The Voice of the Child in American Literature Mary Jane Hurst, 2014-07-15 We as adults are reflected in our children those in our literature as well as those in our families and so it is natural to want to examine their presence among us Children and child speech are important literary elements which merit careful critical analysis Surprisingly comprehensive studies of the child in American fiction have not been previously attempted and fictional child speech even that of individual characters has been almost totally ignored Nevertheless the language of fictional children warrants attention for several reasons First language and language acquisition are primary issues for children much as sexual development is primary issues for adolescents Second because vast linguistic efforts have been directed toward language acquisition research a broad base of concrete information

exists with which to explore the topic And third language is a key which opens many doors An understanding of fictional children s language leads to discoveries about various critical questions sociological and psychological as well as textual and stylistic This study examines the presentation of children and child language in American fiction by applying general linguistic principles as well as specific findings from child language acquisition research to children s speech in literary texts It clarifies sorts and assesses the representations of child speech in American fiction It tests on fictional discourse linguistic concepts heretofore applied exclusively to naturally occurring child language The aim is not to evaluate the degree of realism in writers presentations of child language for that would be a simplistic and reductive enterprise Rather the overall object is to analyze fictional child language using linguistic methods *Robert Frost* Peter Van Egmond,1991 **The Thomas Wolfe Newsletter** ,1977 Bibliographic Index ,2008 **Critical Essays on F. Scott Fitzgerald's Tender is the Night** Milton R. Stern,1986 Tender Is the Night is the fourth and final novel completed by American writer F Scott Fitzgerald Set in French Riviera during the twilight of the Jazz Age the 1934 novel chronicles the rise and fall of Dick Diver a promising young psychiatrist and his wife Nicole who is one of his patients The Critical Reputation of F. Scott Fitzgerald: Through 1981 Jackson R. Bryer,1984 Covers materials produced by and about Fitzgerald from the beginning to the year 1966
