The Law Of Psychic Phenomena:

The Law of Psychic Phenomena Thomson Jay Hudson, 1896 **The Law of Psychic Phenomena** Thomson Jay Hudson, 1901 *The Law of Psychic Phenomena* Thomson Jay Hudson, 2017-09-08 Originally published in 1901 and republished here by Forgotten Books The Law of Psychic Phenomena A Working Hypothesis is author Thomas Jay Hudson's examination of what is here referred to as psychic phenomena namely hypnotism mental therapeutics clairvoyance ghosts and many other topics that some may consider fantastical The purpose of the book as stated by Hudson is to assist in bringing Psychology within the domain of the exact sciences While there is no disputing that psychology today enjoys the same level of academic and scientific rigour as other fields skeptics may take issue with the phenomena that the author lumps into the field of psychology Hudson begins the book with a discussion on the importance of formulating a working hypothesis before laying out his own The author argues that man has two minds an objective and subjective with the subjective mind amendable to control by suggestion and incapable of inductive reasoning It is with this hypothesis that Hudson carries out an examination of various forms of psychic phenomena This is not a book for the reason minded skeptic to enjoy Much of the text is devoted to what many would classify as the supernatural Nor does the author offer logic based arguments for skeptics rather he dismisses them outright stating I will not waste time however by attempting to prove by experiments of my own or of others that such phenomena do occur It is too late for that The facts are too well known to the civilized world to require proofs at this time The man who denies the phenomena of spiritism to day is not entitled to be called a sceptic he is simply ignorant If you are not willing to go into this book with a blanket acceptance of the supernatural you will likely take issue with many of the passages If nothing else Hudson displays a daring sense of boldness by concluding the book by tackling the subject of Christ and applying his working hypothesis for psychic phenomena to the story of the Bible While an interesting read *The Law of Psychic Phenomena* is simply too short on legitimate proof to recommend as a worthwhile exploration into the topic About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Law of Psychic Phenomena** Thomas Jay Hudson, 2014-03 This Is A New Release Of The Original 1912 Edition **The Law of Psychic Phenomena** Thomas Jay Hudson, 2007-06 In the Law of Psychic Phenomena by author Thomas Jay Hudson Hudson has attempted to create a classification of verified psychic phenomena accounts of which is found in the literature current on the subject and has tentatively formulated a working hypothesis for the systematic study of all classes of psychic phenomena Hudson has

collected a vast array of facts thus accumulated and verified and awaiting scientific classification and analysis which would seem to justify at least a tentative effort to apply to them the processes of induction to the end that the fundamental law of psychic phenomena may be discovered This is an important work for those who are interested in the writings of Thomas Jay Hudson and also those with an interest in understanding psychic phenomena **The Law of Psychic Phenomena -**

Thomson Hudson Thomson Hudson,2007-11 I do not expect this book to stand upon its literary merits for if it is unsound in principle felicity of diction cannot save it and if sound homeliness of expression cannot destroy it My primary object in offering it to the public is to assist in bringing Psychology within the domain of the exact sciences That this has never been accomplished is owing to the fact that no successful attempt has been made to formulate a working hypothesis sufficiently comprehensive to embrace all psychic phenomena It has however long been felt by the ablest thinkers of our time that all psychic manifestations of the human intellect normal or abnormal whether designated by the name of mesmerism hypnotism somnambulism trance spiritism demonology miracle mental therapeutics genius or insanity are in some way related and consequently that they are to be referred to some general principle or law which once understood will simplify and correlate the whole subject matter and possibly remove it from the domain of the supernatural The London Society for Psychical Research whose ramifications extend all over the civilized world was organized for the purpose of making a systematic search for that law The Society numbers among its membership many of the ablest scientists now living Its methods of investigation are purely scientific and painstaking to the last degree and its field embraces all psychic phenomena It has already accumulated and verified a vast array of facts of the most transcendent interest and importance In the mean time a large number of the ablest scientists of Europe and America have been pursuing independent investigations in the phenomena of hypnotism They too have accumulated facts and discovered principles of vast importance especially in the field of mental therapeutics principles which also throw a flood of light upon the general subject of Psychology This vast array of facts thus accumulated and verified and awaiting scientific classification and analysis would seem to justify at least a tentative effort to apply to them the processes of induction to the end that the fundamental law of psychic phenomena may be discovered In the following pages I have attempted such a classification of verified phenomena accounts of which I find in the literature current on the subject and I have tentatively formulated a working hypothesis for the systematic study of all classes of psychic phenomena It will be observed that I have availed myself largely of the labors of others instead of confining myself to experimental researches of my own I have done this for two reasons first that I might avoid the accusation of having conducted a series of experiments for the purpose of sustaining a pet theory of my own and second because I hold that substantial progress cannot be made in science until one is ready to accord due credit to human integrity and to give due weight to human testimony In conclusion I desire to say that I claim no credit for this work save that which is due to an honest desire to promote the truth for its own sake Sincerely believing in the correctness of my hypothesis I have not

hesitated to follow it to its legitimate conclusion in every field which I have entered If at the close of the book I have seemed to trespass upon the forbidden field of theological discussion it was not for the purpose of sustaining any preconceived opinions of my own far from it It was because I was irresistibly led to my conclusions by the terms of my hypothesis and the inflexible logic of its application I cannot but be aware that my conclusions sometimes oppose the preconceived opinions of others But no one who accepts my hypothesis as the true one will be compelled more frequently than I have been to renounce his former convictions T J H WASHINGTON D C October 21 1892 **The Law of Psychic Phenomena** Thomson Jay

The Law of Psychic Phenomena Thomas Jay Hudson,2022-05-13 The primary object of this book is to assist in bringing Psychology within the domain of the exact sciences It has long been felt by the ablest thinkers of our time that all psychic manifestations of the human intellect normal or abnormal whether designated by the name of mesmerism hypnotism somnambulism trance spiritism demonology miracle mental therapeutics genius or insanity are in some way related and consequently that they are to be referred to some general principle or law which once understood will simplify and correlate the whole subject matter and possibly remove it from the domain of the supernatural This book explores all areas of the metaphysical world from early philosophics to hypnotism and mesmerism clairvoyance visions right through an overview of the psycho therapeutic practices of that time The phenomena of spiritism is covered in all its forms including contact with the spirit world as well as case histories of witchcraft hauntings and possession

The Law of Psychic Phenomena Thomas Jay Hudson,2020-03-30 Thomson Jay Hudson attempts to explain mental phenomena in a way which reconciles with the physical sciences phenomena such as hypnotics spiritual visions subjective memories and the subconscious mind Hudson was fascinated in how the trances of those under hypnosis resembled the spiritual mediums that purportedly could communicate with ghosts and spirits from the beyond Based on these and other observations a theory that humans have at their disposal two minds each capable of different capacities and powers of mental utility Over time Hudson thought argument about the nature of mind to be irrelevant he considered the two minds hypothesis to be irrefutable in the face of psychic phenomena all men have an objective conscious mind and a subjective unconscious mind The spiritism movement and general interest in psychics reached ever greater heights towards the end of the 1800s The Law of Psychic Phenomena published in 1893 summarizes the popular phenomena and strange mental occurrences that had captured popular interest in the foregoing years Though much of Hudson s work on spiritualism and communication with ghosts is disregarded by modern science his notions of human consciousness the two minds theory was influential and would inspire further researches by psychologists and mental researchers

The Law Of Psychic Phenomena Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Law Of Psychic Phenomena PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Law Of Psychic Phenomena PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Law Of Psychic Phenomena free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Law Of Psychic Phenomena Books

What is a The Law Of Psychic Phenomena PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Law Of Psychic Phenomena PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Law Of Psychic Phenomena PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Law Of Psychic Phenomena PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Law Of Psychic Phenomena PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with

PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
