Special Deliveries New Selected Poems:

Special Deliveries James Broughton, 1990 *Brief Therapy and Beyond* Michael F. Hoyt, 2017-08-25 *Brief Therapy and Beyond* is a collection of new and selected papers by prominent psychologist Michael Hoyt. Numerous clinical vignettes and informative discussions describe time sensitive treatments to relieve psychological distress and or promote growth. Drawing from an encyclopedic knowledge of the professional literature as well as humor, poetry, sports and candid revelation, Hoyt illustrates the importance of stories, language, love, hope and time in shaping worldviews that inspire and empower clients and clinicians to make effective and efficient changes. *Everything Is God* Jay Michaelson, 2009-10-13 This exploration of the radical yet ancient idea that everything and everyone is God will transform how you understand your life and the nature of religion itself. While God is conventionally viewed as an entity separate from us, there are some Jews, Kabbalists, Hasidim and their modern day heirs who assert that God is not separate from us at all. In this nondual view, everyone and everything manifests God. For centuries, a closely guarded secret of Kabbalah, nondual Judaism is a radical reorientation of religious life that is increasingly influencing mainstream Judaism today. Writer and scholar Jay Michaelson presents a wide ranging and compelling explanation of nondual Judaism: what it is, its traditional and contemporary sources, its historical roots and philosophical significance, how it compares to nondual Buddhism and Hinduism and how it is lived in practice. He explains what this mystical nondual view means in our daily ego centered lives, for our communities and for the future of Judaism.

Gay Body Mark Thompson, 1999-03-15 In a compelling mix of autobiography and theory, the author of *Gay Spirit* and *Gay Soul* offers a groundbreaking look at the path to a fully integrated body and spirit. **Contemporary Gay American Poets and Playwrights** Emmanuel S. Nelson, 2003-06-30 Gay presence is nothing new to American verse and theater. Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago. But aside from a few notable exceptions, gay artists of earlier generations felt compelled to avoid sexual candor in their writings. Conversely, most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work. This reference is a guide to their creative achievements. Alphabetically arranged entries present 62 contemporary gay American poets and dramatists. While the majority of included writers are younger artists who came of age in the post-Stonewall U.S., some are older authors whose work has continued or persisted into recent decades. A number of these writers are well known, including Edward Albee, Harvey Fierstein and Allen Ginsberg. Others such as Alan Bowne, Timothy Liu and Robert O'Hara merit wider recognition. Each entry is written by an expert contributor and includes a biography, a discussion of major works and themes, an overview of the author's critical reception and primary and secondary bibliographies. *The Mind-Body Guide to the Twelve Steps* Nina Pick, 2023-09-05 A trauma sensitive companion to the Twelve Steps body based exercises for deepening your recovery, expanding your spiritual practice, preventing relapse and understanding the root of your addiction.
