The Meaning Of Freemasonry

W. L. Wilmshurst

The Meaning Of Freemasonry:

The Meaning of Masonry Walter L. Wilmschurst, 2016-07-28 THE papers here collected are written solely for members of the Masonic Order constituted under the United Grand Lodge of England They have been written with a view to promoting the deeper understanding of the meaning of Masonry *The Meaning of Freemasonry* Albert Pike, 2014-03-29 This Is A New Release Of The Original 1874 Edition *The Meaning of Masonry* W. L. Wilmschurst, 2016-12-07 Who are the Masons and what does their society believe in Although there are over six million members of this fraternity worldwide with some extremely famous past members including George Washington Wolfgang Amadeus Mozart and Simon Bolivar little is actually known about what they do W L Wilmschurst s *The Meaning of Masonry* sheds light upon this notoriously secretive organization As a mason himself in the early twentieth century Wilmschurst had first hand knowledge of Masonic rituals and practices and here explains the symbolism behind it its rites and beliefs and ultimately why people become Masons From the various degrees that the hold to their clothing that they wear and the lodges which they attend Wilmschurst s *The Meaning of Masonry* analyses multiple aspects of the organization He provides a fascinating insight into the Masonic Order uncovering the origins of their beliefs and placing them in the context of when they began W L Wilmschurst was an English author and Freemason He published four books on Freemasonry He first joined the Huddersfield Lodge No 290 in 1889 *The Meaning of Masonry* was his first book published in 1922 Wilmschurst died in 1939 ***The Meaning Of Masonry (Annotated Edition)*** W. L. Wilmschurst, 2013-10-17 This most interesting and illuminative work is worthy a place on every Mason s bookshelf It seems taken for granted says the author that reception into the Order will automatically be accompanied by an ability to appreciate forthwith and at its full value all that one there finds The contrary is the case for Masonry is a veiled and cryptic expression of the difficult science of spiritual life and the understanding of it calls for special and informed guidance on the one hand and on the other a genuine and earnest desire for knowledge and no small capacity for spiritual perception on the part of those seeking to be instructed In Freemasonry as in all phases of life many are called but few are chosen Masonry is not a mere formalism but a life to be lived If you do not live the life you cannot know the doctrine Masonry is an effort to perpetuate the essential doctrines of the Ancient Mysteries but alas it does so in a very perfunctory manner So veiled are its allegories and symbols that it is almost impossible to penetrate into the Holy of Holies *The Meaning of Masonry* Albert Pike, 2007-09 A biting lecture read at the request of the Grand Lodge of Louisiana by Albert Pike in 1858 The lecture was subtitled *The Evil Consequences of Schisms and Disputes for Power in Masonry and of Jealousies and Dissensions Between Masonic Rites* and is a fascinating look at Pike s interpretation of the Masonic wars of the mid 1800 s in Louisiana *The Meaning of Masonry, Revised Edition* W. L. Wilmschurst, 2007-11 W L Wilmschurst s powerful vision of the rites and rituals of Freemasonry as a spiritual philosophy begins with this book Here Masonry is presented as a sacramental system represented not only by the ceremonies as experienced in the initiations but also by an internal and mystical side hidden behind the

visible symbolism available only to the Mason who has learned to use his spiritual imagination and who can appreciate the reality that lies behind the veil This new revised edition features a more readable modern typeface and is enriched with extensive notes to make many of its points more accessible for both British and American students of Freemasonry Prominent Masonic author Robert G Davis calls this book An easy to read and gratifying work which affirms Wilmshurst s interpretation that the progressive lessons of Craft Masonry are nothing less than the spiritual journey of the psyche toward full realization

The Meaning of Masonry Lynn F. Perkins,2011-05 **The Secrets of Freemasonry** Robert Lomas,2011-09-01 Many people are curious about the existence of secret societies which claim to hold arcane religious or esoteric knowledge and pass it down through the generations via selected adepts Classic Masonic writers including William Preston Robert Gould JSM Ward AE Waite and WL Wilmshurst have written about secret traditions connected to the Temple of Sion Each has different ideas about how mystical knowledge came into Freemasonry Some say that the Charter of Larmenius reveals an underground line of Knight Templar Grand Masters who survived down to the nineteenth century All agree there is a Secret Lodge or House of Adepts who continue to teach true knowledge of the ancient mysteries and that The Craft transmits beliefs linked to the Earls of Rosslyn the Knights Templar and Lodge Mother Kilwinning Masonic expert Robert Lomas has collected together this thread of belief from old Masonic writers and rewritten it in modern English to make the ideas accessible to modern readers **Wilmshurst's the Meaning of Masonry** W. L. Wilmshurst,2013-01-15 What is the point of Freemasonry Why do we have degrees and what is this path Masons are supposed to be on W L Wilmshurst gives us a clear understanding of these and other aspects of the Masonic spiritual path of initiation This classic work has been recommended for new and experienced Masons since its 1922 original publication Retypeset 2013 Cornerstone edition **An Encyclopaedia of Freemasonry and Its Kindred Sciences** Albert Gallatin Mackey,1874
