Small Nations In Times Of Crisis And Confrontation

B Lingard

Small Nations In Times Of Crisis And Confrontation:

Small Nations in Times of Crisis and Confrontation Yohanan Cohen, 2012-02-01 The question is how should small states behave under pressure The analysis is of three cases Czechoslovakia in 1938 Poland from 1939 to 1945 and Finland in 1940 and 41 The author is scrupulous in not drawing too many general lessons from these cases but the imprudence of overreliance on great power protection and of ceding to justifications for surrender based on self determination are made clear

Imagining Ireland Abroad, 1904-1945 Lili Zách, 2021-07-29 Offering a unique account of identity formation in Ireland and Central Europe this book explores and contextualises transfers and comparisons between Ireland and the successor states of the Austro Hungarian Empire It reveals how Irish perceptions of borders and identities changed after the re birth of the small states of Austria Hungary and Czechoslovakia and the creation of the Irish Free State Adopting a transnational approach the book documents the outward looking attitude of Irish nationalists and provides original insights into the significance of personal encounters that transcended the borders of nation states Drawing on a wide range of official records private papers contemporary press accounts and journal articles *Imagining Ireland Abroad 1904 1945* bridges the gap between historiographies of the East and West by opening up a new perspective on Irish national identity

The Problems of Genocide A. Dirk Moses, 2021-02-04 Historically delineates the problems of genocide as a concept in relation to rival categories of mass violence

Europe's Coherence Gap in External Crisis and Conflict Management

Bertelsmann Stiftung, 2020-04-07 External interventions to mitigate crises or end conflicts have rarely succeeded The EU and its member states in particular have repeatedly run up against their limits in the civil wars in Afghanistan the Congo Libya Syria the Sahel region and Yemen However the EU if not the entire international community have learned one lesson from their faltering peacebuilding efforts If they are to have any chance of making a meaningful and lasting difference they must develop and use comprehensive strategies that combine and coordinate the various tools available to diplomacy development cooperation and security The 29 reports presented in this book one for each EU member state as well as one on the EU as a whole examine how steep the learning curve has been and accordingly how successful these bodies have been at forming new linkages among the various actors involved in external crisis and conflict management as well as within and between their institutions and organisations While the EU clearly still has a long way to go before it can live up to its rhetoric and become a distinct and effective actor on the foreign policy stage small and incremental steps in reorganising institutional practise may help in narrowing the gap between words and deeds This volume provides examples of how the EU and its member states have found new organisational structures and procedures specifically at the headquarters level to better organise the necessary combination and coordination of the many tools available for crisis and conflict management These ways are then juxtaposed in a big picture chapter which also identifies best practices for successful WGA implementation

Weapons Proliferation and World Order Brad Roberts, 2023-09-29 With the end of the Cold War the subject of

weapons proliferation has acquired new interest and prominence So too have questions about the nature of the world order that will succeed the structure of the last fifty years This study explores the connections among these topics It describes the prevailing conceptual model of nuclear proliferation evaluates proliferation s changing technical features considers economic and political factors bearing on its future rate and character and speculates about proliferation s implications on the post cold war world order It also considers the role of international public policy in meeting proliferation s challenges Arguing that updated approaches are needed the analysis emphasizes cooperative over coercive approaches to order It concludes with an assessment of progress to date in meeting these new challenges arguing that the new agenda is only slowly coming into focus **IDF Journal** ,1988 **Political Science Quarterly** Columbia University. Faculty of Political Science,1999

Offers timely analysis of both domestic and foreign policy issues as well as of political institutions and processes **Eastern Europe, 1986-1993** Robert H. Burger,Helen F. Sullivan,1995-12-15 Describing approximately 1 000 books published between 1986 and late 1993 this work provides readers with a selective guide to English language publications on the subject of Eastern Europe It covers general studies of the area as well as works on the individual countries of Albania Bulgaria the former Czechoslovakia the former German Democratic Republic East Germany Hungary Poland Romania and the former Yugoslavia In addition to bibliographic and descriptive information the authors also include citations to book reviews A companion to their Russia and the Former Soviet Union Libraries Unlimited 1994 this volume also focuses on the social sciences and the humanities As interest about this part of the world continues to build and English language publications about it proliferate Burger and Sullivan s guide is a pertinent addition to academic and public library collections

The Somalia Conflict Revisited Israel Nyaburi Nyadera,Nazmul Islam,Billy Agwanda,2024-03-30 This book aims to examine how informality of spatial governance has influenced the evolution of the conflict in Somalia and the region It not only reopens the debate over how the irregular conflicts can transcend national boundaries but also presents the complexities of spatial governance on national and regional security The book examines how socio political and identity bonds play out in spatial governance sometimes resulting to informal control of vast national territories The book argues that such informally governed spaces increase the level of security threat vulnerability at the national and regional levels The book therefore adds to the existing literature which has not only to be dominated by discourses on the impact of identity on the conflict but also fall short of connecting the impact of informal spatial governance on security Examining how informality in governance in one country can impact on the security of an entire region is a key consideration in emerging peacebuilding strategies **Neoliberalism and Conflict In Asia After 9/11** Garry Rodan,Kevin Hewison,2013-09-13 Key events in Asia s recent history have included the end of the Cold War the Asian Economic Crisis and the war on terror This is a critical assessment of these events and of the interplay of security and economics in shaping political regimes and modifying market systems Based on the notion that market systems are inherently political and conflict ridden this collection clarifies and

explains the conflicts shaping the path of neoliberal globalization Collectively it represents a disciplined and systematic address of four overarching questions What are the significant conflicts emanating from neoliberal globalization and what are their implications What are the implications of new security concerns for these conflicts and what are their impacts How are conflicts associated with globalization and security affecting social and economic policy directions Can these directions be reconciled with the reproduction of existing political regimes or do they threaten their basis In addressing these questions the essays depict neoliberal globalization in the new security context as being able to accommodate a range of political regimes This fascinating collection is a must read for those with a professional interest in the region post 9 11 This book was previously published as a special issue of the Journal Critical Asian Studies **Forthcoming Books** Rose Arny,1989-05

Nationalism and Ethnic Conflict Berch Berberoglu,2005-12-13 This book examines the origins and development of nationalism and national movements in the twentieth century and provides an analysis of the nature and dynamics of nationalism and ethnic conflict in a variety of national settings Examining the intricate relationship between class state and nation the book attempts to develop a critical approach to the study of nationalism and ethnonational conflict within the broader context of class relations and class struggles in the age of globalization The book consists of three parts made up of seven chapters Part I examines classical and contemporary conventional and Marxist theories of nationalism Part II provides a series of empirical comparisons of nationalism and ethnic conflict on a world scale focusing on the Third World the advanced capitalist countries and Eastern Europe and the former Soviet Union A highlight of this section of the book is a detailed comparative case study of the Palestinian and Kurdish nationalism and national movements Part III provides a political analysis of the relationship between class state and nation and lays out the class nature of nationalism and the role of the state in ethnonational conflicts that are the political manifestations of deeper class struggles that have been the driving force of nationalism and ethnic conflict in the era of globalization Berberoglu contends that future studies of nationalism and ethnonational conflict must pay closer attention to the dynamics of class forces that are behind the ideology of nationalism by examining national movements in class terms For only through a careful class analysis of these forces and their ideological edicts will we be able to clearly understand the nature of nationalism and ethnonational conflicts around the world Cyber Conflict Daniel Ventre,2013-02-07 Today cyber security cyber defense information warfare and cyber

warfare issues are among the most relevant topics both at the national and international level All the major states of the world are facing cyber threats and trying to understand how cyberspace could be used to increase power Through an empirical conceptual and theoretical approach Cyber Conflict has been written by researchers and experts in the fields of cyber security cyber defense and information warfare It aims to analyze the processes of information warfare and cyber warfare through historical operational and strategic perspectives of cyber attack It is original in its delivery because of its multidisciplinary approach within an international framework with studies dedicated to different states Canada Cuba France

Greece Italy Japan Singapore Slovenia and South Africa describing the state s application of information warfare principles both in terms of global development and local usage and examples Contents 1 Canada s Cyber Security Policy a Tortuous Path Toward a Cyber Security Strategy Hugo Loiseau and Lina Lemay 2 Cuba Towards an Active Cyber defense Daniel Ventre 3 French Perspectives on Cyber conflict Daniel Ventre 4 Digital Sparta Information Operations and Cyber warfare in Greece Joseph Fitsanakis 5 Moving Toward an Italian Cyber Defense and Security Strategy Stefania Ducci 6 Cyberspace in Japan s New Defense Strategy Daniel Ventre 7 Singapore s Encounter with Information Warfare Filtering Electronic Globalization and Military Enhancements Alan Chong 8 A Slovenian Perspective on Cyber Warfare Gorazd Praprotnik Iztok Podbregar Igor Bernik and Bojan Tigar 9 A South African Perspective on Information Warfare and Cyber Warfare Brett van Niekerk and Manoj Maharaj 10 Conclusion Daniel Ventre

The Karabakh Conflict Between Armenia and Azerbaijan M. Hakan Yavuz, Michael M. Gunter, 2022-11-29 This book focuses on Post Soviet ethnic conflicts and Russia s involvement in them In light of its significant importance for general ethnic conflict specifically the post Soviet Caucasus along with the most recent war just fought over the area from September November 2020 this book appropriately argues that it is time to reconsider Karabakh This project deals with the historical social and political aspects of the Karabakh issue regarding its origins development and the current status of the conflict subsequent to the war in the autumn of 2020 Thus the main themes will stress these points as well as the importance of the Karabakh issue for the future by considering its precedents and implications for other secessionist wars This book also explores how such wars begin and end the international legal precedents of self determination versus territorial integrity its implications for post Soviet developments and conflicts and the latest successful weapons developments lessons from the recent war involving drones among others such as Azerbaijan s rich oil reserves

The Arab-Israeli Conflict P.R. Kumaraswamy, 2023-04-24 This book provides a holistic view of the conflict between Israel and its Arab neighbours and studies the global implications of their fraught relations Focusing on the conflict from its beginning in the late 19th century the author provides a well rounded and balanced narrative by examining its religious ideological ethnic political national regional and international dimensions The volume covers a wide range of issues such as the conflicting historical legacy of the city of Jerusalem Jewish longing for a homeland the partition of Palestine various wars and conflicts since 1948 Palestinian resistance the Arab Boycott of Israel and the Abraham Accords It also tackles the contested national claims and the refugee question and looks at various peace making efforts including the role of external stakeholders such as the US UK Russia and India A comprehensive study of the Arab Israeli conflict the book is richly supported by a swath of references to materials documents maps and video links It will be an essential reading for students academics and teachers of politics and international relations national security geopolitics history military and strategic studies Middle East studies conflict resolution and peace making

Communist China Digest, 1963 Militias and the Challenges of Post-Conflict Peace Chris Alden, Doctor Monika Thakur, Matthew Arnold, 2011-03-10 Militias have

proven to be a consistent and enduring challenge to achieving peace in war zones around the world Whether armed by embattled governments in defence of their territory or fostered by external actors in the interests of greed or grievance these groups occupy an uncertain and deeply controversial position in the changing landscape of conflict Linked variously to atrocities against civilians or international criminal elements part of what distinguishes them from more traditional combatants is their willingness to engage in violent tactics that defy international norms as well as a proclivity to embrace expediency in alliance making As such their diversity of form unorthodox nature and sheer numbers make achieving short term stability and an enduring peace a consistently difficult proposition Bringing together the lessons learned from four intensively researched case studies the Democratic Republic of Congo Timor Leste Afghanistan and Sudan the book argues that the overly rigid cookie cutter approach to demilitarisation developed and commonly implemented presently by the international community is ineffective at meeting the myriad of challenges involving militias In doing so the authors propose a radical new framework for demilitarization that questions conventional models and takes into account on the ground realities

Despots, Democrats and the Determinants of International Conflict Martin Sherman, 2016-07-27 An unequivocal endorsement of an assertive and resolute approach to foreign policy by democracies in their dealings with dictatorships Drawing on the political writings of Kant the rationale of Churchill's anti appeasement policy and the most up to date empirical research in international relations the author forges a rigorous decision theoretic model to account for the international interactions between despotic and democratic regimes The model's validity is illustrated across a broad range of historical examples while its policy oriented implications are shown to have far reaching consequences for conventional perceptions of democratic deterrence posture and the security dilemma

Bulletin of the Atomic Scientists, 1984-12 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world

'Miserable Conflict and Confusion' Erin Kate Scheopner, 2022-03-16 This book investigates the way the British national press covered Ireland and the Irish question from the aftermath of the Easter Rising in 1916 to the ratification of the Anglo Irish Treaty in 1922 Bridging the fields of history and media studies it seeks to add to our understanding of the complex relationship between the press and politics Using a case study of 11 newspapers Erin Kate Scheopner investigates daily press coverage from the formative 1916-22 period to offer broader contextualisation and critical analysis of what the press the reading public and the government recognised to be happening in Ireland The material examined includes articles dedicated series editorials cartoons letters to the editor and reports from outside journalists and foreign press outlets This research confirms that the British national press were not neutral bystanders in the Irish question debate but were active participants helping to shape and influence the course of events that led to the signing of the Anglo Irish Treaty

This Captivating Realm of E-book Books: A Comprehensive Guide Unveiling the Advantages of Kindle Books: A World of Convenience and Flexibility E-book books, with their inherent portability and simplicity of access, have liberated readers from the limitations of hardcopy books. Small Nations In Times Of Crisis And Confrontation Introduction

In the digital age, access to information has become easier than ever before. The ability to download Small Nations In Times Of Crisis And Confrontation has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Small Nations In Times Of Crisis And Confrontation has opened up a world of possibilities. Downloading Small Nations In Times Of Crisis And Confrontation provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers.

With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Small Nations In Times Of Crisis And Confrontation has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Small Nations In Times Of Crisis And Confrontation. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Small Nations In Times Of Crisis And Confrontation. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Small Nations In Times Of Crisis And Confrontation, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Small Nations In Times Of Crisis And Confrontation has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Small Nations In Times Of Crisis And Confrontation Books

1. Where can I buy Small Nations In Times Of Crisis And Confrontation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
