The Impact of College on Students: An analysis of four decades of research Kenneth A. Feldman, Theodore Mead Newcomb, 1973 *The Impact of College on Students* Kenneth A. Feldman, Theodore Mead Newcomb, 1976 **Black Males in Postsecondary Education** Adriel A. Hilton, Chance W. Lewis, J. Luke Wood, 2012-11-01 Black Males in Postsecondary Institutions Examining their Experiences in Diverse Institutional Contexts offers a comprehensive examination of the experiences of Black males in our nation's higher education institutions In recognizing the role of institutions in fostering distinctive educational experiences this volume systematically explores the status academic achievement and educational realities of Black men within numerous institutional types i e community colleges For profit colleges Liberal arts colleges historically Black colleges and universities ivy league institutions religious affiliated institutions private institutions Hispanic serving institutions research intensive institutions and predominately White institutions In line with a core commitment towards transformative change chapter authors also provide recommendations for future research policy and practice aimed at fostering enhanced personal academic and career outcomes for Black men in college Resources in Education ,2001-04 Rethinking Cultural Competence in Higher Education: An Ecological Framework for Student Development: ASHE Higher Education Report, Volume 42, Number 4 Edna Chun, Alvin Evans, 2016-06-21 Take a holistic look at an intentional educational ecosystem that builds cultural competence a critical skill college graduates need for careers and citizenship in a diverse global society This monograph unpacks the multilayered meanings of cultural competence and offers a term diversity competence that is more consistent with the broad spectrum of diversity learning outcomes that occur on campus Drawing on the findings of a survey of recent college graduates now working as professionals the monograph offers leading edge integrative models that bring together the multidimensional components of the learning environment including curricular co curricular and service learning research based factors contributing to a campus environment that encourages cultural competence in depth assessment and analysis of best practices and concrete recommendations that offer a transformative pathway to the attainment of diversity competence in the undergraduate experience This is the fourth issue of the 42nd volume of the Jossey Bass series ASHE Higher Education Report Each monograph is the definitive analysis of a tough higher education issue based on thorough research of pertinent literature and institutional experiences Topics are identified by a national survey Noted practitioners and scholars are then commissioned to write the reports with experts providing critical reviews of each manuscript before publication **Public Policy and Higher Education** Edward P. St. John, Nathan Daun-Barnett, Karen M. Moronski-Chapman, 2013 Amid changing economic and social contexts radical changes have occurred in public higher education policies over the past three decades Public Policy and Higher Education provides readers with new ways to analyze these complex state policies and offers the tools to examine how policies affect students access and success in college Rather than arguing for a single approach the authors examine how policymakers and higher

education administrators can work to inform and influence change within systems of higher education using research based evidence along with consideration of political and historical values and beliefs Special Features Case Studies allow readers to examine strategies used by different types of colleges to improve access and retention Reflective Exercises encourage readers to discuss state and campus context for policy decisions and to think about the strategies used in a state or institution Approachable Explanations unpack complex public policies and financial strategies for readers who seek understanding of public policy in higher education Research Based Recommendations explore how policymakers higher education administrators and faculty can work together to improve quality diversity and financial stewardship This textbook is an invaluable resource for graduate students administrators policymakers and researchers who seek to learn more about the crucial contexts underlying policy decisions and college access

The African American Student's Guide to STEM Careers Robert T. Palmer, Andrew T. Arroyo, Alonzo Flowers, 2016-12-05 This book comprehensively reviews the factors that facilitate access and success of Black students in STEM majors in higher education and it shares compelling testimonies from Black STEM professionals that will help inspire the next generation of Black scientists and engineers Most experts agree that America's success depends on having a workforce that is highly prepared in STEM areas Unfortunately students of color continue to be underrepresented in higher education and specifically in completing degrees and entering careers within the STEM fields This book supports African American students as well as all students who are interested in STEM careers providing information on the top colleges with STEM related programs particularly those that best support racially diverse students practical advice for preparing for entrance into STEM programs and inspirational stories of successful African Americans in STEM related careers Authored by three educators expert in the areas of academic development of African Americans and minorities STEM and higher education The African American Student's Guide to STEM Careers focuses on preparing Black students for STEM from K 12 through graduate school Readers will more fully appreciate the importance of STEM recognize why more Black students need to be more actively engaged in these disciplines and understand how to prepare Black students for success in STEM throughout the educational pipeline

Higher Education in the United States James J. F. Forest, Kevin Kinser, 2002-06-21 Surveys the changing landscape of American higher education from academic freedom to virtual universities from campus crime to Pell Grants from the Student Privacy Act to student diversity In the years following World War II college and university enrollment doubled students revolted faculty unionized and community colleges evolved Tuition and technology soared as did the number of first generation minority and women students These changes radically transformed the American system of postsecondary education Today that system is in trouble Its aging professoriate prepares for retirement but low academic salaries can no longer attract the best minds to replace them A flood of corporate dollars funds commercial research but money for basic research the seedbed of American scientific preeminence has dried up Colleges and universities also face heated competition with for profit education providers for students faculty

and external financial support along with the costs of providing remedial education to growing numbers of students who are unprepared for postsecondary education Higher Education in the United States provides a comprehensive analysis of these issues and others that scholars and practitioners of higher education study discuss and grapple with on a daily basis
