**Charts on the Life, Letters, and Theology of Paul** Lars Kierspel, 2012 This useful contribution by Lars Kierspel provides us with a treasure trove of information on Paul's world life and ministry churches letters and thought All of this is condensed into a format of some 111 charts each covering a different topic related to Paul and his epistles The charts are arranged into four categories covering Paul's background and context his life and ministry his letters and finally his theological concepts Though not completely exhaustive in scope Kierspel covers the main issues in each category such as the religious and political context of Paul's world and the setting of each Pauline letter with brief introductions snapshots of its contents Current scholarly debates about such things as authorship and interpretation of problem passages are treated thoroughly and in a balanced presentation with ample bibliographical notes for further investigation Especially valuable are his treatments of topics of particular current interest and scholarly debate such as the role of women in Paul's churches the meaning of his phrase faith of Christ and the new perspective on Paul to mention but a few John Polhill Southwestern Baptist Theological Seminary

**The Life and Letters of the Apostle Paul** Michael Inyang, 2018-01-12 It is impossible to imagine what Christianity would look like today if the Apostle Paul had not lived and died in the first century As important as they were if we suddenly had no James or perhaps even no Peter the jolt would not be nearly as sharp as removing Paul His mission to the Gentiles was definitive for the shape of Christianity for

centuries to come Even more than that it was his letters that largely defined the discussions theologies and church councils for the First Millenium and beyond Christianity is fundamentally about Jesus Christ and Paul is the first one to remind us of that yet Christianity without Paul is hard to imagine Paul would never have believed that his letters would be given equal weight with the Jewish Torah by later Christians He would have been appalled by such an idea But today we treasure these writings not just for their devotional theological and homiletical value but as self revelations of a man who was passionately in love with God who was enthralled by the truth of salvation through Jesus Christ and who constantly lived what he preached
