Tinger, 2025-08-18 With more mediums than ever across which to advertise, businesses are facing increasing marketing costs even as customers continue to turn toward services offering ad-free entertainment. These changes mean the advertising ecosystem is undergoing dramatic alterations with massive online companies like Facebook and Google capturing a majority of advertising dollars and smaller advertising agencies failing. Against this rapidly shifting backdrop, this edited volume showcases current academic perspectives and research cases on advertising from scholars representing a wide range of disciplines. The contributions in this book create a comprehensive overview of the current state of advertising across many media while highlighting conversations concerning the ethics of advertising and the most effective ways to advertise. Interdisciplinary by nature, this book includes perspectives from academics in marketing, communications, law, rhetoric, and business. It will be of great interest to scholars and students seeking a thought-provoking debate. Questioning Gender Robyn Ryle, 2020-08-04 Questioning Gender: A Sociological Exploration serves as a point of departure for productive conversations and questions about gender and as a resource for exploring answers to many of those questions. Rather than providing definitive answers, this book takes a global approach and aims to challenge students' preconceptions about gender and to demonstrate how gender as a system creates and reinforces inequality. Author Robyn Ryle uses both historical and cross-cultural approaches to help students understand the socially constructed nature of gender. With a focus on contemporary topics including the MeToo movement, sexual harassment in the workplace, and the gender wage gap, students will be prompted to think critically about past, present, and future gender-related issues. Included with this title is the password-protected Instructor Resource Site, formally known as SAGE Edge, which offers access to all text-specific resources, including a test bank and editable chapter-specific PowerPoint slides.
