The Message Of Medjugorje The Marian Message To The Modern World:

The Message of Medjugorje Mark I. Miravalle, 1986 Through concise theological analyses this book demonstrates that the messages reported by seven Yugoslavian youths from Medjugorje and attributed to the Blessed Virgin Mary represent an authentic embodiment of Catholic doctrine The contents of the Medjugorjian message are also said to represent a post Conciliar formulation of the approved Marian messages

Heart of the Message of Medjugorje Mark I. Miravalle, 1988 This book recounts the message of Medjugorje in light of Scripture and the messages of Fatima and Lourdes All Thursday messages as well as the monthly messages are included until the date of printing

Introduction to Mary Mark I. Miravalle, 2006 The Introduction to Mary offers us the opportunity to experience the truth about the person of Mary our Spiritual Mother through learning about Marian doctrine and devotion Also offers answers to ten of the more common objections to Mary Written by a Professor of Theology and Mariology at Franciscan University at Steubenville Imprimatur

Medjugorje and the Supernatural Daniel Maria Klimek, 2018-03-01 In June 1981 six young Croatians in the village of Medjugorje in the former Yugoslavia reported that the Virgin Mary had appeared to them The Medjugorje visionaries say that Mary has returned every day since then bringing them important messages from heaven to convey to the world Throughout history people have reported encountering extraordinary religious experiences apparitions of the Virgin Mary visions of Jesus Christ weeping statues and icons the stigmata physical healings and miracles and experiences of the afterlife and interpreted them as supernatural in origin Scholars have often tried to reinterpret such experiences including those described by the great mystics like Francis of Assisi Catherine of Siena and Teresa of Avila into natural or psychopathological categories such as hysteria hallucination delusion epileptic seizures psychosis the workings of the unconscious mind or fraud Are such reductionist explanations valid Over the past three decades the Medjugorje visionaries have been subjected to extensive medical psychological and scientific examination even while undergoing their visionary experiences Daniel Klimek argues that the case of Medjugorje affords a rare opportunity to understand a deeper dimension of extraordinary religious phenomena Presenting and analyzing the scientific studies on the visionaries in juxtaposition with the major scholars and debates surrounding religious experience Klimek concludes that a multidisciplinary approach grants a more holistic and deeper understanding of such extraordinary religious experiences

Encountering Mary Sandra L. Zimdars-Swartz, 2014-07-14 In the past two centuries hundreds of apparitions of the Virgin Mary have been reported drawing crowds to the seers and the sites and constituting events of great religious significance for millions of people worldwide Here Sandra Zimdars Swartz provides a detective like investigation of the experiences and

interpretations of six major apparitions including those at La Salette and Lourdes in France during the mid nineteenth century at Fatima Portugal in 1917 and the more recent ones at San Damiano Italy Garabandal Spain and Medjugorje Yugoslavia where the apparitions continue Adopting a phenomenological approach to these encounters with Mary one that is neither apologetic nor antagonistic the author explores the tension between the personal meaning of the events for their subjects and the public appropriation of this meaning by a larger religious community Along the way she examines the backgrounds of the seers their willingness or reluctance to talk about the apparitions and their messages the amount of emotional support they received from family and community as news of the apparitions spread the reports of miracles at apparition sites the reactions of local authorities and the steps taken by the Roman Catholic Church in officially recognizing or rejecting the apparitions as worthy of belief The author concludes with a survey of religious worldviews based on Marian apparitions focusing especially on the now popular transcultural apocalyptic nature of these messages to the modern world Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

[The End of Biblical Studies](#) Hector Avalos,2010-08-05 In this radical critique of his own academic specialty biblical scholar Hector Avalos urges his colleagues to concentrate on educating the broader society to recognize the irrelevance and even violent effects of the Bible in modern life

[Mother Figured](#) Deirdre de la Cruz,2015-12-30 There is no female religious figure so widely known and revered as the Virgin Mary Mary has inspired in cultures around the world a deep devotion a desire to emulate her virtue and a strong belief in her power Perhaps no population has been so deeply affected by this maternal figure as Filipino Catholics whose apparitions of Mary have increased in response to recent events drawing from a broad repertoire of the Catholic supernatural and pulling attention to new articulations of Christianity in the Global South In *Mother Figured* historical anthropologist Deirdre de la Cruz offers a detailed examination of several appearances and miracles of the Virgin Mary in the Philippines from materials and sites ranging from the mid nineteenth century to the present By analyzing the effects of the mass media on the perception and proliferation of apparition phenomena de la Cruz charts the intriguing emergence of new voices in the Philippines that are broadcasting Marian discourse globally Based on two years of ethnographic fieldwork and hitherto unexplored archives in the Philippines the United States and Spain *Mother Figured* documents the conditions of Marian devotion s modern development and tracks how it has transformed Filipinos social and political role within the greater Catholic world
