The Imperial Post Tom Kelly, 1983 Tom Kelly who began his career in 1939 as a copy boy on The Washington Post tells candidly how one of the best known institutions of power really behaves Based on interviews with current and past staff members he shows how once a rag paper it became rich and powerful through the efforts of a determined family Eugene and Agnes Meyer Philip and Katharine Graham as well as the two reporters Bernstein and Woodward who cracked Watergate and the current publisher Donald Graham He also shows how the paper has developed a reputation for both reckless and opinionated journalism as well as for fearless and penetrative investigative reporting ISBN 0 688 01919 6 14 95 The SAGE Encyclopedia of Journalism Gregory A. With All Deliberate Speed Norman I. Silber, 2011-06-22 *With All Deliberate Speed* is just wonderful. It gives the reader fascinating insights into the Roosevelt era, the Supreme Court, the Justice Department. It is funny and endearingly human. Three cheers. Anthony Lewis, New York Times columnist and Pulitzer Prize winning author of *Gideon's Trumpet*. The fascinating, eloquent and skillfully edited oral memoir of a distinguished public servant who was at the epicenter of major legal controversies that his memoir illuminates. A major contribution to modern American legal history.

Richard A. Posner *With All Deliberate Speed* provides an insider's rich account spanning over thirty years of the inner workings of the Supreme Court, the Solicitor General's Office and the Federal Trade Commission that anyone seriously interested in a frank behind-the-scenes view of the federal government should find exceptionally provocative and intriguing.

Drew Days III Alfred M. Rankin, Professor of Law, Yale University and former Solicitor General of the United States, 1993-96. From a modest childhood in Patterson, N.J., Philip Elman rose to become clerk for the great Supreme Court Justice Felix Frankfurter and then to a position in the U.S. Solicitor General's Office. As a member of that office, Philip Elman had an exceptional vantage point on one of the most momentous cases in U.S. Supreme Court history: *Brown v. Board of Education*. In this oral history memoir of Elman's life, *With All Deliberate Speed* author Norman I. Silber reveals the maneuvering that led to the Court's overturning the doctrine of separate but equal. Working behind the scenes, it was Justice Department attorney Elman who came up with the concept of gradual integration, an idea that worked its way into the final decision as the famous phrase "with all deliberate speed." Though this expression angered those pressing for immediate desegregation, Elman claims that it unified a divided Court, thus enabling them to stand together against the evil of segregation. *With All Deliberate Speed* records a decisive moment in Supreme Court history, but it is also Philip Elman's unforgettable oral memoir, the story of his entire career in government service, including his work with Attorney General Robert F. Kennedy as commissioner of the FTC and his role in founding the modern consumer protection movement, which includes the antismoking campaign that put the Surgeon General's warning on cigarette packs. At once rich historical testimony and a gripping read, *With All Deliberate Speed* offers a rarely glimpsed insider's understanding of the politics of the American legal system.
