The Industry Life In The Hollywood Fast Lane:

The industry Saul David,1981 *Film Study* Frank Manchel,1990-10 The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities

Stuntwomen Mollie Gregory,2015-11-19 Gives voice to the women who have risked their lives for a few perilous moments on the big screen A fascinating look at a risky profession The Washington Post They've traded punches in knockdown brawls crashed biplanes through barns and raced to the rescue in fast cars They add suspense and drama to the story portraying the swimmer stalked by the menacing shark the heroine dangling twenty feet below a soaring hot air balloon or the woman leaping nine feet over a wall to escape a dog attack Only an expert can make such feats of daring look easy and stuntwomen with the skills to perform and survive great moments of action in movies have been hitting their mark in Hollywood since the beginning of film Here Mollie Gregory presents the first history of stuntwomen in the film industry from the silent era to the twenty first century In the early years of motion pictures women were highly involved in all aspects of film production but they were marginalized as movies became popular and more important profitable Capable stuntwomen were replaced by men in wigs and very few worked between the 1930s and 1960s As late as the 1990s men wore wigs and women's clothes to double as actresses and were even painted down for some performances while men and women of color were regularly denied stunt work For decades stuntwomen have faced institutional discrimination unequal pay and sexual harassment even as they jumped from speeding trains and raced horse drawn carriages away from burning buildings Featuring sixty five interviews Stuntwomen showcases the absorbing stories and uncommon courage of women who make their living planning and performing action packed sequences that keep viewers hearts racing *Lost Illusions* David A. Cook,2002-03-15 This volume examines the development of film and the film industry during the 1970s and the political and economic background that influenced it **Forbidden Bookshelf Presents Dan E. Moldea** Dan E. Moldea,2018-10-23 Three exposés of corruption behind the NFL the Teamsters and Jimmy Hoffa and Ronald Reagan from an investigative reporter who never relents The Washington Post Interference A shocking exposé of widespread corruption and mob influence throughout the National Football League on the field in the owners boxes and in the corporate suites A true and terrifying picture of a business whose movers and shakers seem to have more connections to gambling and the mob than to touchdowns and Super Bowls Keith Olbermann The Hoffa Wars The definitive portrait of the powerful corruption ridden Teamsters union and its legendary president Jimmy Hoffa organizer gangster convict and conspirator whose disappearance in 1975 remains one of the great unsolved mysteries Mr Moldea's view of the Hoffa wars which reached its greatest intensity when Robert Kennedy was Attorney General may explain not only Mr Hoffa's disappearance but the assassination of John

Kennedy as well The Wall Street Journal Dark Victory A smoldering indictment of the corrupt influences that rescued Ronald Reagan's acting career made him millions resulting in a federal grand jury hearing backed his political career and shaped his presidency Library Journal Moldea has through sheer tenacity amassed an avalanche of ominous and unnerving facts Dark Victory is a book about power ego and the American way Los Angeles Times [All You Need to Know About the Movie and TV Business](#) Gail Resnik, Scott Trost, 1996-02-06 Whether one is pursuing the dream of acting directing or writing or is interested in a career as a studio executive agent cinematographer makeup artist stuntman or camera operator Resnik and Trost present realistic assessments of career opportunities offer savvy insights into how to play the Hollywood game and explore in detail the legal ins and outs of the business **Movie Anecdotes** Peter Hay, 1991-12-12 Hollywood Walter Winchell quipped is where they shoot too many movies and not enough actors Always looking for an angle always scheming always the scene of clashing egos the movie industry is where they place you under contract instead of observation and if you don't have anything nice to say write it down In 1940 I had my choice between Hitler and Hollywood French director Ren Clair recalled and I preferred Hollywood just a little In Movie Anecdotes Peter Hay treats us to a delightful ride through the world that has captivated audiences for almost a century with stories that are often hilarious sometimes tragic and always entertaining He takes us from the rough and tumble early days when one studio paid Pancho Villa 25 000 to launch his attacks only in daylight after a film crew had set up to the studio era when Joan Crawford refused to cross the street on the MGM lot except in a chauffeured limousine to the shenanigans of today's global industry Here are stories about all the legends Charlie Chaplin Greta Garbo John Barrymore Mae West Lucille Ball Marilyn Monroe Errol Flynn Humphrey Bogart Bette Davis Judy Garland Sophia Loren John Wayne and of course Ronald Reagan There are the great directors from D W Griffith Hitchcock and Eisenstein to Kurosawa Bergman Visconti Huston Ford and Woody Allen And Hay has selected tales of the writers the wits and the grand moguls including perhaps the largest collection of Goldwynisms both genuine and apocryphal Along with the laughter this volume recreates the conflicts that have torn the movie world from battles over money and contracts to discrimination divorces and scandals Colorful incredible bitter funny the stories about moviemaking are as fantastic as the pictures themselves Now they have been gathered together in an irresistible bouquet that is certain to delight every movie buff and provide fascinating insights for serious students of film *Dark Victory* Dan E. Moldea, 2017-04-18 A smoldering indictment of the corrupt influences that rescued Ronald Reagan's career made him millions and shaped his presidency Library Journal Founded in 1924 the Music Corporation of America got its start booking acts into speakeasies run by such notorious Chicago mobsters as Al Capone How then in only a few decades did MCA become the driving force behind music publishing radio recording artists Hollywood and the burgeoning television industry Enter Ronald Reagan By the late 1950s Reagan was a pass movie actor As president of the Screen Actors Guild he was also MCA's key client With Reagan's help MCA would become the most powerful entertainment conglomerate in the world And with MCA

s help Reagan would secure a fortune resulting in a federal grand jury hearing be marketed to the public as a viable politician and ascend to the presidency of the United States But according to reporter Dan E Moldea there had always been another catalyst behind MCA Ties to organized crime that reached back to the company s inception and through Reagan s Teamster backed candidacy had never been severed From the author of *The Hoffa Wars* this is an epic and serpentine investigation into the insidious links among Hollywood the Mob and politics Based on research of six thousand pages of previously classified documents including the entirety of Reagan s grand jury testimony Moldea has through sheer tenacity amassed an avalanche of ominous and unnerving facts *Dark Victory* is a book about power ego and the American way Moldea has shown us what we don t want to see Los Angeles Times

Do You Believe in Magic? David Krell, 2023-03-08 A unique and dynamic look at a pivotal year in American history and culture There were seismic shifts taking place in 1966 The Supreme Court s Miranda warnings decision A World Series upset Jacqueline Susann s salacious best seller *Valley of the Dolls* The television debut of *Batman* Five successful missions in NASA s Project Gemini It was truly a momentous year in America In *Do You Believe in Magic* Baseball and America in the Groundbreaking Year of 1966 David Krell goes beyond the headlines to reveal the importance of this underappreciated year in history Using the baseball season as a unifying thread Krell also examines the Space Race television film politics music and more revealing that innovation was the common theme during this extraordinary time With a vivid narrative archival photos exclusive interviews and contemporary news accounts *Do You Believe in Magic* presents the powerful stories and impactful moments from a fascinating year that transformed America forever

Projecting Tomorrow James Chapman, Nicholas J. Cull, 2013-01-30 Cinema and science fiction were made for each other The science fiction genre has produced some of the most extraordinary films ever made yet science fiction cinema is about more than just special effects It has also provided a vehicle for filmmakers and writers to comment on their own societies and cultures This new exploration of the genre examines landmark science fiction films from the 1930s to the present They include genre classics such as *Things to Come* *Forbidden Planet* and *2001 A Space Odyssey* alongside modern blockbusters *Star Wars* and *Avatar* Chapman and Cull consider both screen originals and adaptations of the work of major science fiction authors They also range widely across the genre from pulp adventure and space opera to political allegory and speculative documentary there is even a science fiction musical Informed throughout by extensive research in US and British archives the book documents the production histories of each film to show how they made their way to the screen and why they turned out the way they did
