Ancient Persia and Iranian Civilization Clément Huart,1927

The Persian Presence in the Islamic World Richard G. Hovannisian, Georges Sabagh,1998-11-19 The thirteenth volume based on the Giorgio Levi Della Vida conference reassesses the role of the Iranian peoples in the development and consolidation of Islamic civilization In his key essay Ehsan Yarshater casts fresh light on that role challenging the view that after reaching a climax in Baghdad in the ninth century Islamic culture entered a period of decline In fact he maintains a new and remarkably creative phase began in Khurasan and Transoxania symbolized by the adoption of Persian as a medium of literary expression By the mid sixteenth century Persian literary and intellectual paradigms had spread from Anatolia to India encompassing the greater part of the Islamic world Yarshater also challenges traditional assumptions about the Islamization of Persia In the essays which follow six distinguished scholars consider the historical cultural and religious aspects of the Persian presence in the Islamic world

The Philosophies of Religion and Spirituality B. A. Lloyd S. Lefteruk,2009-12

MORAL It is not so much that we don t know but that we know so much that isn t so that is the cause of our problems

SUMMARY Among the most astounding recent academic discoveries is the true history of the development of man s spirituality philosophy and religion and their relationship to each other It is becoming more apparent that the Christian Islamic Hebrew and all other monotheistic religions of the world have the same origin and have more in common than is generally believed Man will not achieve world peace until his religions are once again reintegrated As brothers and sisters with one God as our father all humanity must learn to live together and assume a sense of greater universal responsibility Our greatest challenge today is that our new global community demands that every individual must develop a greater sense of spirituality

THEME There is a place for everything and everything has its place Everything is as it should be The Universe is evolving according to the will of God It is our failure to see the good in everything to realize the perfection in Man God and the whole Cosmos which is the cause of our unhappiness the source of our discontent and at the root of our suffering The realization of the goodness of all Creation is man s ticket to his life in a Paradise on Earth
