The I In You:

The Aramaic Covenants RavYaakov BarYosef,2015-05-24 The Aramaic Covenants and Tanach In Three Volumes The goal of this work is to provide a modern and accurate English translation of the Chumash Mikra prophets and Writings and the Apostolic Writings The text of this edition of the Aramaic Covenants is a paraphrased translation in idiomatic language This work is a new edition from translations of the Ancient Aramaic For example this new edition uses the name of MarYah Eashoa Msheekha Lord G d Yeshua Messiah It also uses the word ALLAHA for ELI G d YHVH 1 and it introduces the Aramaic rendering of Maran as Lord Along with other Ancient Galilean Aramaic renderings Due weight was given to the ancient versions as establishing a tradition of interpretation Out of the four levels of interpretation Parshat Remez D rash and Sod the Parshat method was employed as was Onkelos method of interpretation of the Torah **PERSONAL POWER (All 12 Volumes)** William Walker Atkinson,2016-03-03 This carefully crafted ebook PERSONAL POWER All 12 Volumes is formatted for your eReader with a functional and detailed table of contents Personal Power Your Master Self Creative Power Your Constructive Forces Desire Power Your Energizing Forces Faith Power Your Inspirational Forces Will Power Your Dynamic Forces Subconscious Power Your Secret Forces Spiritual Power The Infinite Fount Thought Power Radio Mentalism Perceptive Power The Art of Observation Reasoning Power Practical Logic Character Power Positive Individuality Regenerative Power or Vital Rejuvenation This book is devoted to the subject of the development cultivation and manifestation of Personal Power Personal Power in all its phases aspects and modes of manifestation and expression Personal Power as understood and taught in this book may be defined as The ability or strength possessed by the human individual by which he does or may accomplish desired results in an efficient manner along the lines of physical mental and spiritual effort and endeavor William Walker Atkinson 1862 1932 was a prolific writer His works treat themes related to the mental world occultism divination psychic reality and mankind s nature **The Gospel** Jongwoo Han,2016-07-15 This book merges and harmonizes the four Gospels of Matthew Mark Luke and John into one This unified version which I call The Gospel is based on the faith that the four different gospels exist in order to form together the complete story of Jesus life and ministry I consolidated these sources by identifying common denominators among them as well as parts that are unique to each and then interweaving it all into a single narrative using only original texts This integrated version may offer greater incentive to our youth laymen and non believers as well as professionals to read and learn more about what Jesus did and taught Acts 1 1 In the past there have been many attempts to make the four Gospels easier for readers often displaying similar episodes in parallel columns in an effort to resolve the Gospels narrative complexity by harmonizing them in one way or another however in regard to the text itself previous books do not rise to the level of precision and completeness that is achieved here Answering this need for a clear chronological telling of The Story of Jesus this book unifies every account of the four Gospels into a single story without omitting or compromising any part On a given topic in Jesus ministry this book uses as its base

whichever gospel is the greatest common denominator consolidates identical or similar parts from other Gospels and integrates the unique and different elements of each book into a single story *The Greatest Tales of Fred M.
