Prince of Sparta Jerry Pournelle, S. M. Stirling, 1993-03-01 THE HELOT WAR PART II Together the new Royal Spartan Army and its instructors the 5th Battalion of Falkenberg's Mercenary Legion have defeated the initial assault of Grand Senator Bronson's terrorist hordes and their techno ninja allies But Bronson's hatred of Sparta and the Legion was as strong as ever thanks to his limitless wealth and high office the Helots were able to reform retreat and fight again This time they are doing better Besieged within blockaded by the CoDominium without Sparta grimly fights to preserve its precious experiment in liberty But just as it seems that the Spartans and their allies might prevail Bronson has supplied his minions with a battle plan that will bring something worse than a Helot victory Codename Endlosung Final Solution At the publisher's request this title is sold without DRM Digital Rights Management

Invasion Biology Mark A. Davis, 2009-01-29 With the exception of climate change biological invasions have probably received more attention during the past ten years than any other ecological topic Yet this is the first synthetic single authored overview of the field since Williamson's 1996 book Written fifty years after the publication of Elton's pioneering monograph on the subject *Invasion Biology* provides a comprehensive and up to date review of the science of biological invasions while also offering new insights and perspectives relating to the processes of introduction establishment and spread The book connects science with application by describing the health economic and ecological impacts of invasive species as well as the variety of management strategies developed to mitigate harmful impacts The author critically evaluates the approaches findings and controversies that have characterized invasion biology in recent years and suggests a variety of future research directions Carefully balanced to avoid distinct

taxonomic ecosystem and geographic both investigator and species biases the book addresses a wide range of invasive species including protists invertebrates vertebrates fungi and plants which have been studied in marine freshwater and terrestrial environments throughout the world by investigators equally diverse in their origins This accessible and thought provoking text will be of particular interest to graduate level students and established researchers in the fields of invasion biology community ecology conservation biology and restoration ecology It will also be of value and use to land managers policy makers and other professionals charged with controlling the negative impacts associated with recently arrived species

Stagecraft Tom Flagg, 2020-03-16 STAGECRAFT A Primer for Young Actors By Tom Flagg Actor and author Tom Flagg was talking with a fellow actor backstage in the greenroom During their discussion about old movies Mr Flagg mentioned 1940s film star Tyrone Power To Tom s dismay this friend and other cast members in their show had never heard of Tyrone Power or many of the other stage and film stars who created Show Business history Then and there Tom had the idea for this book To provide young actors with a strong background in theatrical history as well as training in some of the skills that will help actors get work STAGECRAFT A Primer for Young Actors is a valuable resource for anyone considering the acting profession as well as those who are already in Show Business Ethnicity and the Dementias Gwen Yeo, Dolores

Gallagher-Thompson, 2013-05-13 In recent years the literature on the topic of ethnic and racial issues in Alzheimer s disease and other dementias has increased dramatically At the same time the need for cultural competence in all of geriatric care including dementia care is increasingly being acknowledged Researchers and providers are beginning to recognize the impending ethnogeriatric imperative as the number of elders from diverse ethnic and cultural backgrounds continues to rise Ethnicity and the Dementias offers invaluable background information in this area while also examining how those suffering from dementia and their family members respond or adapt to the challenges that follow Thoroughly updated and revised from the first edition the book features contributions from leading clinicians and researchers on the epidemiology of

dementias by ethnic population new information on the assessment of diverse populations and updates and inclusions of new populations in the management of dementia and working with families The book is ideal for practitioners researchers and policy makers in search of the most current ethnogeriatric findings The Golden Princess S. M. Stirling, 2014-09-02 A new generation faces its own challenges in the world the Change has made Princess Rialth heir to Rudi Mackenzie Artos the First High King of Montival now wields the Sword of the Lady and faces a new enemy Fortunately she also has a new ally in Reiko Empress of Japan who has been pursued to America by a conquering army from Asia To combat their mutual foe Rialth and Reiko embark on a quest to find the fabled Kusanagi no Tsurugi the Grass Cutting Sword one of the three great treasures of the Japanese Imperial House But dreams have revealed that the road to Kusanagi lies through the meganecropolis of the City of Angels the greatest and most perilous of the dead cities and beyond it to a castle in the fearful Valley of Death And their relentless enemy will stop at nothing to prevent them from succeeding For across the Pacific the great arc of land that

stretches from the dark kingdom of Korea to the realm of Capricornia in Australia is threatened by war Now all the survivors of the Change must choose sides
