The Book of the Indians Samuel G. Drake, 1841 **The Architecture of Space-Time in the Novels of Jane Austen** Ruta Baublyté Kaufmann, 2018-07-05 This book argues that there are recurrent spatiotemporal patterns and structures in six Jane Austen novels which constitute a source of enduring if unconscious pleasure More precisely the book contends that there are overlapping natural and cultural cycles which co exist in a constantly transmuting space time and which are counterpointed with the linearity of pivotal events that drive the plot forwards This work examines the psychological relations to these space time patterns of the characters principally the heroines focusing on the transformations of their emotional states which prompt linear leaps **Brooklyn Public Library News Bulletin** Brooklyn Public Library, 1922

Quarterly Bulletin Brooklyn Public Library, 1922 **The Royal Navy, China Station: 1864 - 1941** Jonathan Parkinson, 2018-02-20 A definitive history of the Royal Navy's China Station In the The Navy List for April 1864 the China Station was first shown as a separate Royal Navy Station It remained as such until the outbreak of the Pacific War in December 1941 which was to signal the end of that era In addition to a precis of the lives and naval careers of each of the Commanders in Chief of the China Station this volume also gives relevant information outlining something of the concurrent internal affairs of China and Japan Both are very different but sad tales the former in decline towards the end of the Manchu Ching dynasty and then into the chaotic 1920 s and 1930 s and the latter increasingly adopting a militaristic attitude which was to result in their disaster of the Pacific War of 1941 1945 As a reminder of these days long gone are interwoven brief references to the British Consular Service This is especially relevant for China and for a shorter period for Japan during that era of extraterritoriality Mention is also made of the British Colonial Service with whom necessarily the Navy worked very closely In addition being one important reason for it all frequent references are made to a few British shipping and trading interests together with those of some other nations All of these areas are linked together to give a definitive history of this very important Royal Navy Station Combined List of Books for Elementary and Junior High School Libraries, 1904
