THE LAZARUS MIRACLE: DID JESUS REALLY RAISE HIM FROM THE DEAD?

The Lazarus Miracle

Herbert Lockyer

The Lazarus Miracle:

Lazarus of Bethany Scott Douglas,2021-07-15 Discover the true miracle of Lazarus being raised from the dead Lazarus is an amazing story A man rose from the dead You just don t get any more awesome than that right So that s it then That s what we are supposed to learn from his resurrection right Not exactly Jesus performed lots of miracles John said it best when he said that there would not be room in the whole world to describe all that he did It s easy to look at the stories of miracles and see them for what they re worth miracles But that s a shame If the miracle is in the Bible there s a reason for it It s not just there because it was miraculous With Lazarus a man rose from the dead an amazing miracle no doubt But there s more to it than that There s a lesson to be learned Lazarus wasn t just a man who raised from the dead he had a life before and after his resurrection And Jesus didn t perform the miracle just to be flashy **Jesus Raises Lazarus: A Miracle of Life Kids Bible Stories** Ayokunle Mathew Akinbi,2025-03-10 Step into the ancient village of Bethany and witness one of the most remarkable miracles performed by Jesus Christ in Jesus Raises Lazarus A Miracle of Life Kids Bible Stories In this captivating retelling of the biblical narrative young readers will embark on a journey filled with vivid imagery sensory experiences and profound lessons of faith and hope Follow the heart wrenching tale of Lazarus a dear friend of Jesus as he falls gravely ill and is laid to rest in a tomb Experience the grief and desperation of his devoted sisters Mary and Martha as they plead with Jesus for help in their time of need Delve into the message of hope and reassurance delivered by Jesus as he reveals the boundless power of faith and the unwavering love of God As the story unfolds readers will witness the awe inspiring moment when Jesus calls Lazarus forth from the darkness of death defying all expectations and revealing his divine authority Through rich sensory descriptions and immersive storytelling young readers will be transported to the dusty streets of Bethany where they will witness firsthand the astonishment and joy that fills the air as Lazarus emerges from the tomb restored to life by the miraculous power of Jesus Christ But the story does not end there As Lazarus grapples with doubts and fears he learns valuable lessons about the enduring nature of faith and the promise of eternal life Through his journey of self discovery and spiritual growth readers will be inspired to trust in God s plan and embrace the hope that springs from the depths of despair Filled with vibrant illustrations and engaging storytelling Jesus Raises Lazarus A Miracle of Life Kids Bible Stories is a timeless tale of faith miracles and the enduring power of God s love Perfect for children of all ages this captivating book invites readers to experience the wonder and awe of one of the most iconic miracles in biblical history **The Miracles Of Jesus** Hendrik van der Loos,1965 **Find Your Miracle** Kerry Shook,Chris Shook,2016-10-04 Discover the miracle you ve been looking for through an exploration of nine miracles of Jesus each filled with meaning insight and discovery for all who desperately need a miracle of their own Healing the blind Walking on water Calming the storm Feeding thousands with a few loaves and fish Every miracle Jesus performed was for a purpose There was provision for that specific moment in time But what if each miracle was also embedded with the promise of future provision for you In Find Your Miracle New York Times

best selling authors Kerry and Chris Shook take a fresh look at nine of Jesus's most incredible times of healing and supernatural intervention. The Shooks unpack these moments in modern language to usher you into the pain, desperation, breakthrough, and miracle of each encounter. Plus they reveal a miracle map that connects that moment long ago to our needs today for revelation, transformation, and restoration. Weaving together the biblical narrative with contemporary real life application, Kerry and Chris Shook arrange these New Testament miracles under four overarching descriptions of Jesus: the Miracle Worker, the Healer, the Provider, the Storm Chaser, and the Life Giver. Rather than running from our overwhelming situations, the Shooks encourage us to remain steady, fully trusting that Jesus stands ready to guide us to the miracle we most need and possibly least expect.

The Jesus Handbook Jens Schröter, Christine Jacobi, 2022-11-17 An authoritative handbook on Jesus, his world, the outcomes of his life, and the quests to locate him in history. The Jesus Handbook is an indispensable reference work featuring essays from an international team of renowned scholars on the significance and meaning of the life of Jesus of Nazareth. Rooted in historical-critical methodology, it emphasizes a diversity of perspectives and provides a spectrum of possible interpretations rather than a single unified portrait of Jesus. The Handbook's dozens of authors, Jewish, Roman Catholic, and Protestant, all remain committed to the principle of interpreting the life of Jesus in context while also giving due diligence to the implications of archaeological evidence and recent discourses in the hermeneutics of history. After an introduction that lays out the considerations of the task at hand, the authors survey the history of Jesus research and take a close look at the historical material itself, textual and otherwise. From this foundation, the Handbook then details the life of Jesus before, at last, exploring the reception and effects of Jesus's life after his death, especially in the first centuries CE. With this wealth of information available in a single volume, scholars and students of the New Testament and early Christianity and anyone interested in the search for the historical Jesus will find *The Jesus Handbook* to be a resource that they return to time and again for both its breadth and depth.

All the Miracles of the Bible Herbert Lockyer, 2017-05-23 The Supernatural in Scripture: Its Scope and Significance. The Bible is a book of miracles. From Genesis to Revelation, the supernatural power of God is on display, from the Creation to the plagues of Egypt, to the Messiah's authority over demons and diseases, to the apocalyptic clash between satanic forces and divine omnipotence. In detailed description and analysis, Dr. Herbert Lockyer furnishes a case-by-case look at all the miracles

of the Bible From the beginning of the Old Testament to the end of the New Testament All the Miracles of the Bible walks us through the Books of Moses Historical Books Post Captivity Books Poetical Books Prophetical Books Gospels Acts Epistles Apocalypse can be used as a handy reference work by any and every Bible student The Banner Herbert W Lockyer s All books give you life enriching insights into the Bible From characters you can learn from to teachings you can apply to promises you can stand on and prophecies you can count on Lockyer s time honored works help you wrap your mind around the Bible and get it into your heart Lockyer s books include All the Apostles of the Bible All the Divine Names and Titles in the Bible All the Doctrines of the Bible All the Men of the Bible All the Women of the Bible All the Messianic Prophecies of the Bible All the Miracles of the Bible All the Parables of the Bible All the Prayers of the Bible and All the Promises of the Bible *What John Knew and What John Wrote* Wendy E.S. North,2020-07-22 In this book Wendy E S North investigates whether or not the author of John could have crafted his Gospel with knowledge of the Synoptics Unlike previous approaches which have usually treated the Gospel according to John purely as a piece of literature this book undertakes a fresh approach by examining how John s author reworks material that can be identified within his own text and also in the Jewish Scriptures An assessment of these techniques allows North then to compare the Gospel of John with its Synoptic equivalents and to conclude at last that John indeed worked with the knowledge of the Synoptic texts at certain points *Feasting on the Gospels--John, Volume 2* Cynthia A. Jarvis,E. Elizabeth Johnson,2015-06-12 Feasting on the Gospels follows up on the success of the Feasting on the Word series with all new material on the most prominent and preached on New Testament books the four Gospels With contributions from a diverse and respected group of scholars and pastors Feasting on the Gospels covers every single passage in the Gospels making it suitable for both lectionary and nonlectionary use Moreover these volumes incorporate the unique format of Feasting on the Word with four perspectives for preachers to choose from for each Gospel passage theological pastoral exegetical and homiletical **Invading the Realm of Demons, Disease, and Death** Carl E. Roemer,2024-01-29 This study of the miracles attributed to Jesus in the Gospels begins with a survey of the sciences because in our present cultural context materialism is the dominant approach to and understanding of our world of history and of our very selves If the materialist s understanding is true then there is no such thing as miracles because every event must occur as the result of some previous material events Contemporary biblical scholarship mostly approaches the miracle stories from a materialist point of view It questions their historicity because they violate what has now become the entrenched modus operandi in our culture and society operating with the idea that the universe is a closed nexus of cause and effect The miracles are understood then as products of the community and not historical reports although according to this line of scholarship they may be based on some vague recollection of Jesus s activity that somehow had healing effects Modern science however as one scientist has put it in climbing the mountain of knowledge has reached its peak and found a theologian at the top The sciences in other words have led to the implication that our universe has a creator and that the

universe and the human genome have been designed Pursuing Hope in the Premodern World Ville Vuolanto, Oana-Maria Cojocaru, 2025-07-18 This open access book provides the first scholarly account of the role of hope and hopefulness from the perspective of social and cultural life in ancient medieval and early modern societies This edited collection brings together fourteen chapters based on case studies from its contributors along with a theoretical chapter that serves as the introduction Throughout history people have gone on with their lives despite many kinds of trials and tribulations In this hope understood as a future oriented positive disposition has been a major driving force to manage uncertainty mitigate despair and to give meaning to living This book analyzes these life situations and changing responses to them in the context of hope and futurity in a longue dur e perspective **Jesus the Miracle Worker** Graham H. Twelftree, 1999-05-25 Graham Twelftree extensively examines the miracles of each Gospel narrative He weighs their historical reliability and considers the question of miracles and the modern mind **Old Testament Quotations in the Fourth Gospel** M. J. J. Menken, 1996 From the very beginning of Christianity Jesus followers have tried to legitimize their views of him with the help of the Scriptures This means that if we wish to understand the beginning of the Christian church and of Christian theology we have to examine the early Christian use of the Old Testament A conspicuous way of using the Scriptures consists in directly quoting from them Eleven OT quotations in the Fourth Gospel are the topic of this study These eleven quotations in fact the majority of John s OT quotations differ from the known versions of the OT but are not free paraphrases of the OT text in some cases it is not immediately clear from which passage precisely the evangelist quotes This state of affairs raises the questions which OT passages in which versions John used and how and why the quotations were modified In this study the questions of source and of redaction are dealt with in their interrelationship Can we adequately explain the form of a quotation by taking into account Johannine redaction of an OT passage in a textual form which we know which we can reasonably argue Results of research in the field of early Jewish and early Christian exegetical techniques and devices are of course taken into account Each of the eleven quotations is scrutinized on the points of source and redaction It appears that John mostly used the LXX but that where that translation did not suit his purposes he either translated the Hebrew himself or used an other translation He modified the quotations in agreement with extant exegetical rules and for christological reasons This study gives new insight into an aspect of the early Christian use of Scripture *Routledge Library Editions: Christianity* Various Authors, 2022-07-30 Originally published between 1926 and 1986 the books in this series provide an extensive exploration of Christianity covering a wide range of different perspectives and topics including the relationship between Christianity and other religions the history and development of Christianity Christian theology and philosophy the presence of Christianity across the world women and the Church approaches to the study of Christianity and poetry inspired by religious architecture **St John and the Victorians** Michael Wheeler, 2011-11-24 The Gospel according to St John often regarded as the most important of the gospels in the account it gives of Jesus life and divinity received close attention from nineteenth century

biblical scholars and prompted a significant response in the arts This original interdisciplinary study of the cultural afterlife of John in Victorian Britain places literature the visual arts and music in their religious context Discussion of the Evangelist the Gospel and its famous prologue is followed by an examination of particular episodes that are unique to John Michael Wheeler s research reveals the depth of biblical influence on British culture and on individuals such as Ruskin Holman Hunt and Tennyson He makes a significant contribution to the understanding of culture religion and scholarship in the period

The Bible Speaks On Miracles And Providence Kevin Townsend,2021-05-13 An in depth look into the Bible definition of miracles and divine providence The book provides how the Bible defines these words and concepts as well as what they are designed by God to do It also contrasts and compares these two concepts with each other Christianity as Mystical Fact and the Mysteries of Antiquity Rudolf Steiner,1922 **Thirty-two wonders, or the skill displayed in the Miracles of**

Jesus M. DURAIS,1860 **Footprints in Parchment** Sandra Sweeny Silver,2013-05 Footprints in Parchment Rome Versus Christianity 30 313 AD masterfully tackles the question How did a group of Christians with no homeland and no standing army defeat the juggernaut of ancient Rome Using hundreds of first hand accounts of events Silver guides the reader through the rise and the reach of Imperial Rome to its eventual ruin and rescue by the infant Christian Church Over a three hundred year period Rome killed tens of thousands of Christians in an attempt to eradicate this new religion that it correctly intuited would bring Rome to its knees Tertullian had said in the early 200 s The blood of the martyrs is the seed of the church Why did Rome kill all those people just because they believed in a Jewish carpenter from an obscure part of her Empire and why did so many Christians willingly die The martyrs died for the religious freedom to publicly say the words Christianus sum I am a Christian They won that right Rome Versus Christianity leads the reader down the road of Rome s decline and Christianity s rise There are many fascinating sights along the way **Miracles and Wonders in the Middle Ages and Early Modern Period** Albrecht Classen,2025-10-20 Despite the assumption that we live today in a rather rationalist and mechanized world there remain many aspects that neither medicine nor physics can fully explain The Catholic Church continues to pronounce individuals as saints because scientifically confirmed miracles are associated with them If we want to gain a solid understanding of the pre modern history of mentality emotions and everyday culture it proves to be highly revealing to examine what miracles and wonders had meant at that time both in the theological and medical field in the visual arts and literature As a matter of fact people both in the East and in the West have consistently flocked to pilgrimage sites all over the world in the hope that a miracle might happen and solve issues for them The contributors to this volume based on a symposium at the University of Arizona May 2024 approach this critically important topic from many different perspectives taking us from the early Middle Ages to the early modern age examining hagiographical medical literary and alchemical texts discussing both miracles and wonders as relevant themes in the public discourses Both the passage through Inferno and Purgatorio as the crucial pathway toward Paradiso and the experience of women s miraculous

conception are identified as deeply impactful for the pre modern world and this both in Christian and Muslim cultures Studying miracles and wonders through a kaleidoscope of different materials and concepts makes it possible to gain a closer understanding of people s mindsets power structures and the debate between medicine and religion These topics were also greatly important in other cultures as several papers on Arabic medieval literature indicate Further pursuing this global issue we recognize easily that the separation line between the Middle Ages and the early modern period is only a modern construct and often not that helpful because the discourse on miracles and wonders has continued and influences even us today

John's Gospel Revd Dr Mark W G Stibbe, Mark W.G. Stibbe, 2002-09-09 John s Gospel is an innovative study which shows how the current plurality of literary methodologies can be used effectively to illuminate the text of the fourth gospel Dr Stibbe the well respected author of three previous volumes on St John uses the methods of structuralism deconstructionism and narrative criticism in his interpretation A detailed introduction makes his book accessible to the non specialist The book is an invaluable guide to John s Gospel for all those interested in the Bible as literature It is important reading for all theologians students of theology and ministers of religion
