The Collected Works of Samuel Taylor Coleridge, Volume 14 Samuel Taylor Coleridge, 2019-08-06 Volume 2 of 2

Coleridge's nephew son in law and first editor Henry Nelson Coleridge began at the end of 1822 a record of Coleridge's remarks as a way of preparing an anthology of the interests and thought of the great poet and critic His manuscripts gathered to form the major text of his new edition include passages on relatives friends and various censorable topics omitted from the Table Talk of 1835 and unpublished until now These two volumes also contain talk recorded by other listeners from 1798 until Coleridge's death in 1834 Some of these records have not been previously published some are published from manuscripts that differ from versions previously known Also included are previously unpublished remarks by Wordsworth Along with a bibliography of earlier editions of Table Talk and other useful appendixes Carl Woodring's edition reprints the second edition 1836 which differs from the manuscripts more extensively than the edition of 1835 This is the first fully annotated edition of a work that long remained more popular in the United Kingdom than any of the works in prose published by Coleridge himself The two volumes make a convenient encyclopedia of his ideas and interests Carl Woodring is George Edward Woodberry Professor of Literature Emeritus at Columbia University Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Edmund Burke Daniel E. Ritchie, 2017-09-08 The eighteenth century remains contemporary more than 200 years later because the fundamental questions raised then about politics in both the American and French Revolutions still speak to us The writings of Edmund Burke on these and other political events of his time are today acknowledged as the basis of modern conservative thought This volume brings together an outstanding collection of interpretative essays on Burke and serves as a basic introduction to this seminal thinker A member of the British Parliament

from 1766 to 1794 Edmund Burke had sympathized with the American War of Independence and argued for reform of British policy toward Ireland and India but he surprised many of his friends by his early vehement opposition to the French Revolution This volume brings together assessments of these and other statements by Burke by contemporaries such as Samuel Taylor Coleridge and William Hazlitt along with essays by Irving Babbitt and Russell Kirk who established his significance for twentieth century conservatism This is a collection of the best previously published interpretive essays on Burke It will be of interest to all those interested in the philosophical roots of conservatism in the history of political thought in revolution and in modern political ideologies

Catalogue of Accessions to the Legislative Library of the Province of Ontario During the Years 1913, 1914 and 1915 Ontario. Legislative Library, 1916

Whispering the Strategies of Language: An Mental Quest through **Specimens Of The Table Talk Part One**

In a digitally-driven earth where monitors reign supreme and immediate communication drowns out the subtleties of language, the profound techniques and mental nuances concealed within phrases frequently move unheard. Yet, set within the pages of **Specimens Of The Table Talk Part One** a interesting fictional prize blinking with organic thoughts, lies an extraordinary quest waiting to be undertaken. Composed by an experienced wordsmith, this wonderful opus attracts viewers on an introspective journey, delicately unraveling the veiled truths and profound impact resonating within ab muscles cloth of each word. Within the mental depths with this moving evaluation, we can embark upon a heartfelt exploration of the book is primary themes, dissect their interesting writing model, and succumb to the strong resonance it evokes heavy within the recesses of readers hearts.
