Britain Since 1945 Jonathan Hollowell, 2008-04-15 This

book offers a comprehensive overview of Britain's development since the end of the Second World War. It comprises 23 contributions from leading authorities and newer scholars set in context with a foreword by Raymond Seitz. A comprehensive and fascinating introduction to Britain from the end of the Second World War. Draws together the themes that have dominated discussion amongst scholars and media commentators. The chapters are set in context with a foreword by Raymond Seitz. Covers topics such as foreign policy, political parties, the media, race relations, women and social change, science and IT culture, industrial relations, the welfare state and political and economic issues in Scotland, Wales and Northern Ireland.

Politics and the Media in Britain Raymond Kuhn, 2017-09-16 This important new text provides an up to date account of the complex interrelationship between politics and the media in Britain. It starts by setting key policy areas in the context of technological convergence, globalization and initiatives at European level. It then addresses the key issues: the role of the media in politics and elections.

International Radio Journalism Tim Crook, 2002-09-11 Radio journalists have witnessed much of the history of the twentieth century. From early documentary recordings to the ground breaking war reporting of Ed Murrow and Richard Dimbleby to the sophisticated commentaries of Alistair Cooke and reporters such as Fergal Keane. International Radio Journalism explores the way radio has covered the most important stories this century and the way in which it continues to document events in Britain, America, Europe and many other countries around the world. International Radio Journalism is both a theoretical textbook and a practical guide for students of radio journalism, reporters, editors and producers. The book details training and professional standards in writing, presentation, technology, editorial ethics and media law in America, Britain, Australia and other English speaking countries and examines the major public sector broadcast networks such as the BBC, CBC, NPR and ABC as well as the work of commercial and small public radio stations. Timothy Crook investigates the way in which news reporting has been influenced by governments and media conglomerates and identifies an undercurrent of racial and sexual discrimination throughout the history of radio news. There are chapters on media law for broadcast journalists, the implications of multi media and new technologies, digital applications in radio news and glossaries which cover the skills of voice presentation, writing radio news and broadcast vocabulary.

The Raiders Encyclopedia Richard J. Shmelter, 2014-01-10 This is the definitive reference work on the NFL's Oakland Los Angeles Raiders. Part I is a season by season review covering each game and player from every campaign. Part II includes a complete all time roster of players and coaches with biographical information along with information on all draft picks, schedules and individual awards and honors. Part III covers the characters from executives to cheerleaders who made the Raiders one of the most colorful organizations in professional sports and details the franchise's historic stadiums and uniforms.
