Schaefer,2015-03-19 **Sociology A Brief Introduction** invites students to take sociology with them in their daily lives This successful franchise includes strong coverage of race ethnicity and globalization Paired with a personal and adaptive learning experience students learn to apply sociology s three theoretical frameworks to the world around them Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need

when they need it and how they need it so that your class time is more engaging and effective Introduction to Sociology Mark Plume, 2015-12-31 Based on over twenty years of classroom experience *Revealing Our Social World: An Introduction to Sociology* is written with the teaching sociologist in mind. Humorous, accessible, and informal, the book introduces non-major students to the basic theories, concepts, and terms of sociology. *Revealing Our Social World: A Brief Introduction to Sociology* is organized into four sections, the first of which discusses the basics of the sociological perspective and imagination along with the development of sociology as a discipline. In the second section, the material examines how people fit into their social landscapes. This section features topics such as culture, socialization, groups, social institutions, and deviance. The third section addresses various forms of inequality, while the fourth examines the structure of the daily grind as it applies to marriage and family, religion, education, politics, and the economy. Each chapter lays out the basic elements of the topic using vivid, cross-cultural examples and includes suggested readings, practical activities, and a section titled "There's an App for That." *Revealing Our Social World: A Brief Introduction to Sociology* is a fresh and engaging text for introductory sociology courses at the undergraduate level. Mark Plume earned his Ph.D. in sociology at the University of Southern California. Dr. Plume has been teaching sociology for more than twenty years and is currently a professor at Reynolds Community College, where he teaches traditional and online courses in introductory sociology, marriage and family, and cultural and physical anthropology. Dr. Plume also teaches sex and gender and research methods at Virginia Commonwealth University. His research interests include alcoholic families, gender, and social class. His most recent work examines millennials and their belief in the afterlife. He is a member of the American Sociological Association and the Gerontological Society of America. Dr. Plume, his wife, and their miniature schnauzer make their home in central Virginia. *Sociology* Schaefer, 2014-08-19 **Sociology** Richard P. Appelbaum, 1998-03 **Introduction to Sociology** Amy D'Olivo, Sonia Brown, 2015-01-12 *What You Need to Know: An Introduction to Sociology* discusses grass roots issues and employs relatable examples to help readers see the immediate and important connection between their lives and the societies and cultures to which they belong. From the first chapter, students are encouraged to tap into their sociological imaginations to understand the applications of sociology and how it compares to other disciplines. They explore theories and learn systematic approaches to research. With this foundational understanding, students then study culture, socialization, social structures, interactions, and institutions, and groups, organizations, and networks. The book also addresses deviance and social control, inequality, and social change. *What You Need to Know: An Introduction to Sociology* moves away from an overemphasis on details to focus on the ideas that make sociology both relevant and exciting. Jargon-free and accessible, *What You Need to Know: An Introduction to Sociology* is written for introductory courses in the discipline. Amy D'Olivo holds a Ph.D. in the sociology of religion from Drew University and is an associate professor of sociology and department chair at Centenary College. Her research interests include curriculum development for sociology. Her work has appeared in the *Journal of Men's Studies* and the *Encyclopedia of Criminal Justice*.

Sonia M Brown holds an M A in sociology from DePaul University an M A in social work from Loyola University and is currently pursuing a Ph D at Rowan University She is lecturer at Rutgers University Her research interests include the examination of contemporary examples of social injustice needs and access success of marginalized groups in higher education
