Elowsky,Thomas C. Oden,2007-01-05 The Gospel of John was beloved by the early church for its spiritual insight and clear declaration of Jesus divinity In addition to the homilies of John Chrysostom readers of this ACCS volume will find selections from Origen Cyril of Alexandria and Augustine supplemented with homiletic material liturgical selections and doctrinal material from scores of other church fathers *The Ministry of the Word, Vol. 21, No. 10* Various Authors,2017-10-01 This issue of The Ministry of the Word contains the final nine messages given during the spring 2017 term of the full time training in Anaheim California

The general subject of this series of messages is The Mending Ministry of John The overall subject of John s writings which include his Gospel his Epistles and Revelation is that the Triune God wants to dispense Himself into His chosen people as their life and life supply to make them divine so that they may express Him in full and for eternity In Revelation John presents the consummate vision in the Bible and the ultimate fulfillment of God s eternal economy the New Jerusalem The mending ministry of John carried out in the divine and mystical realm of the consummated Spirit is for the living out and the working out of the New Jerusalem The New Jerusalem is lived out by the believers becoming the New Jerusalem and the New Jerusalem is worked out by the believers building the New Jerusalem The New Jerusalem is the ultimate answer to the Lord s prayer in John 17 for the glorification of the Triune God through the oneness of the believers built into the Triune God This city is the City of Jehovah the city of life the holy city and the city of glory Even in the Old Testament the prophets describe this city as a person that is one with Jehovah Isaiah says They will call you the City of Jehovah 60 14 and Ezekiel concludes his prophecy by declaring that the name of the city from that day shall be Jehovah Is There 48 35 The City of Jehovah means that Jehovah is in His redeemed regenerated transformed and glorified tripartite people and that they are in Him Jehovah Is There refers to the presence of Jehovah Himself who will be united mingled and incorporated with His people to be one entity the great corporate God man The New Jerusalem is also the city of life The Christ ministered by John is for the dispensing of the Triune God as life into man s tripartite being Out of such a ministered Christ the children of God are brought forth by receiving the eternal life They then partake of the fellowship of the eternal life by abiding in the Lord and walking in the light They are taught by the anointing to enjoy the virtues of the divine birth with the divine seed As a result they become the testimony of Jesus the lampstands as the expression of the Triune God to be the firstfruits and the harvest as the expression of life and the bride of the Lamb as His increase and satisfaction Moreover the New Jerusalem is the holy city God s living word His breathing out as the divine breath into the believers works within them to separate them from the world and to saturate them with the divine nature to make them a holy city the corporate and ultimate Holy of Holies as the reality of Zion To live out and work out the New Jerusalem the believers partake of the divine nature of the Father by exercising their spirit to enjoy God as Spirit the nature of God s person and by remaining in the divine fellowship to enjoy God as love the nature of God s essence and as light the nature of God s expression Furthermore the New Jerusalem is the city of glory The Lord wants to occupy every room in our being and He desires that we would be filled with His riches unto the fullness of God so that there would be glory to God in the church The Father will be glorified when His many sons are thus filled with the Triune God To be filled with the Triune God of glory for His corporate expression the believers must cooperate with the Spirit who is daily operating in them by their allowing the Spirit to infuse and transmit all the riches of the Triune God into them All believers need to be open to this Spirit to allow the Triune God to fill them to flow through them and to overflow out of them so that there would be the full expression of the Triune God in the church as the reality of the Body of Christ This Body will in

turn consummate in the New Jerusalem as the ultimate expression of the consummated Triune God in and through man The New Jerusalem is the church as the reality of the Body of Christ in its ultimate state and consummation To live out the New Jerusalem is to grow up into Christ the Head by the mingling of God with man and to work out the New Jerusalem is to function out from the Head for the building up of the Body of Christ Only the Body of Christ will remain forever as the unique mutual abode of God and man so that God as the Spirit and man as the bride becoming a married couple are mingled and incorporated together to be one entity a great corporate God man Thus the issue of John's mending ministry is the accomplishing of the goal of God's economy which is to obtain the enlarged universal divine human incorporation of the consummated Triune God with the regenerated believers the New Jerusalem in eternity

The Light Shines in the Darkness Leo Tolstoy,2022 Life and Building in the Gospel of John Witness Lee,2024-03-25 The Gospel of John occupies a special place in the Bible because it focuses on life Its writer the apostle John had a specific burden related to life and building and his ministry was fully focused on these two matters His Gospel reveals that God is manifested as the Word and becomes the Spirit to enter into us in order to be our life but this marvelous fact is not the goal it is a procedure to achieve an ultimate goal The Gospel of John says that the Word who is God became flesh and tabernacled among us Life is the procedure and the tabernacle is the goal God came to be our life so that He might tabernacle in us and among us that we might receive Him as life for the building up of the house of God The Routledge Dictionary of Latin Quotations Jon R. The great mystery of the great whore unfolded; and Antichrist's kingdom revealed unto destruction George Fox,1831

The Light Shines in Darkness Aylmer Maude,Leo Tolstoy,2014-06-07 In this play in five unfinished acts Tolstoy portrays the generally negative reactions of a man s family and friends to views that Tolstoy himself advocated The man Nicholas rejects the notion that Christianity should be based upon blind faith and insists that religion must be rational He feels that people should love one another that this is the true basic message of Christianity and therefore people should not volunteer for military service where people kill one another He also contends that land belongs to everyone and that he must give up the thousands of acres that he owns to the peasants leaving himself only the bare necessities for life He knows the light that is shining in the darkness of the world Nicholas argues with a priest about Christianity He contends that the Church has perverted Christianity and is responsible for developing notions that are destroying the truth of Christianity Contrary to the contentions of the Church the Church does not preserve the truth He shows the priest contradictions in the Bible that cannot be reconciled He argues that the insistence of the Church upon certain ceremonies has divided Christianity into many groups each with their own sacraments He insists that humans are responsible for themselves and a Church should not think that it has a duty to direct and control human behavior The priest agrees with Nicholas that what Nicholas says is reasonable but insists that a Christian must accept Church doctrine based on faith

Nicholas feels certain that once he explains about the military and about the rights of all people to all land his wife will see the reasonableness of his position She does not She feels that he wants to deprive his future son in law of a military life the life he desires the life that will give him joy and a livelihood and the happiness of their daughter She is shocked when she hears that he wants to give away his property and leave them in near penury She asks a more senior priest to come and reeducate Nicholas The priest comes and there is an interesting debate with the priest constantly calling Nicholas prideful as if this explained his behavior The play s final acts dramatize the adverse effects that Nicholas teachings have upon some people who accepted and acted upon them and the way that these ideas destroy Nicholas
