Stepping Into Your Destiny:

Stepping Into Your Destiny Christine Haines, 2014-02 There is a reason you are occupied by thoughts of your destiny or purpose of existence You have an innate need to seek out the plan God created for you You were designed with a craving to reach your destiny I did not know I had been chosen by God to fulfill a purpose in His plan The Bible is full of promises of protection provision and abundance However as we step into the life God has called us to lead we feel fear uncertainty and a lack of resources Just about the time we get trucking along something we depended on gets changed and we are forced to make adjustments During which times we experience fear uncertainty and even anger our faith is challenged When a tree is left to tend to itself and the dilapidated branches droop to the ground and dry up producing no fruit only leaves it is trying its hardest to restore itself But all its efforts are in vain because all its energy is going to sustain the dilapidated branch with leaves It does not possibly have the resources needed to also produce fruit It's taking everything it has just to survive Do you know what that feels like Are you pouring everything you've got into your life and still just barely getting by Knowledge of your identity is crucial in fulfilling your destiny It will be used to encourage you As you travel this road to fulfilling your destiny you will need the proper tools All of the tools are crucial for traveling the path you were destined to walk When you step into your destiny you will be exhilarated ready to do what you are certain God has called you to do At this point you are experiencing the power Paul wrote about in his second letter to Timothy For God did not give us a spirit of timidity but a spirit of power of love and of self discipline 2 Tim 1:7 NIV As the self discipline lessons begin to shape you you will feel the pain and confusion caused by the pruning Yes You have been pruned by the gardener John 15 you are a branch with hardly any leaves or anything left on it you feel naked exposed and vulnerable It is the winter of your transformation It is in this time that you must allow the Holy Spirit to guide you Relying on your feelings will not do Every ounce of logic and analysis will tell you to turn around pull out stop abort mission But it is not the truth Only the Holy Spirit can guide you through this season But the fruit of the Spirit is love joy peace patience kindness goodness faithfulness gentleness and self control Galatians 5:22-23 NIV You will produce much fruit by the power and direction of God **Stepping Into Your Destiny** Verlydia
