human happiness not exposed to the miseries and hardships the labour and sufferings of the mechanic part of man kind and not embarrassed with the pride luxury ambition and envy of the upper part of mankind He told me I might judge of the happiness of this state by this one thing viz That this was the state of life which all other people envied that King About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
