

THE MÉTIS IN THE CANADIAN WEST

Volume I

MARCEL GIRAUD

Translated by George Woodcock

The Metis In The Canadian West 2 Volume Set

Bruce Alden Cox

The Metis In The Canadian West 2 Volume Set:

The Métis in the Canadian West Marcel Giraud, 1986 Marcel Giraud's study of the social history of the Métis of western Canada portrays the birth of the Métis as a distinct group, defines the roles they played in the history of the fur trade era in the North West, and examines the decline of the Métis in the late 1800s. Giraud uses his own personal observations of the economic and social position of the Métis in the 1930s to conclude his study. With the arrival of the missionaries in the early 1800s and the ending of hostilities in the colony of Assiniboia, the Métis group embarked on a new phase of their history which continued until the incorporation of the West into the Canadian confederation. In volume II, Giraud examines this period of maturity in which the dominant feature was the establishment of a way of life that clearly separated the Métis from the white. These were also years of differentiation between the Métis of the West who dwelt outside the nucleus of civilization established on the Red River and the Métis of Red River who gradually appeared as a more privileged group. The later half of the nineteenth century saw the disintegration of Métis society largely as a result of the extermination of the bison herds. The Métis had to abandon the nomadic life and adapt to farming. The insurrections of 1869-70 and 1885 led to the decline of the Métis to a marginal group in a predominantly white society. In the final chapter, Giraud looks at the Métis place in that society in the twentieth century.

The Western Métis Patrick C. Douaud, 2007 This book contains a collection of articles concerning the Western Métis published in *Prairie Forum* between 1978 and 2007. These articles have been chosen for the breadth and scope of the investigations upon which they are based and for the reflections they will arouse in anyone interested in Western Canadian history and politics.

Métis Politics and Governance in Canada Kelly Saunders, Janique Dubois, 2019-05-15 At a time when the Métis are becoming increasingly visible in Canadian politics, this unique book offers a practical guide for understanding who they are, how they govern themselves, and the challenges they face on the path to self-government. The Métis have always been a political people. Kelly Saunders and Janique Dubois draw on interviews with elders, leaders, and community members to reveal how the Métis are giving life to Louis Riel's vision of a self-governing Métis Nation within Canada. They look to the Métis language, Michif, to identify Métis principles of governance that emerged during the fur trade and that continue to shape Métis governing structures. Both then and now, the Métis have engaged in political action to negotiate their place alongside federal and provincial partners in Confederation. As Canada engages in nation-to-nation relationships to advance reconciliation, this book provides timely insight into the Métis Nation's ongoing struggle to remain a free and self-governing Indigenous people.

The Records of the Department of the Interior and Research Concerning Canada's Western Frontier of Settlement Irene M. Spry, Bennett McCardle, University of Regina. Canadian Plains Research Center, 1993 The Dept of the Interior was in existence from 1873 to 1936.

Historical Atlas of Canada: The land transformed, 1800-1891 Geoffrey J. Matthews, Don Measner, 1987-01-01 Uses maps to illustrate the development of Canada from the last ice sheet to the end of the eighteenth century.

The Ojibwa of Western Canada 1780-1870 Laura

Peers,2009-09-08 Among the most dynamic Aboriginal peoples in western Canada today are the Ojibwa who have played an especially vital role in the development of an Aboriginal political voice at both levels of government Yet they are relative newcomers to the region occupying the parkland and prairies only since the end of the 18th century This work traces the origins of the western Ojibwa their adaptations to the West and the ways in which they have coped with the many challenges they faced in the first century of their history in that region between 1780 and 1870 The western Ojibwa are descendants of Ojibwa who migrated from around the Great Lakes in the late 18th century This was an era of dramatic change Between 1780 and 1870 they survived waves of epidemic disease the rise and decline of the fur trade the depletion of game the founding of non Native settlement the loss of tribal lands and the government s assertion of political control over them As a people who emerged adapted and survived in a climate of change the western Ojibwa demonstrate both the effects of historic forces that acted upon Native peoples and the spirit determination and adaptive strategies that the Native people have used to cope with those forces This study examines the emergence of the western Ojibwa within this context seeing both the cultural changes that they chose to make and the continuity within their culture as responses to historical pressures The Ojibwa of Western Canada differs from earlier works by focussing closely on the details of western Ojibwa history in the crucial century of their emergence It is based on documents to which pioneering scholars did not have access including fur traders and missionaries journals letters and reminiscences Ethnographic and archaeological data and the evidence of material culture and photographic and art images are also examined in this well researched and clearly written history

Canada 2015-2016 Wayne C. Thompson,2015-05-14 This is an annually updated presentation of Canada past and present The contents in this volume are organized into sections dealing with Canada s culture Geography people history from New France to the constitutional debates in the late 20th century political system including the constitution monarchy parliament legal and court system federalism and the provinces provincial governments parties and elections defense economy the future and a comprehensive bibliography The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 30th edition the content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student and library budgets

Métis in Canada Christopher Adams,Gregg Dahl,Ian Peach,2013-08-14 These twelve essays constitute a groundbreaking volume of new work prepared by leading scholars in the fields of history anthropology constitutional law political science and sociology who identify the many facets of what it means to be M tis in Canada today After the Powley decision in 2003 M tis peoples were no longer conceptually limited to the historical boundaries of the fur trade in Canada Key ideas explored in this collection include identity rights and issues of governance politics and economics The book will be of great interest to scholars in political science and Indigenous studies the legal community public

administrators government policy advisors and people seeking to better understand the Metis past and present Contributors Christopher Adams Gloria Jane Bell Glen Campbell Gregg Dahl Janique Dubois Tom Flanagan Liam J Haggarty Laura Lee Kearns Darren O Toole Jeremy Patzer Ian Peach Siomonn P Pulla Kelly L Saunders **Native People, Native Lands** Bruce Alden Cox, 1988 The changing roles of native women devices for assimilation the rebirth of the Metis these are among the issues examined in this collection of provocative essays which explore the link between aboriginal culture and economic patterns A History of Law in Canada, Vol. 1 Philip Girard, Jim Phillips, R. Blake Brown, 2018-01-01 A History of Law in Canada is the first of two volumes Volume one begins at a time just prior to European contact and continues to the 1860s while volume two will start with Confederation and end at approximately 2000 The history of law includes substantive law legal institutions legal actors and legal culture The authors assume that since 1500 there have been three legal systems in Canada the Indigenous the French and the English At all times these systems have co existed and interacted with the relative power and influence of each being more or less dominant in different periods The history of law cannot be treated in isolation and this book examines law as a dynamic process shaped by and affecting other histories over the long term The law guided and was guided by economic developments was influenced and moulded by the nature and trajectory of political ideas and institutions and variously exacerbated or mediated intercultural exchange and conflict These themes are apparent in this examination and through most areas of law including land settlement and tenure and family commercial constitutional and criminal law
