A green door with a black frame is centered in the image. The background is a textured gold color. A thick, horizontal green brushstroke runs across the middle of the image, behind the text. The text "DANCE SOCIETY" is written in a white, serif font, with "DANCE" on the top line and "SOCIETY" on the bottom line. The letters are slightly transparent, allowing the green door and brushstroke to be visible through them.

Conference, *The Dance of Modern Society* William Cleaver Wilkinson, 1869 Unlike many other nineteenth century antidance writers who base their arguments on Scripture Wilkinson asks that his readers formulate their opinions on reason conscience and common sense In fact Wilkinson argues that he is not an enemy of dance and declares it to be perfectly innocent His argument is against the modern manner of dancing that requires expensive clothing and the massing together of a jostling crowd of mute or merely gibbering animals Thus he summarizes dancing does nothing to enhance the intellectual improvement of society **Popular Music: Music and society** Simon Frith, 2004 Popular music studies is a rapidly expanding field with changing emphases and agenda This is a multi volume resource for this area of study Protokollband der Wissenschaftlichen Konferenz der Sektion Nordeuropawissenschaften der Ernst-Moritz-Arndt-Universität Greifswald "Nordeuropa im Internationalen Klassenkampf", 1979 The Dance of Modern Society William C. Meadows, 2009-03-06 For many Plains Indians being a warrior and veteran has long been the traditional pathway to male honor and status Men and boys formed military societies to celebrate victories in war to perform community service and to prepare young men for their role as warriors and hunters By preserving cultural forms contained in song dance ritual language kinship economics naming and other semireligious ceremonies these societies have played an important role in maintaining Plains Indian culture from the pre reservation era until today In this book Williams C Meadows presents an in depth ethnohistorical survey of Kiowa Apache and Comanche military societies drawn from extensive interviews with tribal elders and military society members unpublished archival sources and linguistic data He examines their structure functions rituals and martial symbols showing how they fit within larger tribal organizations And he explores how military societies like powwows have become a distinct public format for cultural and ethnic continuity **Art, Society, and Accomplishments** R. William C. Meadows,2012-11-08 Warrior culture has long been an important facet of Plains Indian life For Kiowa Indians military societies have special significance They serve not only to honor veterans and celebrate and publicize martial achievements but also to foster strong role models for younger tribal members To this day these societies serve to maintain traditional Kiowa values culture and ethnic identity Previous scholarship has offered only glimpses of Kiowa military societies William C Meadows now provides a detailed account of the ritual structures ceremonial composition and historical development of each society Rabbits Mountain Sheep Horses Headdresses Black Legs Skunkberry Unafraid of Death Scout Dogs Kiowa Bone Strikers and Omaha as well as past and present women s groups Two dozen illustrations depict personages and ceremonies and an appendix provides membership rosters from the late 1800s The most comprehensive description ever published on Kiowa military societies this work is unmatched by previous studies in its level of detail and depth of scholarship It demonstrates the evolution of these groups within the larger context of American Indian history and anthropology while documenting and preserving tribal traditions      Kiowa Ethnogeography William C. Meadows,2010-01-01

Examining the place names geographical knowledge and cultural associations of the Kiowa from the earliest recorded sources to the present Kiowa Ethnogeography is the most in depth study of its kind in the realm of Plains Indian tribal analysis Linking geography to political and social changes William Meadows applies a chronological approach that demonstrates a cultural evolution within the Kiowa community Preserved in both linguistic and cartographic forms the concepts of place homeland intertribal sharing of land religious practice and other aspects of Kiowa life are clarified in detail Native religious relationships to land termed geosacred by the author are carefully documented as well Meadows also provides analysis of the only known extant Kiowa map of Black Goose its unique pictographic place labels and its relationship to reservation era land policies Additional coverage of rivers lakes and military forts makes this a remarkably comprehensive and illuminating guide      *Collections of the State Historical Society of Wisconsin* State Historical Society of Wisconsin,1902

how Indians for nearly a century have used dance to define themselves within their communities A Dancing People shows that whether understood as an intertribal or tribally specific event dancing often satisfies needs and obligations that are not met in other ways and that many Southern Plains Indians organize their lives around dancing and the continuity of culture that it represents As one Kiowa elder explained When I go to these dances I m right where those old people were Singing those songs dancing where they danced And my children and grandchildren they ve learned these ways too because it s good it s powerful Ellis tells us not only why and how Southern Plains powwow culture originated but also something about what it means He explores powwow s cultural and historical roots tracing suppression by government advocates of assimilation Indian resistance movements internal tribal disputes and the emergence of powerful song and dance traditions He also includes a series of conversations and interviews with powwow people in which they comment on why they go to dances and what the dances mean to them as Indian people An insightful study of performance ritual and culture A Dancing People also makes an important statement about the search for identity among Native Americans today
