

The Martyrdom

Saint Ignatius (Bishop of Antioch)

The Martyrdom:

The Martyrdom of the Franciscans Christopher MacEvitt, 2020-03-06 A study of three hundred years of medieval Franciscan history that focuses on martyrdom While hagiographies tell of Christian martyrs who have died in an astonishing number of ways and places slain by members of many different groups martyrdom in a Franciscan context generally meant death at Muslim hands indeed in Franciscan discourse death by Saracen came to rival or even surpass other definitions of what made a martyr The centrality of Islam to Franciscan conceptions of martyrdom becomes even more apparent and problematic when we realize that many of the martyr narratives were largely invented Franciscan authors were free to choose the antagonist they wanted Christopher MacEvitt observes and they almost always chose Muslims However martyrdom in Franciscan accounts rarely leads to conversion of the infidel nor is it accompanied as is so often the case in earlier hagiographical accounts by any miraculous manifestation If the importance of preaching to infidels was written into the official Franciscan Rule of Order the Order did not demonstrate much interest in conversion and the primary efforts of friars in Muslim lands were devoted to preaching not to the native populations but to the Latin Christians mercenaries merchants and captives living there Franciscan attitudes toward conversion and martyrdom changed dramatically in the beginning of the fourteenth century however when accounts of the martyrdom of four Franciscans said to have died while preaching in India were written The speed with which the accounts of their martyrdom spread had less to do with the world beyond Christendom than with ecclesiastical affairs within MacEvitt contends *The Martyrdom of the Franciscans* shows how for Franciscans martyrdom accounts could at once offer veiled critique of papal policies toward the Order a substitute for the rigorous pursuit of poverty and a symbolic way to overcome Islam by denying Muslims the solace of conversion *The Martyrdom of an Empress* Marguerite Cunliffe-Owen, 1981 *Climbing the Dragon's Ladder: The Martyrdom of Perpetua and Felicitas* Andrea Molinari, 2019-08-03 Perpetua born in the 2nd century AD was a martyr a mystic and interestingly enough the first known woman Christian writer She left behind a diary that outlined her personal experiences feelings and visions as she languished in prison awaiting her execution Sometime after her death a Christian eyewitness to these brutal events edited her journal and appended additional relevant materials such as a vision recorded by one of her companions and a blow by blow account of the martyrs final moments in the gladiatorial arena in Carthage AD 203 Here are the events of Perpetua and her companions life and those of the larger historical period that weaves a believable back story of ordinary men and women who are caught up in events that test their faith in God and their commitment to Christianity This is a story of faith under fire of courage in the face of terrible loss and deprivation and of the human will to hope even when things are at their darkest Featuring over 30 illustrations to assist in depicting this story *Chronicles of the Martyrdom of Imam Husayn* Muhammad Muhammadi Rayshahri, 2020-01-01 The martyrdom of Imam Husayn sent shockwaves through the early Muslim community Today this tragedy is still remembered studied and commemorated However in recent years there

have been increasing questions over the reliability of the historical accounts of his martyrdom What material is reliable and what sources can be used when presenting the narrative of his martyrdom to others The Chronicles of the Martyrdom of Imam Husayn was compiled to fill the need for a strongly reliable source on Imam Husayn s a final days Meticulously researched it contains narrations about the Imam s last stand that are found only in the earliest extant sources Hand selected for their reliability they have been arranged and translated into fluid precise English No detail of the narrative of the martyrdom of Imam Husayn a has been left out from his fateful journey towards Iraq to the journey of the captives afterwards and the events surrounding Arba in The Chronicles also includes narrations on related topics of interest such as the custom of mourning the martyrdom of Imam Husayn a and fasting on the day of Ashura Ample preliminary matter written by recognised Islamic scholars addresses the question of the reliability of early and medieval sources the nature of the oral versus the written tradition and the challenges faced in the modern era in presenting a reliable account of Imam Husayn s a martyrdom The Arabic text of the narrations has been included throughout and the work is rounded out with five detailed maps of the Imam s journey This work is certain to find a special place in the personal library of historians students and scholars of Islam those speaking from the pulpit and anyone with an interest in Imam Husayn ibn Ali ibn Abi Talib a Compiled by Muhammad Muhammadi Rayshahri Translated by Abbas Jaffer

The Martyrdom of Abolitionist Charles Torrey E. Fuller Torrey, 2013-11-06 During his brief yet remarkable career abolitionist Charles Torrey called the father of the Underground Railroad by his peers assisted almost four hundred slaves in gaining their freedom A Yale graduate and an ordained minister Torrey set up a well organized route for escaped slaves traveling from Washington and Baltimore to Philadelphia and Albany Arrested in Baltimore in 1844 for his activities Torrey spent two years in prison before he succumbed to tuberculosis By then other abolitionists widely recognized and celebrated Torrey s exploits running wagonloads of slaves northward in the night dodging slave catchers and sheriffs and involving members of Congress in his schemes Nonetheless the historiography of abolitionism has largely overlooked Torrey s fascinating and compelling story The Martyrdom of Abolitionist Charles Torrey presents the first comprehensive biography of one of America s most dedicated abolitionists According to author E Fuller Torrey a distant relative Charles Torrey pushed the abolitionist movement to become more political and active He helped advance the faction that challenged the leadership of William Lloyd Garrison provoking an irreversible schism in the movement and making Torrey and Garrison bitter enemies Torrey played an important role in the formation of the Liberty Party and in the emergence of political abolitionism Not satisfied with the slow pace of change he also pioneered aggressive abolitionism by personally freeing slaves likely liberating more than any other person In doing so he inspired many others including John Brown who cited Torrey as one of his role models E Fuller Torrey s study not only fills a substantial gap in the history of abolitionism but restores Charles Torrey to his rightful place as one of the most dedicated and significant abolitionists in American history
