These chapters also include maps of the target region to contextualize the material and underscore the impact of geography. Students learn that small businesses account for the greatest part of the gross domestic product in most countries. They study general management, sustainable development, international expansion, stewardship issues, marketing, and the role of cultural issues, all with an emphasis on small businesses rather than major corporations. This knowledge prepares students for their own careers in small businesses.

**Small Businesses Big Ideas** is an excellent supplement for both undergraduate and graduate level courses in strategic management. It can also be used in classes in entrepreneurial studies, global management, and marketing.

Holly J. Hitzemann, M.B.A., is a successful entrepreneur and the founder of three firms, including the stock photo company Great American Stock, which sold products and services in 64 countries. Ms. Hitzemann's background spans the physical sciences, international business, and financing, environmental science, and small business management. Currently, she teaches marketing, management, finance, and business sustainability at the University of New Mexico and is in the early launch phase of her new organization, the For My Earth Project, which will create and sell books celebrating the achievements of children engaged in restoring, preserving, or protecting their environments.

**Small Business** Joseph Daniel Ryan, Gail P. Hiduke, 2006. This book is a guide to small business enterprise, helping the student to identify opportunities, needs, and target customers. The goal of the text is to assist the reader in preparing a business plan that will set the course for their future small business endeavors.

**Small Business Management** Timothy S. Hatten, 2005-04. Hatten provides a balanced introduction to both entrepreneurship and small business management before turning his focus toward achieving and maintaining a sustainable competitive advantage as a small organization. Current issues, including global opportunities, service quality, and technology, are highlighted throughout the text, and the Third Edition features an increased emphasis on small business ownership by women and minority groups. Additional coverage is given to the new Small Business Administration size standards, creating a personalized business plan, and e-commerce. A full chapter is devoted to creating a business plan. Two complete plans, written by undergraduate students, appear in the text: one designed for a service business, the other for a retail establishment. Electronic Business Plan Templates are also available online. New What Would You Do exercises provide realistic opportunities for students to think critically and realistically. New Profile in Entrepreneurship boxes spotlight individuals who've created new products and businesses. New Eduspace course management system. New Coverage of small business ownership by women and minority groups has been increased throughout the text. New End of chapter questions. Comprehension Checks have been added to each chapter. Author created supplements including the Instructors Resource Manual, Test Bank, and PowerPoint slides ensure seamless integration of the

text and teaching resources A shorter length accommodates one semester courses without sacrificing important topics
