Congress,1959      **Film and the American Moral Vision of Nature** Ronald B. Tobias,2011-06-01 With his square bulldoggish stature signature rimless glasses and inimitable smile part grimace part snarl Theodore Roosevelt was an unforgettable figure imprinted on the American memory through photographs the chiseled face of Mount Rushmore and especially film At once a hunter explorer naturalist woodsman and rancher Roosevelt was the quintessential frontiersman a man who believed that only nature could truly test and prove the worth of man A documentary he made about his 1909 African safari embodied aggressive ideas of masculinity power racial superiority and the connection between nature and manifest destiny These ideas have since been reinforced by others Jesse Buff alo Jones Paul Rainey Martin and Osa Johnson and Walt Disney Using Roosevelt as a starting point filmmaker and scholar Ronald Tobias traces the evolution of American attitudes toward nature attitudes that remain to this day remarkably conflicted complex and instilled with dreams of empire      *Historical Outlook* ,1924      *Leading from the Center* Gil Troy,2009-11-04 George Washington Abraham Lincoln Theodore Roosevelt Franklin Delano Roosevelt John F Kennedy most would agree their presidencies were among the most successful in American history But what made these very different men such effective leaders According to presidential historian Gil Troy these presidents succeeded not because of their bold political visions but because of their moderation Although many of the presidential hopefuls for 2008 will claim to be moderates the word cannot conceal a political climate defined by extreme rhetoric and virulent partisanship In *Leading From the Center* Gil Troy argues that this is a distinctlyun American state of affairs The great presidents of American history have always sought a golden mean from Washington who brilliantly mediated between the competing visions of Thomas Jefferson and Alexander Hamilton to Lincoln who rescued the Union with his principled pragmatism to the two Roosevelts who united millions of Americans with their powerful affirmative nationalist visions As America lines up to select a president for the future Gil Troy astutely reminds us of the finest traditions of presidential leadership from our nation s past

**Theodore Rex** Edmund Morris,2002-10-01 NEW YORK TIMES BESTSELLER A shining portrait of a presciently modern political genius maneuvering in a gilded age of wealth optimism excess and American global ascension San Francisco Chronicle WINNER OF THE LOS ANGELES TIMES BOOK PRIZE FOR BIOGRAPHY Theodore Rex is one of the great histories of the American presidency worthy of being on a shelf alongside Henry Adams s volumes on Jefferson and Madison Times Literary Supplement Theodore Rex is the story never fully told before of Theodore Roosevelt s two world changing terms as President of the United States A hundred years before the catastrophe of September 11 2001 TR succeeded to power in the aftermath of an act of terrorism Youngest of all our chief executives he rallied a stricken nation with his superhuman energy charm and political skills He proceeded to combat the problems of race and labor relations and trust control while making

the Panama Canal possible and winning the Nobel Peace Prize But his most historic achievement remains his creation of a national conservation policy and his monument millions of acres of protected parks and forest Theodore Rex ends with TR leaving office still only fifty years old his future reputation secure as one of our greatest presidents J.P. Morgan and the Transportation Kings Steven H. Gittelman,2012-03-23 The concept was simple to link American railroads and global dominance of the seas with a railroad line through China and Russia enter the back door of Europe and create new royalty the Transportation Kings Vanderbilt Hill Morgan and Harriman all pursued the grand dream They were America s industrial princes poised for their greatest accomplishments only to find that they had not considered the gauntlet awaiting them in the courts of kings and Kaisers parliaments and congress They awoke John Bull and helped precipitate revolution in China They brought about the building of Lusitania and in reaction they owned and built the Titanic We all know how the disaster story ends this is how the story came about **The Last Lincolns** Charles Lachman,2010-01-25 Most books about Abraham Lincoln end on April 14 1865 the day he was assassinated at Ford s Theatre But that historic event takes place near the beginning of *The Last Lincolns* a singular title in the vast output of Lincolnia and one of the most unusual books ever written on the sixteenth president and his family Going far beyond that fateful day into uncharted territory it s a gripping page turner written by a TV producer with proven storytelling skills This absorbing American tragedy tells the largely unknown story of the acrimony that consumed the Lincolns in the months and years that followed the president s murder This was not a family that came together in mourning and mutual sadness instead they fell out over the anguished mental condition of the widowed Mary In 1875 Robert the handsome but resentful eldest Lincoln child engineered her arrest and forcible commitment to an insane asylum In each succeeding generation the Lincolns misfortunes multiplied as a litany of alcohol abuse squandered fortunes burned family papers and outright dissipation led to the downfall of this once great family Charles Lachman traces the story right up to the last generation of Lincoln descendants great grandson Bob Lincoln Beckwith his estranged wife Annemarie and her son Timothy Lincoln Beckwith Bob who was according to all medical evidence sterile believes the son who bears the Lincoln name was the product of an adulterous affair Annemarie however wanted the boy to be a Lincoln putting the child in line for a vast inheritance There s even evidence uncovered by Lachman for the first time that a scheme to obtain possession of the Lincoln fortune was orchestrated by Bob Beckwith s chauffeur who may have been the notorious outlaw and skyjacker D B Cooper Published in advance of Abraham Lincoln s 200th birthday in February 2009 *The Last Lincolns* provides an unforgettable glimpse into the personal legacy left by the man who could unite a nation but not his own family *An Unusual Family History Reveals That Abraham and Mary Lincoln were very lenient with their younger sons and rarely imposed discipline on them At age 12 young Tad Lincoln whose education during the family s White House years was very lax could still not read Eldest son Robert Lincoln objected to the intense attention the media paid to the Lincoln family After her husband s assassination Mary Lincoln pleaded for financial assistance from family friends and people in*

government Mary's erratic behavior led Robert to swear out a warrant for her arrest and institutionalization
