How Documentaries Went Mainstream Nora Stone, 2023 Since the 1960s documentary films have moved closer to the mainstream thanks to the popularity of rockumentaries association with the independent film movement support from public and cable television and the rise of streaming video services Documentary films have become reliable earners at the U S box office and ubiquitous on streaming platforms while historically they existed on the margins of mainstream media How do we explain the growing commercialization of documentary films and the conditions that fueled their transformation The growing commercialization of documentary film has not gone unnoticed but it has not been sufficiently explained Streaming and the growing interest in reality TV are usually offered as initial explanations whenever a documentary enters the cultural conversation or breaks a box office record but neither of those causes grapple with the overlapping causal mechanisms that commercialized documentary film How Documentaries Went Mainstream provides a more comprehensive and meaningful periodization of the commercialization of documentary film Although the commercial ascension of documentary films might seem meteoric it is the culmination of decades long efforts that have developed and fortified the audience for documentary features Author Nora Stone refines rough explanations of these efforts through a robust synoptic history of the market for documentary films using knowledge of film economics and the norms of industry discourse to tell a richer story This periodization will allow scholars to compare the commercialization of documentary film with other genres Drawing on archival documents industry trade journals and popular press and interviews with filmmakers and film distributors Stone illuminates how documentary features have become more plentiful popular and profitable than ever before **Billboard**, 1947-11-29 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Materiality of the Archive** Sue Breakell, Wendy Russell, 2023-10-30 The Materiality of the Archive is the first volume to bring together a range of methodological approaches to the materiality of archives as a framework for their engagement analysis and interpretation Focusing on the archives of creative practices the book reaches between and across existing bodies of knowledge in this field including material culture art history and literary studies unified by an interest in archives as material deposits and aggregations in both analogue and digital forms as well as the material encounter Connecting a breadth of disciplinary

interests in the archive with expanding discourses in materiality contributors address the potential of a material engagement to animate archival content Analysing the systems processes and actions that constitute the shapes forms and structures in which individual archival objects accumulate and the underpinnings which may hold them in place as an archival body the book considers ways in which the inexorable move to the digital affects traditional theories of the physical archival object It also considers how stewardship practices such as description and metadata creation can accommodate these changes The Materiality of the Archive unifies theory and practice and brings together professional and academic perspectives The book is essential reading for academics researchers and postgraduate students working in the fields of archive studies museology art history and material culture

Billboard ,1947-10-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Billboard ,1952-11-29 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
