The Light Behind Their Eyes The Story Of Jack And Bunny Rabbit:

The Light Behind Their Eyes Robert Cooper, 2004-11 A man faces a tragic death on Earth leaving behind his three daughters He reincarnates in this case reincarnation is linked to God in a parallel world that Adam and Eve were expelled from God has given humanity a second chance to live in paradise God has imposed another Sin that cannot be made because if it is made by anyone they will be expelled in the same way that Adam and Eve were for committing the Original Sin The man named Joshua has to choose if he wants to stay on paradise forever and live a divine human life or if he prefers to defy God and commit the Second Sin in order to visit his daughters for one last time This book is about love faith death and important lessons that apply to our lives It tries to seek the reason of death and life itself It is a book for all ages teen and up and for every religion It is a book that is told from the author s point of view This means that what is told is not necessarily true It gives the reader the opportunity to compare the lessons that appear on the book with the reader s life The reader decides whether or not to agree with what the author tries to say about people s lives and about humanity itself It is a book everyone must have

To Crispen Courage William L. Roth, 2005 In manifesting the Salvation of man God oftentimes resorts to inexplicable actions to ratify His people s participation in their eternal redemption even to the point of closing the breach between Heaven and Earth with signs and miracles to rival no other age Now the Most Blessed Virgin Mary has appeared in the heartland of the United States to two of Her children who have been traveling an extraordinary journey beneath Her mystical guidance since 1991 The pages of this enlightening work are the supernatural product of that intercessory relationship whose purpose and character are to rescind the faithlessness which is accelerating our western culture toward the dismal abyss of certain failure There is no truth in the declaration that Christianity is dead The King is alive It is the secular world which is lost and Heaven is proving once again that each generation will be found within the beatific embrace of the Holy Savior of the Cross Secular debate has never facilitated deliverance skepticism is a diseased irrelevance intellectualism will die of its own accord and relativism is gasping its last breaths of unprincipled error The unseen realms of Creation are poised to strike the preeminent blow of God s Divinity against our American culture A mystical eclipse has commenced Sight will be given to the blind through an apocalyptic revelation to overshadow our skewed definition of history and give us a renewed vision of the submission God requires from humanity to the Redemptive Legacy of Jesus Christ and His Apostolic Church The times could not be more urgent for the reevaluation of our existence Every person who reads this book from cover to cover will be given the miraculous graces needed to look upon the world as they have never seen it before For those shining moments their eyes will fall upon the Truth known from the purview of Infinite Glory Herein the destination of deliverance is being revealed
