WHY AMERICANS DON'T THINK FOR THEMSELVES

"How did we lose our love of creativity, depth, debate and originality? In this critique of the calcifying of our culture, Curt White gives name to an ugly soul-killer already in our midst—the Middle Mind."

The Middle Mind Why Americans Dont Think For Themselves:

The Middle Mind Curtis White,2004-10-05 Acclaimed social critic Curtis White describes an all encompassing and little noticed force taking over our culture and our lives that he calls the Middle Mind the current failure of the American imagination in the media politics education art technology and religion Irreverent provocative and far reaching White presents a clear vision of this dangerous mindset that threatens America s intellectual and cultural freedoms concluding with an imperative to reawaken and unleash the once powerful American imagination The Middle Mind is pragmatic plainspoken populist contemptuous of the Right s narrowness and incredulous before the Left s convolutions It wants to protect the Arctic National Wildlife Refuge and has bought an SUV with the intent of visiting it It even understands in some indistinct way how that very SUV spells the Arctic s doom

Globalisation Volume 1 Allan Aubrey Boesak,L. D. Hansen,2009-06-01 Since the adoption of the Accra Declaration by the World Alliance of Reformed Churches in Accra Ghana 2004 churches in the Reformed communion all over the world have been confronted with some of the most burning issues of our day globalisation in the myriad life changing ways it impacts on the world and the lives of ordinary people in communities everywhere

Spirit of Disobedience Curtis White,2020-07-24 Trained relentlessly to work and consume we make daily lifestyle decisions that promote corporate profits more than our own well being We also find ourselves working more living in fragmented communities and neglecting our most basic spiritual and political values As Curtis White puts it In order to live you will be asked to do what is no good what is absurd trivial demeaning and soul killing Although we belong to the world s most affluent society somehow we never have the chance to ask How shall we live With his trademark humor and acerbic wit White raises this impertinent question He also debunks the conventional view that liberalism can answer it without drawing on spiritual values Surveying American popular culture including Office Space and The Da Vinci Code to illustrate his points White urges us to renew our commitment to human fundamentals as articulated by Henry David Thoreau especially free time home and food and to reclaim Thoreau s spirit of disobedience Seeking imaginative answers to his central questions White also interviews John De Graaf Affluenza James Howard Kunstler The Long Emergency and Michael Ableman Fields of Plenty about their views of the good life in our time
