The Mediterranean And The Jew:

Jews and the Mediterranean Matthias B. Lehmann, Jessica M. Marglin, 2020-06-02 A selection of essays examining the significance of what Jewish history and Mediterranean studies contribute to our knowledge of the other Jews and the Mediterranean considers the historical potency and uniqueness of what happens when Sephardi Mizrahi and Ashkenazi Jews meet in the Mediterranean region By focusing on the specificity of the Jewish experience the essays gathered in this volume emphasize human agency and culture over the length of Mediterranean history This collection draws attention to what made Jewish people distinctive and warns against facile notions of Mediterranean connectivity diversity fluidity and hybridity presenting a new assessment of the Jewish experience in the Mediterranean *The Mediterranean and the Jews: Society, culture, and economy in early modern times* Ariel Toaff, Simon Schwarzfuchs, Elliott S. Horowitz, 1989 *Jews in the Mediterranean Diaspora* John M. G. Barclay, 1996 Barclay's study corrects the traditional oversight that would equate early Judaism with Palestinian Judaism This highly readable introduction brings together material that is otherwise available only in regional studies or highly technical works Barclay strikes a rare balance between local conditions and broad issues and between supporting detail and coherent argument It is hard to imagine how the chronic need for a synthesis of the Mediterranean Diaspora might have been better satisfied Steve Mason Pennsylvania State University The book reflects the best of contemporary scholarship and is likely to become an indispensable source of information and reflection on the problems Jews encountered with living in a frequently hostile environment A P Hayman Edinburgh University This is a superb book which has lifted our discussion of Jews in the Diaspora to a new plane Since understanding the Diaspora is vital to comprehending a good deal about early Christianity Barclay has also made a significant contribution to this latter field of investigation Paul Trebilco University of Otago **The Jew a Negro** Arthur Talmage Abernethy, 1910 **The Origins of Israeli Mythology** David Ohana, 2012-01-23 It is claimed that Zionism as a meta narrative has been formed through contradiction to two alternative models the Canaanite and crusader narratives These narratives are the most daring and heretical assaults on Israeli Jewish identity The Israelis according to the Canaanite narrative are from this place and belong only here according to the crusader narrative they are from another place and belong there The mythological construction of Zionism as a modern crusade describes Israel as a Western colonial enterprise planted in the heart of the East and alien to the area its logic and its peoples The nativist construction of Israel as neo Canaanism demands breaking away from the chain of historical continuity These are the greatest anxieties that Zionism and Israel needed to encounter and answer forcefully The Origins of Israeli Mythology seeks to examine the intellectual archaeology of Israeli mythology as it reveals itself through the Canaanite and crusader narratives **Jews, Christians, and Muslims in the Mediterranean World After 1492** Alisa Meyuhas Ginio, 2014-02-25 The expulsion of the Jews and later the Muslims from the Iberian Peninsula marked the beginning of a new era in the life of the Mediterranean world The articles in this volume discuss the aftermath of the crucial historical

events that took place in the Mediterranean world in 1492 focusing on the social economic and cultural consequences of these occurrences

Orientalizing the Jew Julie Kalman, 2017-01-16 Seeks to further our understanding of the relationship between perceptions of Jews and the reality of their existence in nineteenth century France H France Review Orientalizing the Jew shows how French travelers depicted Jews in the Orient and then brought these ideas home to orientalize Jews living in their homeland during the 19th century Julie Kalman draws on narratives personal and diplomatic correspondence novels and plays to show how the Jews of the East featured prominently in the minds of the French and how they challenged ideas of the familiar and the exotic Portraits of the Jewish community in Jerusalem romanticized Jewish artists and the wealthy Sephardi families of Algiers come to life These accounts incite a necessary conversation about Jewish history the history of anti Jewish discourses French history and theories of Orientalism in order to broaden understandings about Jews of the day A well argued beautifully written and intellectually stimulating investigation of representations of Middle Eastern and North African Jews by French Catholic pilgrims writers artists and bureaucrats over the 19th century Maud Mandel author of Muslims and Jews in France Jews of France nominally full citizens since the French Revolution experienced uncertainty regarding whether their status would be reversed with each change of government Kalman s work contributes significantly to an understanding of that insecurity as she fleshes out the stereotypes that others officials artists authors and intellectuals projected onto the Jews living among them inside France French History

Paul the Jew under Roman Rule Neil Elliott, 2024-09-24 Some of the most heated contests around the apostle Paul today concern the effort to understand him wholly within Judaism and the effort to interpret him over against the culture and ideology of the early Roman Empire In this collection of essays Neil Elliott shows that these two conversations belong together and must be resolved together by understanding Paul as a Jew living out Israel s ancient hopes under the pressures of Roman imperial power

Jewish Music and Modernity Philip Bohlman, 2012 Bohlman investigates several aspects of Jewish music within the context of the period beginning with the emancipation of German Jewish culture during the eighteenth century and culminating in the destruction of that same culture under the Nazis
