The Letters of Robert Browning and Elizabeth Barrett Browning 1845-1846 Robert Browning, 1969 The Letters of Robert Browning and Elizabeth Barrett Barrett Robert Browning, 1969 **The Letters of Robert Browning and Elizabeth Barrett** Robert Browning, 1969 "The" *Letters of Robert Browning and Elizabeth Barrett Barrett, 1845-1846* Robert Browning, 1898 *The Letters of Robert Browning and Elizabeth Barrett Browning 1845-1846* Robert Browning, Elizabeth Barrett Browning, 2004-08 **Elizabeth Barrett Browning** Dorothy Mermin, 1989-06-15 Elizabeth Barrett Browning 1806 61 was the first major woman poet in the English literary tradition Her significance has been obscured in this century by her erasure from most literary histories and her exclusion from academic anthologies Dorothy Mermin's critical and biographical study argues for Barrett Browning's originative role in both the Victorian poetic tradition and the development of women's literature Barrett Browning's place at the wellhead of a new female tradition remains the single most important fact about her in terms of literary history and it was central to her self-consciousness as a poet Mermin's study shows that Barrett Browning's anomalous situation was constantly present to her imagination and that questions of gender shaped almost everything she wrote Mermin argues that Barrett Browning's poetry covertly inspects and dismantles the barriers set in her path by gender and that in her major works *Sonnets from the Portuguese* *Aurora Leigh* her best political poems *A Musical Instrument* difficulty is turned into triumph incorporating the author's femininity her situation as a woman poet and her increasingly substantial fame Mermin skillfully interweaves biography and close readings of the poems to show precisely how Barrett Browning's life as a woman writer is a part of the essential meaning of her art Both her personal and her literary achievements are exceptionally well documented especially for her formative years Mermin makes extensive use of the poet's early essays a diary covering most of her twenty-sixth year and the enormous number of letters that have survived Ranging from her earliest ambitions through her long periods of discouragement and illness to her happy married life with Robert Browning this comprehensive study of Elizabeth Barrett Browning is essential reading for students of the Victorian period English literature and women's studies *The Letters of Robert Browning and Elizabeth Barrett Barrett, 1845-1846, Volume 1: January 1845 to March 1846* Robert Browning, Elizabeth Barrett Browning, 2004-08-20

Browning's Beginnings Herbert F. Tucker Jr., 1980-12-31 *Browning's Beginnings* was first published in 1980 Minnesota

Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Browning's *Beginnings* offers a fresh approach to the poet who among major Victorians has proved at once the most congenial and most inscrutable to modern readers Drawing on recent developments in literary theory and in the criticism of romantic poetry Herbert F Tucker Jr argues that Browning's stylistic obscurity is the result of a principled poetics of evasion This art of disclosure in deferring formal and semantic finalities constitutes an aesthetic counterpart to his open ended moral philosophy of incompleteness Browning's poems like his enormously productive career find their motivation and sustenance in his optimistic love of the future a love that is indistinguishable from his lifelong fear that there will be nothing left to say The opening chapters trace the workings of Browning's art of disclosure with extensive and original interpretations of the unduly neglected early poems *Pauline Paracelsus* and *Sordello* and place special emphasis on Browning's attitudes toward poetic tradition and language A chapter on Browning's attitudes toward poetic tradition and language A chapter on Browning's plays identifies dynamics of representation in *Pippa Passes* *Strafford* and *King Victor and King Charles* Tucker discusses the pervasive analogy between Browning's ideas about poetic representation and about representation in its erotic and religious aspects and shows how the early poems and plays illustrate correlative developments in poetics and in the exploration and dramatic rendering of human psychology The remaining chapters follow the poetic psychology of Browning to its culmination in the great poems of his middle years exemplary readings of selected dramatic lyrics and monologues suggest that the ways of meaning in Browning's mature work variously bear out the sense of endlessness or perpetual initiation that is central to his poetic beginnings Tucker thus contends that the romantic and the Victorian Browning have more in common than is generally supposed and his book should appeal to students of both periods Its discussion of general literary issues poetic influence closure representation and meaning in application to particular texts should further recommend Browning's *Beginnings* to the nonspecialist reader interested in poetry and poetic theory

Disraeli Robert P. O'Kell, 2014-01-23 When we think of Benjamin Disraeli 1804-81 one of two images inevitably first springs to mind either Disraeli the two-time prime

minister of Britain or Disraeli the author of major novels such as *Coningsby*, *Sybil* and *Endymion*. But were these two sides of his persona entirely separate? After all, the recurring fantasy structures in Disraeli's fictions bear a striking similarity to the imaginative ways in which he shaped his political career. Disraeli: The Romance of Politics provides a remarkable biographical portrait of Disraeli as both a statesman and a storyteller. Drawing extensively on Disraeli's published letters and speeches as well as on archival sources in the United Kingdom, Robert O. Kell illuminates the intimate symbiotic relationship between his fiction and his politics. His investigation shines new light on all of Disraeli's novels, his two governments, his imperialism and his handling of the Irish Church Disestablishment Crisis of 1868 and the Eastern Question in the 1870s.

Scents & Sensibility Catherine Maxwell, 2017 Explores Victorian literature through scent and perfume, presenting an extensive range of well-known and unfamiliar texts in intriguing and imaginative new ways that make us re-think literature's relation with the senses. A selection of poems, essays and fiction exploring these texts with reference to both the little-known cultural history of perfume use and the appreciation of natural fragrance in Victorian Britain. It shows how scent and perfume are used to convey not merely moods and atmospheres but the nuances of the aesthete or decadent's carefully cultivated identity, personality or sensibility.

Rhythm and Will in Victorian Poetry Matthew Campbell, 1999-04-22 In *Rhythm and Will in Victorian Poetry*, first published in 1999, Matthew Campbell explores the work of four Victorian poets: Tennyson, Browning, Hopkins and Hardy, as they show a consistent and innovative concern with questions of human agency and will. The Victorians saw the virtues attendant upon a strong will as central to themselves and to their culture, and Victorian poetry strove to find an aesthetic form to represent this sense of the human will. Through close study of the metre, rhyme and rhythm of a wide range of poems, including monologue, lyric and elegy, Campbell reveals how closely technical questions of poetics are related in the work of these poets to issues of psychology, ethics and social change. He goes on to discuss more general questions of poetics and the implications of the achievement of the Victorian poets in a wider context, from Milton through Romanticism and into contemporary critical debate.

On Sympathy Sophie Ratcliffe, 2008-05-15 Taking Shakespeare as its starting point, this book examines why and how we read poetry, how we relate to fictional characters and whether reading is good for you. It also focuses on key works by Browning, Auden and Beckett and concludes with a critique of contemporary ideas about art, sympathy and community.

Voice and the Victorian Storyteller Ivan Kreilkamp, 2005-11-03 The nineteenth-century novel has always been regarded as a literary form pre-eminently occupied with the written word, but Ivan Kreilkamp shows it was deeply marked by and engaged with vocal performances and the preservation and representation of speech. He offers a detailed account of the many ways Victorian literature and culture represented the human voice, from political speeches, governesses' tales, shorthand manuals and staged authorial performances in the early and mid-century to mechanically reproducible voice at the end of the century. Through readings of Charlotte Brontë, Browning, Carlyle, Conrad, Dickens, Disraeli and Gaskell, Kreilkamp re-evaluates critical assumptions about the cultural meanings of storytelling and shows that the figure

of the oral storyteller rather than disappearing among readers preference for printed texts persisted as a character and a function within the novel This 2005 study will change the way readers consider the Victorian novel and its many ways of telling stories
