Williams,2019-07-08 In an age of rampant xenophobia and the nativist imperative to undo globalization for a return to a bygone purer age can patently modern identities indefinitely sustain their messages of inclusion and equality This volume serves to answer this and other pressing existential questions by tracing the development of the Caymanian people from the colonial era into our modern globalized multicultural age The emergence of Caymanian nationalism is extensively analyzed and confirmed as a phenomenon that was preceded by fragmented Caymanian identities informed by issues of race and class Despite this the native Caymanian people were able to successfully jettison their race thinking and in so doing began to see themselves as members of a singular nationality This notion of national and cultural solidarity as this book details has become a vexing issue and is now being duly tested given the astonishing numbers of immigrants in Cayman many of whom are keen to become Caymanians themselves Corunna 1809 Brian L. Kieran,2011 Dr Brian Kieran has shed more light on Sir John Moore and his heroic retreat during 1808 1809 through the Galicia Mountains in the middle of Winter to Corunna in Spain The tragic events of the retreat are graphically described leading to the sombre death of Sir John Moore at the moment of Victory The one British Army of the time escaped through their evacuation from Corunna from Napoleon and ultimately his Marshals Moore s skilful campaign caused Napoleon to return to Paris as he could not bear the thought of being defeated or outrun by the More s military skill Moore s death occurred at the height of the battle at Corunna and he was aware of the

victory before he died a painful death More's death gave rise to the composition of a number of poems yet the most famous was written by an Irishman in England it became a children's Memorial to a Great Man But he lay like a warrior taking his rest With his martial cloak around him Moore could have been given no greater honour at that time when Soult ordered the firing of a salute of Cannon

Defining the Caymanian Identity Christopher A. Williams, 2015-12-16 Defining the Caymanian Identity analyzes the factions and schisms surging throughout the multicultural multi ethnic and polarized Cayman Islands to identify who or what is considered a Caymanian In the modern world where Caymanian traditions have all but been eclipsed or forgotten often due to incoming overpowering cultural sensibilities it is a challenge to know where traditional Caymanian culture begins and modern Caymanian culture ends With this idea in mind Christopher A Williams investigates the pervasive effects of globalization multiculturalism economics and xenophobia on an authentic if dying indigenous Caymanian culture This book introduces and expounds the provocative solution that the continued prosperity of the Cayman Islands and their so called indigenous people may well depend on a synergistic moral link between Caymanianness and foreignness between Caymanianness and modernity

The New Zealand Cross Dr. Brian L Kieran, 2016-03-15 The New Zealand Cross There has been no comprehensive history of the award published in one place Dr Kieran explores the development of the creation and inauguration of the award a listing of all the recipients and an outline of the New Zealand Wars from 1860 to 1872 The Victoria Cross and other decorations were being awarded to Imperial troops but the settlers in the Volunteers and Militia were not being recognised for carrying out similar acts of bravery The recognition of acts worthy of the NZC were anticipated to become well known however the awards span a period to 1910 and thus the impact of the bravery leading to an award of the NZC was not achieved Personalities like King Tawhiao Sir George Bowen Sir George Grey Lt General Cameron Te Kooti Titokowaru and Major General Whitmore were involved in the conflict A major issue leading to battles arose due to land confiscation by the settlers The battles were mainly restricted to the North Island Taranaki and Wanganui on the West Coast Waikato in the Central area and on the East Coast at Gisborne Napier Tauranga and the Urewera

The British National Bibliography Arthur James Wells, 2005 **Hinterland Warriors and Military Dress** Thomas Abler, 1999-09 Much of the exotic dress of the armies of Europe has its origins in the conditions of frontier wars fought by imperial armies and in the employment of Hinterland warriors by imperial governments This study charts how perceptions of these marginalized peoples influenced and ultimately transformed the history of military dress Discussion encompasses Hussars of the eastern frontier North African Mameluks and Zouaves and the North American frontier experience Includes bandw historical illustrations and a few photos Abler is affiliated with the University of Waterloo Canada c Book News Inc
