Democratizing Korea To-ch'öl Sin,1999-05-13 This pioneering book offers a dynamic and global account of Korea s place in the current third wave of democratization Drawing on a unique sample of six national surveys conducted in Korea since 1988 and richly comparative the book carefully examines the evolution contours and consequences of Korean democratization from the perspective of Korean people themselves and their experiences throughout the entire course of democratic change Notably the book characterizes and distinguishes Korea as a non Western and Confucian model of democratization

Legislative Development in Africa Ken Ochieng' Opalo,2019-06-20 What explains contemporary variations in African legislative institutions including their strengths and weaknesses Compared with the more powerful executive branches legislatures throughout the continent have historically been classified as weak and largely inconsequential to policy making processes But as Ken Ochieng Opalo suggests here African legislatures actually serve important roles and under certain conditions powerful and independent democratic legislatures can emerge from their autocratic foundations In this book Opalo examines the colonial origins of African legislatures as well as how postcolonial intra elite politics structured the processes of adapting inherited colonial legislatures to local political contexts and therefore continued legislative development Through case studies of Kenya and Zambia Opalo offers a comparative longitudinal study of the evolution of legislative strength and institutionalization as well as a regional survey of legislative development under colonial rule postcolonial autocratic single party rule and multiparty politics throughout Africa **Political Development and the New**

Realism in Sub-Saharan Africa David Ernest Apter,Carl Gustav Rosberg,1994 Since the 1950s David Apter and Carl Rosenberg have been among the leading American scholars in African Studies In this volume they along with other major specialists in the field explore the new configurations of African politics With tentative efforts at a revival of democracy now taking place it seems appropriate to reassess the theoretical debates and empirical themes that have characterized postwar Sub Saharan African politics Focusing on new realism that has emerged among Africanists since the dismantling of colonial rule the essays are presented as a corrective both to the initial euphoria informing African studies and to the later tendency to place blame for all Africa s political and economic difficulties on the receding specter of colonial oppression The Oxford Handbook of Turkish Politics Güneş Murat Tezcür,2022 The study of politics in Turkey new horizons and perennial

Encyclopedia of Government and Politics Mary Hawkesworth, Maurice Kogan, 2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers *Beyond Capitalism Vs. Socialism in Kenya and Tanzania* Joel D. Barkan, 1994 Explores how Tanzania and Kenya often regarded as paradigms of capitalist and socialist development in Africa have responded to the challenges they face such as population growth mounting external debt and structural adjustment by modifying their original approach to development **Representation From**

Above Peter Esaiasson, Sören Holmberg, 2017-07-05 This book uses Sweden as a test case to analyze how elected representatives function in a representative democracy It is argued that the best summary characterization of Swedish democracy is an elitist system run from above The book also claims that the picture of European representative democracy as dominated by parties must be qualified An individualist representational model is relevant to the European setting as well

Parliaments in Asia Nizam Ahmed, Philip Norton, 2013-09-13 This is a description and assessment of Asian parliaments It looks at the parliaments of India Bangladesh Korea Japan China Mongolia and Nepal and assesses key variables that

determine the impact of parliaments **The Anatomy of Neo-Colonialism in Kenya** W. O. Maloba,2017-08-29 The successor to Kenyatta and Britain An Account of Political Transformation 1929 1963 this book completes the first systematic political history of Jomo Kenyatta by examining the mechanisms of installing a neo colonial regime in Kenya and how such regimes were duplicated elsewhere in Africa It analyzes the nature and extent of the collaboration between Kenyatta Britain and Western intelligence services to install and protect his government in Kenya a collaboration which is linked to some of Kenya s most intractable political social and economic problems Drawing heavily on primary sources it examines the legacy of Kenyatta s regime and how this legacy is felt in Kenya today Kenyatta and Britain W. O. Maloba,2017-09-15 This book is the first systematic political history of Jomo Kenyatta Kenya s founding president The first of two parts it explores Kenyatta s formative years in nationalist activism in Kenya and Britain the complex links between colonial and British intelligence services and Kenyatta s career and the political compromise he forged between Kenya and Britain This book draws on primary sources to analyze this compromise which marked his transformation from leader to darkness and death to the most beloved post colonial African leader in the West **The Palgrave Handbook of Political Elites** Heinrich Best,John Higley,2017-11-08 This handbook presents a comprehensive view of the current theory and research surrounding political elites which is now a pivotal subject for academic study and public discourse In 40 chapters by leading scholars it displays the field s richness and diversity The handbook is organized in six sections each introduced by a co editor focusing on theories about political elites methods for studying them their main structural and behavioral patterns worldwide the differentiation and integration of political elite sectors elite attributes and resources and the dilemmas of political elites in this century Forty years since Robert Putnam s landmark Comparative Study of Political Elites this handbook is an indispensable resource for scholars and students engaged in the study of this vibrant field Democratisation in Turkey Huri Türsan,2004 Party politics has been undergoing a revival in many democracies However parties are much less studied in countries with unstable political regimes Party interactions can help to provide explanations for the emergence and performance of regimes whether of the democratic or authoritarian type This book is a comprehensive case study that analyses in depth Turkish political parties Starting with broad historical analysis Huri T rsan takes the reader down to the most recent electoral activities and party politics in a country whose topicality is on the rise not least due to its political problems While the author deals with many issues of politics including the role of the military she focuses on an aspect of party competition which renders democracy problematic in Turkey namely polarisation in party politics along cleavages Parliaments in Asia Zheng Yongnian,Lye Liang Fook,Wilhelm Hofmeister,2013-10-23 Much writing on politics in Asia revolves around the themes of democracy and democratisation with a particular focus on political systems and political parties This book on the other hand examines the role that parliaments a key institution of democracy play in East Southeast and South Asia including Taiwan and Hong Kong Parliaments in these locations function in a variety of historical political and

socio economic circumstances with different implications for institution building and political development This book examines questions like how accessible representative transparent accountable and effective are parliaments To what extent are parliaments able to hold other political actors to account or how far are they constrained by the political environment in which they operate Going further this book considers how new media such as the Internet and other social platforms through providing avenues for individuals to articulate their views separate from official channels are influencing the ways parliaments work To stay relevant parliamentarians need to reach out and engage these individuals in formulating deciding and fine tuning policies In the information age being a parliamentarian has become more challenging and how a parliamentarian copes with this change will shape the nature and pace of political development

Historical Dictionary of Turkey Metin Heper, Duygu Öztürk, Nur Bilge Criss, 2018-05-23 The fourth edition of Historical Dictionary of Turkey covers Ottoman Empire and the Republic of Turkey through a time span of more than six centuries It presents the basic characteristics of the two periods and traces the developments from an empire to a state nation from tradition to modernity from a sultanate to a republic and from modest country to a country that is already a regional power and further aspiring becoming a country to be reckoned with This is done through a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 900 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Turkey

Political Systems Of The World , *Women Legislators in Central America* Michelle A. Saint-Germain, Cynthia Chavez Metoyer, 2009-03-16 During the years between 1980 and 1999 in the midst of war and economic crisis a record number of women were elected to national legislatures in Central American republics Can quantitative increases in the presence of elected women in Central America produce qualitative political changes In this detailed study Michelle A Saint Germain and Cynthia Chavez Metoyer explore the reasons for this unprecedented political rise of women and what effect it has had on the region Focusing on Costa Rica El Salvador Guatemala Honduras and Nicaragua the authors analyze national and regional indicators to evaluate various hypotheses concerning the reasons for women s electoral success in the region as well as to make comparisons with findings from other world regions They find that the election of more women depends on three things the presence of a crisis a pool of politically experienced women and a culture of gender consciousness They also compare the characteristics of Central American women legislators to women in other national legislatures around the world The authors document how elected women have used their policy making power to begin to change the lives of all Central Americans women and men alike In more than seventy five in depth personal interviews these women legislators reflect on their lives political careers and gender identities in their own words providing deep insights into recent events in this region
