S. van Wingerden

The Life And Rebellious Times Of Cicely Hamilton Actress Writer Suffragist:

The Life and Rebellious Times of Cicely Hamilton Lis Whitelaw,1990 **The Life and Rebellious Times of Cicely Hamilton** Lis Whitelaw,1991 *Personal Narratives, Peripheral Theatres: Essays on the Great War (1914-18)* Anthony Barker,Maria Eugénia Pereira,Maria Teresa Cortez,Paulo Alexandre Pereira,Otilia Martins,2017-12-14 This book is a collection of essays on neglected aspects of the Great War It begins by asking what exactly was so Great about it before turning to individual studies of various aspects of the war These fall broadly into two categories Firstly personal micro narratives that deal directly with the experience of war often derived from contemporary interest in diaries and oral histories Presenting both a close up view of the viscerality and the tedium and powerlessness of personal situations these same narratives also address the effects of the war on hitherto under regarded groups such as children and animals Secondly the authors look at the impact of the course of the war on theatres often left out in reflections on the main European combatants and therefore not part of the regular iconography of the trenches in places such as Denmark Canada India the Levant Greece and East Africa Women Writers of the First World War: An Annotated Bibliography Sharon Ouditt,2002-01-22 They also serve who only stand and wait The idea of there being a women s writing during the First World War is often dismissed The war the story goes was a masculine domain and as women did not fight it is also assumed that they were excluded from a war experience This bibliography challenges that view by listing and annotating hundreds of published books articles memoirs diaries and letters written by women during the First World War Included are Virginia Woolf Katherine Mansfield G B Stern Brenda Girvin known and unknown autobiographers and diarists writers of pro and anti war propaganda journal and magazine articles literary cultural and historical criticism **The Women's Suffrage Movement in Britain, 1866-1928**

S. van Wingerden,2016-07-27 This book tells the story of the women s suffrage movement in Britain beginning with John Stuart Mill s proposal of a women s suffrage amendment to a reform bill It ends with the victory of 1928 concluding more than 50 years of repeated defeats anti suffragism militancy imprisonment hunger strikes and forcible feeding and multiple internal splits and their only partial victory of 1918 It is not intended to break new ground in academia but to provide an introduction to the general reader that covers the entire relevant time period and introduces major themes and issues

Modernist Sexualities Hugh Stevens,Caroline Howlett,2000 Leading critics from Britain Canada and the US examine modernism s imaginative rethinkings of sex gender and sexuality Original essays show how modernism intersects with the suffragette movement technological change and its effects on women and labor the growth of pseudo scientific writings and the burgeoning lesbian and gay movement They show how modernism upsets the fixities of gender and sexuality through its fascination with ambiguities marginality and the crossing of borders Sex reformers and sex changers unsexed storytellers typewriters femme and butch experimenters suffragettes in wide brimmed hats musical and dramatic pageants adolescent delinquents sunbathers and dancing indigenes all play a role in the heterodox and varied modernism revealed in these essays

The Making of Jane Austen Devoney Looser, 2017-06-27 Returning author Devoney Looser has written a study of Jane Austen's legacy in high and popular culture looking at stage and film adaptations of her work how Austen has been taught in classrooms Austen's depiction in visual culture and Austen's role in the women's suffragist movement Looser draws on popular print and unpublished archival sources amassing evidence from high middlebrow and popular culture in order to craft a more capacious history of posthumous reception The book is a detailed and revealing account of what Looser calls the public dimension of Jane Austen who is a manufactured creation Looser has dug deep and come up with brand new material on Austen something that is very hard to do This is the kind of material that Janeites and Austen scholars live for *The History of British Women's Writing, 1920-1945* M. Joannou, 2016-01-03 Featuring sixteen contributions from recognized authorities in their respective fields this superb new mapping of women's writing ranges from feminine middlebrow novels to Virginia Woolf's modernist aesthetics from women's literary journalism to crime fiction and from West End drama to the literature of Scotland Ireland and Wales **Outspoken Women** Lesley A. Hall, 2014-05-01 Studying a broader period than its contemporaries this comprehensive study reveals a neglected tradition of British women's writing from the Victorian era to the sexual revolution of the 1960s *Outspoken Women* brings together the many and varied non-fictional writings of British women on sexual attitudes and behaviour beginning nearly a hundred years prior to the second wave of feminism Commentators cover a broad range of perspectives and include Darwinists sexologists and campaigners against the spread of VD as well as women writing about their own lives and experiences Covering all aspects of the debate from marriage female desire and pleasure to lesbianism prostitution STDs and sexual ignorance Lesley A Hall studies how the works of this era didn't just criticise male defined mores and the dark side of sex but how they increasingly promoted the possibility of a brighter view and an informed understanding of the sexual life Hall's remarkable anthology is an engaging examination of this fascinating subject and it provides students and scholars with an invaluable source of primary material *British Women Writers 1914-1945* Catherine Clay, 2017-09-20 Catherine Clay's persuasively argued and rigorously documented study examines women's friendships during the period between the two world wars Building on extensive new archival research the book's organizing principle is a series of literary historical case studies that explore the practices meanings and effects of friendship within a network of British women writers who were all loosely connected to the feminist weekly periodical *Time and Tide* Clay considers the letters and diaries as well as fiction poetry autobiographies and journalistic writings of authors such as Vera Brittain Winifred Holtby Storm Jameson Naomi Mitchison and Stella Benson to examine women's friendships in relation to two key contexts the rise of the professional woman writer under the shadow of literary modernism and historic shifts in the cultural recognition of lesbianism crystallized by *The Well of Loneliness* trial in 1928 While Clay's study presents substantial evidence to support the crucial role close and enduring friendships played in women's professional achievements it also boldly addresses the limitations and denials of these relationships Producing biographies

of friendship untold in existing author studies her book also challenges dominant accounts of women's friendships and advances new ways for thinking about women's friendship in contemporary debates Rebel Women Jane Eldridge Miller, 1997-03-15 With the rise of women's suffrage challenges to marriage and divorce laws and expanding opportunities for education and employment for women the early years of the twentieth century were a time of social revolution Examining British novels written in 1890-1914 Jane Eldridge Miller demonstrates how these social legal and economic changes rendered the traditional narratives of romantic desire and marital closure inadequate forcing Edwardian novelists to counter the limitations and ideological implications of those narratives with innovative strategies The original and provocative novels that resulted depict the experiences of modern women with unprecedented variety specificity and frankness Rebel Women is a major re-evaluation of Edwardian fiction and a significant contribution to literary history and criticism Miller's is the best account we have not only of Edwardian women novelists but of early 20th century women novelists the measure of her achievement is that the distinction no longer seems workable David Trotter The London Review of Books Auto/Biography and Identity Maggie B. B. Gale, Vivien Gardner, 2004 Arguing that women use autobiography and performance for expression and as a means of controlling their public and private selves the contributors of these 11 essays examine the lives and work of a variety of artists ranging from actors as working women in the eighteenth century to monologists and performance artists today Subjects include several performers including Alma Ellerslie Kitty Marion Ina Rozant Susan Glaspell Adrienne Kennedy Emma Robinson Lena Ashwell Tilly Wedekind Clare Dowie Janet Cardiff Tracey Emin and in an interview Bobby Baker as well as essays on Latina theater and lesbians as performers constructing themselves and their community Annotation 2005 Book News Inc Portland OR booknews.com Feminist Media History M. DiCenzo, 2010-11-24 Highlighting the contributions of feminist media history to media studies and related disciplines this book focuses on feminist periodicals emerging from or reacting to the Edwardian suffrage campaign and situates them in the context of current debates about the public sphere social movements and media history **Women, Modernism, and Performance** Penny Farfan, 2004-10-14 Women Modernism and Performance is an interdisciplinary 2004 study that looks at a variety of texts and modes of performance in order to clarify the position of women within and in relation to modern theatre history Considering drama fiction and dance as well as a range of performance events such as suffrage demonstrations lectures and legal trials Penny Farfan expands on theatre historical narratives that note the centrality of female characters in male authored modern plays but that do not address the efforts of women artists to develop alternatives both to mainstream theatre practice and to the patriarchal avant garde Focusing on Henrik Ibsen Elizabeth Robins Ellen Terry Virginia Woolf Djuna Barnes Edith Craig Radclyffe Hall and Isadora Duncan Farfan identifies different objectives strategies possibilities and limitations of feminist modernist performance practice and suggests how the artists in question transformed the representation of gender in art and life **Britain and the Weimar Republic** Colin Storer, 2010-09-30 Between the two world wars Germany managed despite

all the political upheavals it was experiencing to attract extremely large numbers of British travellers and tourists During the Weimar period in particular Germany attracted visitors from virtually every section of British society In this book Colin Storer moves beyond the traditional scholarly focus on figures such as Christopher Isherwood and John Maynard Keynes to provide the first broad comparative study of British intellectual attitudes towards Weimar Germany Based on original research and using striking examples from intellectual life and literature it highlights the diversity of British attitudes challenges received opinions on areas such as the inevitable collapse of the Republic and seeks to establish why Weimar Germany was so appealing to such a variety of individuals

British Women's History, 1996 This is one of a series of bibliographical guides designed to meet the needs of undergraduates postgraduates and their teachers in universities and colleges of further education All volumes in the series share a number of common characteristics They are selective manageable in size and include those books and articles which are considered most important and useful All are edited by practising teachers of the subject in question and are based on their experience of the needs of students The arrangement combines chronological with thematic divisions Most of the items listed receive some descriptive comment

Biographies of British Women Patricia E. Sweeney, 1993

Women and War Bernard A. Cook, 2006-05-19 In this unique encyclopedia 120 leading scholars from around the world provide comprehensive treatment of the role of women in war from the first written history to the present This authoritative encyclopedia presents the work of leading scholars from all over the world to give the first detailed coverage of the role of women in wars throughout history Histories of war are typically histories of men great leaders and heroic fighters Yet the roles of women often receive only limited coverage Except for such notables as Joan of Arc traditional histories give short shrift to women as leaders and fighters Similarly the direct victimization particularly sexual abuse as a weapon of terror and domination and cultural dislocations women suffer in war float as background without detailed coverage This work represents a first devoted in its entirety to thorough examination of all aspects of women in war For the first time readers have a single source for information on the scope of women's role in war and war's effects on them

Consuming Fantasies Lise Sanders, 2006 In *Consuming Fantasies* Labor Leisure and the London Shopgirl 1880-1920 Lise Shapiro Sanders examines the cultural significance of the shopgirl both historical figure and fictional heroine from the end of Queen Victoria's reign through the First World War As the author reveals the shopgirl embodied the fantasies associated with a growing consumer culture romantic adventure upward mobility and the acquisition of material goods Reading novels such as George Gissing's *The Odd Women* and W Somerset Maugham's *Of Human Bondage* as well as short stories musical comedies and films Sanders argues that the London shopgirl appeared in the midst of controversies over sexual morality and the pleasures and dangers of London itself Sanders explores the shopgirl's centrality to modern conceptions of fantasy desire and everyday life for working women and argues for her as a key figure in cultural and social histories of the period This study will appeal to scholars students and enthusiasts of Victorian and Edwardian life and

literature BOOK JACKET *Feminism and the Periodical Press, 1900-1918* Lucy Delap, Maria DiCenzo, Leila Ryan, 2006 The Edwardian period experienced a particularly vibrant periodical culture with phenomenal growth in the numbers of titles published that were either aimed specifically at women or else saw women as a key section of their readership or contributor group It was an era of political ferment in which a number of progressive traditions were formulated shaped or abandoned including socialism feminism modernism empire politics trade unionism and welfarism Organized around some of the central themes of political thought and utopian thinking this impressive collection gathers together classic articles from key periodicals The set presents a comprehensive sourcebook of readings on Edwardian Progressive era feminist thought exploring the intervention of the radical public intellectuals working in these traditions in North America and the UK from 1900 1918
