Speaking of Sex Anthony Grey, 1993-11-25 Nowadays we talk about sex incessantly yet we still lack a comfortable language in which to do so The polite vocabularies of religion medicine law and sociology are too formal value laden and often simply boring whilst the vernacular Anglo Saxon words are regarded by some as obscene and are frequently used by others in an aggressively negative sex hating way Antony Grey criticizes the various rhetorics of sexual discussion and points at the ways in which language often becomes a stumbling block to mutual understanding and happiness He calls for a thorough overhaul of sexual discourse to pave the way for greater realism

Sexual politics in revolutionary England Sam Fullerton, 2024-06-18 Sexual politics in revolutionary England recounts a dramatic transformation in English sexual polemic that unfolded during the kingdom s mid seventeenth century civil wars In early Stuart England explicit sexual language was largely confined to manuscript and oral forms by the combined regulatory pressures of ecclesiastical press licensing and powerful cultural notions of civility and decorum During the early 1640s however graphic sex talk exploded into polemical print for the first time in English history Over the next two decades sexual

politics evolved into a vital component of public discourse as contemporaries utilized sexual satire to reframe the English Revolution as a battle between licentious Stuart tyrants and their lecherous puritan enemies By the time that Charles II regained the throne in 1660 this book argues sex was already a routine element of English political culture Sex, politics and empire Richard Phillips,2018-02-01 Colonial governments institutions and companies recognised that in many ways the effective operation of the Empire depended upon sexual arrangements For example nuclear families serving agricultural colonization and prostitutes working for single men who powered armies and plantations mines and bureaucracies For this reason they devised elaborate systems of sexual governance such as attending to marriage and the family However they also devoted disproportionate energy to marking and policing the sexual margins In Sex Politics and Empire Richard Phillips investigates controversies surrounding prostitution homosexuality and the age of consent in the British Empire and revolutionises our notions about the importance of sex as a nexus of imperial power relations The Sexual Life of English Shefali Chandra,2012-05-02 Chandra explores how English became an Indian language during the colonial period of 1850 1930 Using archival and literary sources she focuses on elite language education for girls and women **The Routledge Handbook of Language, Gender, and Sexuality** Jo Angouri,Judith Baxter,2021-04-26 Shortlisted for BAAL British Association for Applied Linguistics Book Prize 2022 The Routledge Handbook of Language Gender and Sexuality provides an accessible and authoritative overview of this dynamic and growing area of research Covering cutting edge debates in eight parts it is designed as a series of mini edited collections enabling the reader and particularly the novice reader to discover new ways of approaching language gender and sexuality With a distinctive focus both on methodologies and theoretical frameworks the Handbook includes 40 state of the art chapters from international authorities Each chapter provides a concise and critical discussion of a methodological approach an empirical study to model the approach a discussion of real world applications and further reading Each section also contains a chapter by leading scholars in that area positioning through their own work and chapters in their part current state of the art and future directions This volume is key reading for all engaged in the study and research of language gender and sexuality within English language sociolinguistics discourse studies applied linguistics and gender studies Queer Theory, Lacanian Psychoanalysis, Sexual Politics Luiz Valle Junior,2025-03-21 Queer Theory Lacanian Psychoanalysis Sexual Politics is a consideration of the relationship between LGBTQIA politics Lacanian psychoanalytic theory and queer theory The book argues through readings of Judith Butler s Gender Trouble and Lee Edelman s No Future that core queer categories such as normativity and anti normativity sidestep questions that are crucial not only to contemporary sexual politics but also to psychoanalytic thinking and clinical work Luiz Valle Junior attends to the queer account of the political shortcomings of the contemporary LGBTQIA movement as well as to the inadequacies of the queer reception of Lacanian psychoanalysis and makes a case for the ongoing relevance of Lacanian psychoanalysis to thinking through a renewed sexual politics The book reflects on the potentiality of a Lacanian theory of

sexual politics to challenge the dominance of identity in contemporary LGBTQIA activism and in the queer theoretical archive Valle Junior shifts the discussion of sexual politics from the terrain of normativity and identity to the terrain of desire and enjoyment and questions enduring heteronormative positions that contemporary Lacanians continue to espouse against Lacan's own position. Queer Theory, Lacanian Psychoanalysis, Sexual Politics will be of great interest to academics and scholars of queer studies, psychoanalysis and in the LGBTQIA movement and more broadly in the relation of identity analytics to contemporary psychoanalytic and political thought. Erotic Welfare Judith Butler, 2014-02-25 A trenchant critique of sexuality in an age of discipline where bodies and pleasures have become sites of regulatory power.
