know that Dr Martin Luther King Jr was assassinated on April 4 1968 in Memphis Tennessee by James Earl Ray James wrote his book James Earl Ray Who Killed Martin Luther King Jr declaring his innocence while in prison claiming a man he knew only as Raoul set him up to be patsy He detailed his life with Raoul in his book Raoul s real name was also James they were both named James You NOW have the chance to find out what really happened You get to see the workings of a real assassination Please pass this book to others as it could be considered history one day known by only a few **The King God Didn't Save** John Alfred Williams,1970 **The Man Who Killed Martin Luther King** Mel Ayton,2023-04-06 Doubts about James Earl Ray Dr Martin Luther King s lone assassin arose almost immediately after the civil rights leader was fatally shot on the balcony of the Lorraine Motel in Memphis on 4 April 1968 From the start his aides voiced suspicions that a conspiracy was responsible for their leader s death Over time many Americans became convinced the government investigations covered up the truth about the alleged assassin Exactly what led Ray to kill King continues to be a source of debate as does his role in the murder However Mel Ayton believe the answers to the many intriguing questions about Ray and how conspiracy ideas flourished can now be fully understood Missing from the wild speculations over the past fifty two years has been a thorough investigation of the character of King s assassin Additionally the author examines exactly how the conspiracy notions came about and the falsehoods that led to their promulgation The Man Who Killed Martin Luther King is the first full account of the life of James Earl Ray based on scores of interviews provided to government and non government investigators and from the FBI s and Scotland Yard s files plus the recently released Tennessee Department of Corrections prison record on Ray Most importantly the testimony of Anna Sandhu has often been ignored by writers but her story is crucial in gaining an understanding of Ray s deceptive ways A courtroom artist who after listening to Ray s story later married him Also missing from accounts of the alleged conspiracy is the story told to this author by Brushy Mountain State Penitentiary Deputy Warden Rolland H Cisson which decisively renders Ray s claims of innocence to be bogus In the short lived freedom he acquired after escaping from the Missouri State Penitentiary in 1967 following being sentenced to twenty years in prison for repeated offenses he traveled to Los Angeles and decided to seek notoriety as the one who would stalk and kill Dr King who he had come to hate vehemently From the time of King s murder the reader will follow Ray to solitary confinement in a Nashville prison Then six years later on 10 June 1977 James Earl Ray again escaped from prison this time with five others Ray was the last to be recaptured having survived only on wheatgerm Finally the book relays Ray s stabbing by several black inmates then his resulting diagnosis with Hepatitis C which caused his death twelve years later in 1998
