Fiqh Us Seerah Muhammad Al Ghazali, 2022-12-30 Many books have been written about the life of the Prophet Muhammad SAW However In writing this book the author Sheikh Muhammad al Ghazali had a specific objective He used the life of the Prophet SAW to go into depths that many historians had only touched upon from the various aspects of his saw life This book goes into detail and provides reasons and explanations for whatever took place It is a blend of modern analysis and ancient detail Its objective is to nurture faith purify characters and fan the struggle to embrace the truth and be faithful to it Indeed the life of the Prophet SAW has been documented as a message for practical implementation not intellectual entertainment You may think that you have studied the life of Muhammad by following his history from birth to death but this is a grave mistake You will never really understand the Seerah unless you study the noble Qur an and the purified Sunnah The amount that you derive from these will tell the strength of your connection with the prophet of Islam sallallahu alaihi wa sallam Drawing upon his profound classical Islamic learning and an extensive knowledge of modern science Sheikh al Ghazali has broken new ground in the study of Seerah bringing to bear a fresh but wholly authentic approach This is a work which all serious students should have to complement the Seerah of the Prophet Muhammad SAW

judgment he combines an extensive and intimate knowledge of the most authentic sources of information and after several years of labour has produced this volume in the hope of contributing to the complete elucidation and final settlement of Mahomet's real character and claims. After a careful examination of them and after comparing them with those of sundry of his predecessors and contemporaries it appears to us that the author has abundant reason to be gratified with the success he has achieved. Most conscientiously prepared and based on authorities whom the Moslems themselves appeal to as decisive his work may be used with equal confidence both by the historian and the controversialist. We heartily commend it to every one who on so important a subject desires to have what on the whole is probably the best and most complete book in any language and shall avail ourselves of it and of other sources of information in this paper to present a few of the leading events of the Prophet's life with a view to a brief illustration of his character and of the means and meaning of his success.

The Life of Prophet Muhammad Mustafa as-Sibaaie, 2021-08-20 The Life of Prophet Muhammad Highlights and Lessons It is very important for anyone who wants to spread the message of Islam to study the life of the Prophet and discover how he undertook the mission of dawah (Call to Islam). By studying his seerah biography we learn the lessons of patience in the face of adversity and opposition and the readiness to sacrifice everything for the cause of Islam. In this book Dr as-Sibaaie shows us how the Prophet's approach was gentle yet determined and clear-cut with no compromise on basic issues. Mustafa as-Sibaaie in the cause of Allah was a lecturer in the University of Damascus where he taught seerah, the Prophet's biography. In this book he draws on his experience in the field and combines it with his knowledge of the seerah. He takes the most important events of the seerah, summarizes them in order to offer a brief overview, then outlines the lessons to be learnt from these events. This is an excellent introduction to both the seerah and the principles of dawah. It should be on the bookshelf of every Muslim who wants to call others to Allah the Almighty. *The Life of Muhammad the Prophet* Allamah Sayyid Sa'eed Akhtar Rizvi, 2015-11-03 Detailed account of the life and history of Prophet Muhammad's including his birth and early life events in Makkah and Madina and his final years.
