## **The Middle East And The Western Alliance:**

The Middle East and the Western Alliance Steven L. Spiegel, 2015-07-24 This volume first published in 1982 provides a comprehensive analysis of the problems affecting the interests of the Western Alliance the North Americans the Europeans and the Japanese the Middle East states and the Soviet Union The authors all internationally recognized experts in their fields bring together different and distinctive perspectives on such central issues as the Arab Israeli dispute the dynamics of the energy crisis alliance unity and the role of the Soviet Union and the effect of growing Middle East instability on the interests of individual allied countries The chapters address the major issues both historically and in terms of current events and they seek to examine relationships both from the perspective of the various countries and of the Alliance as a whole

The Middle East and the Western Alliance Steven L. Spiegel, 2015-07-24 This volume first published in 1982 provides a comprehensive analysis of the problems affecting the interests of the Western Alliance the North Americans the Europeans and the Japanese the Middle East states and the Soviet Union The authors all internationally recognized experts in their fields bring together different and distinctive perspectives on such central issues as the Arab Israeli dispute the dynamics of the energy crisis alliance unity and the role of the Soviet Union and the effect of growing Middle East instability on the interests of individual allied countries The chapters address the major issues both historically and in terms of current events and they seek to examine relationships both from the perspective of the various countries and of the Alliance as a whole

*European Peace Movements and the Future of the Western Alliance* Walter Laqueur, 2017-09-08 This extraordinary compendium concerns the future of the Western alliance and the development of the peace movements in Europe and in the United States The peace movement is an old phenomenon given new life by NATO decisions concerning nuclear deployment in Europe and the Soviet responses along the same lines After a long postwar marriage Europeans and Americans alike are reexamining the premises of the Western alliance The contributors provide a variety of scenarios extending from the maintenance of the status quo to the complete dismantling of the Western alliance or at least of its NATO component In a context of rapid change and new challenges to the democratic bloc the editors and authors argue for higher levels of economic integration and caution that competition might spill over into political collapse The work deals with thorny security issues in a frank and policy oriented way While each contributor expresses a unique standpoint a surprising consensus emerges The need for democratic nations to move toward a higher policy ground in order to preserve the fundamental alliance that led to the postwar consensus to begin with Some contributors feel this is still possible others that the time has passed and that national rather than regional interests will once more prevail The work contains an extraordinary array of talent from both the American and European perspectives Among the major contributors and their themes are Henry Kissinger on A Plan to Reshape NATO William G Hyland on The European Peace Movement and NATO Irving Kristol on What's Wrong with NATO Theodore Draper on The Western Misalliance Niels Haagerup on The Nordic Peace Movements Martin

Ceadel on The British Nuclear Disarmers and Jeffrey Herf on The SPD and the Peace Movement in West Germany This is a well integrated text with no random essays      *The Persian Gulf and the West* Charles Kupchan,2011-02-25 This volume provides a broadly comparative and historical re examination of the fundamental strategic dilemmas that confront the Western world in the Persian Gulf region This systematic study of how the West has defined and dealt with its security interests in this region reveals three central strategic dilemmas strategy versus capability globalism versus regionalism and unilateralism versus collectivism The first part of the book focuses on US policy with particular emphasis on the Iranian Revolution and the Soviet invasion of Afghanistan The author explains why there has been a persistent gap between American perceptions of the Middle East and the political and strategic realities of the region The second part of the book examines the frustrated efforts of NATO members to form a cooperative response to their collective interests in the region

Current Contents of Periodicals on the Middle East ,1983      The A to Z of NATO and Other International Security Organizations Marco Rimanelli,2009-09-14 The North Atlantic Treaty Organization NATO is a military alliance established by the signing of the North Atlantic Treaty on April 4 1949 The treaty was signed by Belgium the Netherlands Luxemburg France United Kingdom United States Canada Portugal Italy Norway Denmark and Iceland Today there are a total of 26 countries that belong to NATO The A to Z of NATO and Other International Security Organizations covers the Atlantic Alliance s origins structure and organization through a chronology an introductory essay a bibliography and over 1 000 cross referenced dictionary entries on its Secretaries Generals its Supreme Allied Commanders Europe plus all affiliated organizations created to enhance NATO s reach in a broader Euro Atlantic security architecture e g North Atlantic Consultative Council Euro Atlantic Partnership Council NATO Russia Charter NATO Ukraine Charter and NATO Mediterranean Dialogue Partners This book also covers other related regional organizations with security responsibilities in Europe and worldwide where they interact with NATO either currently e g ANZUS ASEAN European Union Organization of African Unity Organization of American States Organization on Security and Cooperation in Europe and United Nations or in the past e g CENTO European Defence Community SEATO Warsaw Pact and Western European Union      The Persian Gulf and the West (RLE Iran D) Charles Kupchan,2012-04-27 This volume provides a broadly comparative and historical re examination of the fundamental strategic dilemmas that confront the Western world in the Persian Gulf region This systematic study of how the West has defined and dealt with its security interests in this region reveals three central strategic dilemmas strategy versus capability globalism versus regionalism and unilateralism versus collectivism The first part of the book focuses on US policy with particular emphasis on the Iranian Revolution and the Soviet invasion of Afghanistan The author explains why there has been a persistent gap between American perceptions of the Middle East and the political and strategic realities of the region The second part of the book examines the frustrated efforts of NATO members to form a cooperative response to their collective interests in the region      **Italy and the Middle East** Paolo

Soave, Luciano Monzali, 2020-12-10 Italy played a vital role in the Cold War dynamics that shaped the Middle East in the latter part of the 20th century. It was a junior partner in the strategic plans of NATO and warmly appreciated by some Arab countries for its regional approach. But Italian foreign policy towards the Middle East balanced between promoting dialogue, stability and cooperation on one hand and colluding with global superpower manoeuvres to exploit existing tensions and achieve local influence on the other. Italy and the Middle East brings together a range of experts on Italian international relations to analyse for the first time in English the country's Cold War relationship with the Middle East. Chapters covering a wide range of defining twentieth century events from the Arab Israeli conflict and the Lebanese Civil War to the Iranian Revolution and the Soviet invasion of Afghanistan demonstrate the nuances of Italian foreign policy in dealing with the complexity of Middle Eastern relations. The collection demonstrates the interaction of local and global issues in shaping Italy's international relations with the Middle East, making it essential reading to students of the Cold War, regional interactions and the international relations of Italy and the Middle East.

#### **Normative Power Europe Meets Israel** Sharon

Pardo, 2015-08-21 The book draws on some of the scholarship in perception studies and Normative Power Europe theory. The study of perceptions, although dating back to the mid 1970s, is gaining renewed currency in recent years both in international relations in general and in European Union studies in particular. And yet despite the significance of external perceptions of the European Union, there is still a lack of theoretical forays into this area as well as an absence of empirical investigations of actual external role conceptions. These lacunae in scholarly work are significant since how the European Union is perceived outside its borders and what factors shape these perceptions are crucial for deepening the theory of Normative Power Europe. The book analyzes Israeli perceptions towards Normative Power Europe, the European Union and NATO through five themes that the book argues underscore different dimensions of key Israeli conceptions of Normative Power Europe and NATO. The book seeks to contribute to the existing research on the European Union's role as a normative power, the Union's external representations and on Israeli-European Union relations more broadly.

*Military Review*, 1974-07

When somebody should go to the ebook stores, search opening by shop, shelf by shelf, it is in point of fact problematic. This is why we offer the ebook compilations in this website. It will very ease you to look guide **The Middle East And The Western Alliance** as you such as.
