century state how it transformed itself and why it endured In so doing he invites the reader to trace the history of the prisoners via a journey between Britain France the West Indies and St Helena

The Challenge of Crime in a Free Society United States. President's Commission on Law Enforcement and Administration of Justice, 1967 This report of the President's Commission on Law Enforcement and Administration of Justice established by President Lyndon Johnson on July 23 1965 addresses the causes of crime and delinquency and recommends how to prevent crime and delinquency and improve law enforcement and the administration of criminal justice In developing its findings and recommendations the Commission held three national conferences conducted five national surveys held hundreds of meetings and interviewed tens of thousands of individuals Separate chapters of this report discuss crime in America juvenile delinquency the police the courts corrections organized crime narcotics and drug abuse drunkenness offenses gun control science and technology and research as an instrument for reform Significant data were generated by the Commission's National Survey of Criminal Victims the first of its kind conducted on such a scope The survey found that not only do Americans experience far more crime than they report to the police but they talk about crime and the reports of crime engender such fear among citizens that the basic quality of life of many Americans has eroded The core conclusion of the Commission however is that a significant reduction in crime can be achieved if the Commission's recommendations some 200 are implemented The recommendations call for a cooperative attack on crime by the Federal Government the States the counties the cities civic organizations religious institutions business groups and individual citizens They propose basic changes in the operations of police schools prosecutors employment agencies defenders social workers prisons housing authorities and probation and parole officers

Crime and Society in England Clive Emsley, 2013-09-13 Acknowledged as one of the best introductions to the history of crime in the eighteenth and nineteenth centuries Crime and Society in England 1750 1900 examines the developments in policing the courts and the penal system as England became increasingly industrialised and urbanised The book challenges the old but still influential idea that crime can be attributed to the behaviour of a criminal class and that changes in the criminal justice system were principally the work of far sighted

humanitarian reformers In this fourth edition of his now classic account Professor Emsley draws on new research that has shifted the focus from class to gender from property crime to violent crime and towards media constructions of offenders while still maintaining a balance with influential early work in the area Wide ranging and accessible the new edition examines the value of criminal statistics the effect that contemporary ideas about class and gender had on perceptions of criminality changes in the patterns of crime developments in policing and the spread of summary punishment the increasing formality of the courts the growth of the prison as the principal form of punishment and debates about the decline in corporal and capital punishments Thoroughly updated throughout the fourth edition also includes for the first time illuminating contemporary illustrations

The Criminal Crowd and Other Writings on Mass Society Scipio Sighele, 2018-11-23 The Criminal Crowd and Other Writings on Mass Society is the first collection in English of writings by Italian jurist sociologist and cultural and literary critic Scipio Sighele 1868 1913 In post unification Italy and internationally Sighele was an important figure in contemporary debates on such issues as popular unrest the problematic borders between individual and collective accountability the role of urbanization in the development of criminality and the emancipation of women This volume draws an intricate portrait of a provocative thinker and public intellectual caught between tradition and modernity in fin de siècle Europe It features new English translations of Sighele's seminal work The Criminal Crowd along with a selection of his later studies on criminality and on individual and group behaviour Nicoletta Pireddu's introduction and annotation provide valuable context and insights on Sighele's contribution to the emerging field of collective psychology on his relationships with his predecessors Cesare Lombroso and Enrico Ferri and with his French rivals Gustave Le Bon and Gabriel Tarde and on the significant scientific literary and cultural developments of his time
