Korinek,2000-01-01 Korinek shows that rather than promoting domestic perfection Chatelaine did not cling to the stereotypes of the era but instead forged ahead providing women with a variety of images ideas and critiques of women s role in society *The Listener* Taylor Caldwell,2024-04-23 A parade of people in need of solace find a mysterious sympathizer in this uniquely moving classic by a New York Times bestselling author They come day and night to confess their troubles to an anonymous listener positioned behind a curtain Could it be a priest a psychiatrist a friend or a judge Each person draws a different conclusion From a businessman who feels betrayed by someone he trusted to a society woman with contempt for her husband to a scientist troubled by what his work has wrought the visitors situations vary widely as they struggle with grief denial prejudice and fear But in this small sanctuary there are no office hours the listener is always listening and the visitors lives are forever changed This inspiring and inventive work of fiction comes from the award winning author of Captains and the Kings Testimony of Two Men and many other bestsellers The gift of narration and characterization which Taylor Caldwell brings to each of her books is here in strong measure Kirkus Reviews I believe Caldwell wanted to instill hope renew faith and foster love in what she saw as a society on the decline The year was 1960 But the issues can be universally applied today The Book Cafe *Dear and Glorious Physician* Taylor Caldwell,2012-06-04 Two thousand years ago St Luke was known as Lucanus one of the greatest physicians of the ancient world Taylor Caldwell brings him to life in this portrait of a complex and brilliant man and the colorful Roman society in which he lived *Catalog of Copyright Entries.
