### Small Claims My Little Trials In Life:

Good Dirt David E. Morine, Paul Flint, 2011-12-20 The best selling conservation classic completely expanded revised and updated David Morine was a briefcase conservationist specializing in human nature During his fifteen years in charge of land acquisition for The Nature Conservancy Morine helped protect more than three million acres of wilderness finding plenty to laugh about and learn from along the way Here are the stories behind the deals and the people who made them an enlightening entertaining occasionally unsettling look at the dirty job of keeping America clean Vacationland David E.

Morine, 2015-10-30 David Morine's long love affair with Maine began when he was a boy in 1946 and his parents rented their first lakeside cabin in Fryeburg At first skeptical about the cost and the lack of plumbing or electricity the Morines quickly felt right at home There was plenty of good fishing and good company to fill the long summer days Although David didn't know it at the time his career began to take shape that summer when he first splashed his feet in the pristine waters of Lovewell Pond He went on to become an internationally recognized conservationist and served for fifteen years as the head of land acquisition for The Nature Conservancy He is also a natural storyteller and he recounts the fondly remembered pleasures of family vacations and reveals many adventures and misadventures he had along the way This second edition of Vacationland includes the same wonderful quirky personal stories as the first edition along with four new funny and nostalgia filled tales about summering in Maine
