Remember The Times SWIPE,2014-09-30 Over the course of 2013 and 2014 sixteen people were interviewed about their experiences dating back to their childhoods growing up in the Caribbean and the factors that led to them to leave home for a new life in Britain in the 1950s and 1960s They talked about the difficulties they faced settling in a new country finding work and accommodation in Slough the music they listened to and played dances excursions to the seaside religion and faith It was an opportunity to look back on their lives and reflect on their contributions to the community These testimonies have now been recorded so their stories can be told and future generations can learn about their experiences **Memories of**

Hope,2023-04-24 Memories of Turtle Lake and the Story of Sunset View Beach tells the story of an idyllic community in Northwest Saskatchewan from its first wave of doomed homesteaders in the early 1900s through to its success as a residential lake community today In particular author Kevin Hope details the period from the 1950s onward when area newcomers realized years before the market did that their remote community had the potential to become prime recreational property Recalling memories from his childhood and teen years then with his wife and sons through his experiences as a property owner and full time resident at Sunset View Beach Hope paints a vivid picture of the community and shares stories of the interesting people who have lived there This cast of characters includes Gord both wily and endearing who somehow managed to kickstart the recreational era of the community using other people s money Bud the cheerful backwoods moonshiner and members of the author s own family including his wife Fay who had a rather unique encounter with a badger in an outhouse at the lake Part personal memoir part historic record and wholly entertaining Memories of Turtle Lake has something for anyone with an interest in local history a connection to the area or who just enjoys good storytelling Sadie's Secret Barbara D. Hall,Jon C. Hall,2007-12-26 This book is the fictional story of one mans journey from agnostic concerning unusual phenomena into the realm of belief in the existence of the Big Foot in the swamps of West Florida Inspired by the natural beauty of present day

Myakka River State Park not far from Sarasota Florida the story deals with human vulnerability to belief and how our natural propensity to adopt beliefs without scientific proof of their validity can be manipulated and used by others for their own purposes The story is mostly seen through the eyes of Mike Byrne a member of the local Palmetto County Historical Society as he volunteers to interview the oldest known citizen of the county Sadie Sutton He gradually becomes convinced there is more to her distant past than what she is willing to disclose for the society records He becomes open to the ideas of the speaker at a presentation sponsored by the local Almas Association where his suspicions quickly evolve into the belief that Sadie carries the blood of the DeBosi in her veins As he struggles with his desire to prove his belief is true Mike is drawn into the carefully structured snare of those who seek to use his belief for their own purposes In this story the end justifies the means in the name of a noble cause and the swamp where Sadie has lived all her life is preserved However there is concern that belief once encouraged and nurtured may put in motion forces that will destroy the objectives of those who seek to take advantage of others Jon C Hall Memories of By-gone Days W.
