The Memoirs Of Lady Bustamante:

The Memoirs of Lady Bustamante Gladys Maud Bustamante, 1997-01-01 **The Memoirs of Lady Bustamante** Gladys Maud Bustamante, 1997 **The Memoirs of Lady Bustamante** Lady Bustamante, 2024-06-21 Lady Bustamante grew up as Gladys Longbridge in the tiny village of Parson Reid near Ashton in Westmoreland She was a talented country girl and her friends and family persuaded her to finish her education in Kingston and make the most of her abilities They knew she would go far But who could have foreseen just how far she would go The village of Ashton is not easily found on any map of Jamaica It is as obscure today as it was when I was a child Still those of us who call it home are eternally proud of it the main road was a stony pot holed pathway cut out for horse and buggy carriages We had to follow a winding track up and down the hillside where the going and coming were even worse Before too long I would become deeply involved in the movement to reform Jamaica The folks at home would marvel at the fact that the quiet Sunday school organist from Ashton was at the forefront of a national upheaval fighting for the underpaid working class and the hungry unemployed To this day I cannot forget that even while feeling anxiety and resentment at Bustamante s arrest I could not hold back the tears at the sight of the cruelty meted out to St William Grant and for no sensible reason at all *Freedom's Children* Colin A. Palmer, 2014-02-03 *Freedom s Children* is the first comprehensive history of Jamaica s watershed 1938 labor rebellion and its aftermath Colin Palmer argues that a hundred years after the abolition of slavery Jamaica s disgruntled workers challenged the oppressive status quo and forced a morally ossified British colonial society to recognize their grievances The rebellion produced two rival leaders who dominated the political life of the colony through the achievement of independence in 1962 Alexander Bustamante a moneylender founded the Bustamante Industrial Trade Union and its progeny the Jamaica Labour Party Norman Manley an eminent barrister led the struggle for self government and with others established the People s National Party Palmer describes the ugly underside of British colonialism and details the persecution of Jamaican nationalists He sheds new light on the nature of Bustamante s collaboration with the imperial regime the rise of the trade union movement the struggle for constitutional change and the emergence of party politics in a modernizing Jamaica **Adult Suffrage and Political Administrations in Jamaica 1944-2002** Trevor Munroe, Arnold Bertram, 2006 Since 1944 the Jamaican people without ethnic or religious strife civil war military coup one party dictatorship assassination of political leaders insurgency or genocide have voted out governments and voted in opposition parties in free and fair elections a record in democratic governance equalled by only a handful of states worldwide In this volume *Adult Suffrage and Political Administrations in Jamaica 1944-2002* Trevor Munroe and Arnold Bertram both active participants in this process document critical aspects of this record Key features include the elections through which the consolidation of democracy occurred the representatives their gender education occupation age whom the people chose to form 13 successive governments and parliaments the laws that the legislature passed and the institutions governments established in building a modern

democratic state advances and failures political economic social and cultural of each administration comparison of the performances of successive administrations and the critical challenges facing the Jamaican people and the new leaders

Palmer, 2014-03-01 This Omnibus E Book brings together all three of Colin A Palmer's books on the making of the modern Caribbean Included are *Freedom's Children* The 1938 Labor Rebellion and the Birth of Modern Jamaica This is the first comprehensive history of Jamaica's watershed 1938 labor rebellion and its aftermath The rebellion produced two rival leaders who dominated the political life of the colony through the achievement of independence in 1962 Alexander Bustamante a moneylender founded the Bustamante Industrial Trade Union and its progeny the Jamaica Labour Party Norman Manley an eminent barrister led the struggle for self government and with others established the People's National Party Palmer sheds new light on the nature of Bustamante's collaboration with the imperial regime the rise of the trade union movement the struggle for constitutional change and the emergence of party politics in a modernizing Jamaica

Cheddi Jagan and the Politics of Power British Guiana's Struggle for Independence Palmer here tells the story of British Guiana's struggle for independence The work details the rise and fall of Cheddi Jagan from his initial electoral victory in the spring of 1953 to the aftermath of the British orchestrated coup d'etat that led to the suspension of the constitution and the removal of Jagan's independence minded administration Bringing the larger story of Caribbean colonialism into view this work shows how violence police corruption political chicanery racial politics and poor leadership delayed Guyana's independence until 1966 scarring the body politic in the process

Eric Williams and the Making of the Modern Caribbean In this first scholarly assessment of Williams 1911-1981 founder of the Republic of Trinidad and Tobago's first modern political party and the nation's first prime minister Palmer explores his life as a scholar and politician and his tremendous influence on the historiography and politics of the Caribbean Palmer focuses especially on a 14 year period of independence struggles in the Anglophone Caribbean when Williams helped resolve regional disputes and promoted the creation of a pan Caribbean federation

Bernal, 2015-07-22 The conventional wisdom is that small developing countries exert limited if any influence on the foreign policy of superpowers in particular the United States This book challenges that premise based on the experience of the small developing country of Jamaica and its relations with the United States It raises the question if the foreign policy of the United States can be influenced by even a small developing country should Washington be worried
