**The Life of Bret Harte, with Some Account of the California Pioneers** Henry Childs Merwin, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1911 edition Excerpt CHAPTER XXI BRET HARTE'S STYLE In discussing Bret Harte it is almost impossible to separate substance from style The style is so good so exactly adapted to the ideas which he wishes to convey that one can hardly imagine it as different Some thousands of years ago an Eastern sage remarked that he would like to write a book such as everybody would conceive that he might have written himself and yet so good that nobody else could have written the like This is the ideal which Bret Harte fulfilled Almost everything said by any one of his characters is so accurate an expression of that character as to seem inevitable It is felt at once to be just what such a character must have said Given the character the words follow and anybody could set them down This is the fallacy

underlying that strange feeling which every reader must have experienced of the apparent easiness of writing an especially good conversation or soliloquy The real difficulty of writing like Bret Harte is shown by the fact that as a story teller he has no imitators His I style is so individual as to make imitation impossible And yet occasionally the inspiration failed It is a peculiarity of Bret Harte shown especially in the longer stories and most of all perhaps in Gabriel Conroy that there are times when the reader almost believes that Bret Harte has dropped the pen and some inferior person has taken it up Author and reader come to the ground with a thud Mr Warren Cheney has remarked upon this defect as follows With most authors there is a level of general excellence along which they can plod if the wings of genius chance to tire for a time but with Mr Harte the case is a different one His powers are impulsive rather than enduring Ideas strike
