## **The Life Of Emily Carr:**

**This and That** Emily Carr, 2024-10-08 A new edition of Emily Carr's final writings *This and That* is a collection of autobiographical stories that gives fans of her work insight into the artist's childhood education and development as a painter and writer. Written in the last two years of Emily Carr's life, the stories collected in *This and That* which Carr wrote under the working title *Hundreds and Thousands* were buried in the BC Archives for decades after their author's death, not published in book form until 2007. This revised edition includes five more stories and an updated introduction and is illustrated with some of Carr's own artwork. Centred on the Carr home on Government Street, the collection includes vivid snapshots of family life told from the frustrating but often comical position of being the youngest of four strong-minded daughters. We meet beloved family pets, a plant-loving father with a fearsome temper, a hated aunt, siblings, neighbours, shopkeepers and local personalities. In these pages Carr traces her beginnings as a writer, her time at art school in San Francisco, visits to places like Nootka and Skidegate, and the early reaction to the change in both her painting style and subject matter. These trips brought about Carr's stories, conjure the world of folk tales with a generous dash of Nancy Mitford. Taken together, these anecdotes comprise a slant-wise autobiography of an artist ahead of her time in Victoria at the turn of the twentieth century.

*Hundreds and Thousands* Emily Carr, 2009-12-01 Emily Carr's journals from 1927 to 1941 portray the happy productive period when she was able to resume painting after dismal years of raising dogs and renting out rooms to pay the bills. These revealing entries convey her passionate connection with nature, her struggle to find her voice as a writer and her vision and philosophy as a painter.

*Opposite Contraries* Emily Carr, 2009-07-01 Collected from Emily Carr's private and public writings, these previously unpublished pieces reveal the outspoken artist at her most forthright. Expurgated sections from Carr's journals detail her anguished meditations on her spiritual mission, musings about Native culture and the white community's reaction to it, and thoughts about her family. Her groundbreaking 1913 Lecture on Totems, her first recorded writing on Native art and people, is also included, as are some of her most fascinating letters to friends and colleagues.

**Pause** Emily Carr, 2009-12-01 While studying art in London, Emily Carr seriously undermined her health and was sent to a sanatorium for a complete rest cure. Bridling at the hospital's rules which prohibited excitement of any kind, the always rebellious Carr proceeded to make friends, raise birds, and cause trouble. In words and enchanting sketches, Carr presents a funny, poignant account of her 18-month convalescence.

*Growing Pains* Emily Carr, 2009-12-01 This autobiography by Emily has been called probably the finest in a literary sense ever written in Canada. Completed just before Emily Carr died in 1945, *Growing Pains* tells the story of Carr's life beginning with her girlhood in pioneer Victoria and going on to her training as an artist in San Francisco, England, and France. Also here is the frustration she felt at the rejection of her art by Canadians, the years of despair when she stopped painting. She had to earn a living and did so by running a small apartment house and her painful years of landladying and more joyful times.

raising dogs for sale claimed all her time and energy Then towards the end of her life came unexpected vindication and triumph when the Group of Seven accepted her as one of them Throughout the book is informed with Carr s passionate love of and connection with nature Carr is a natural storyteller whose writing is vivid and vital informed by wit nostalgic charm an artist s eye for description a deep feeling for creatures and the foibles of humanity all the things that made her previous books *Klee Wyck* and *Book of Small* so popular and critically acclaimed
