

With intense action scenes, smart dialogue, good looking femme fatales, and horrendous monsters with one too many tentacles growing out of their heads...this book is a rip-roaring good time." — J. Kent Holloway, author of PRIMAL THIRST and THE DINN.

The Amulet William Meikle, 2013-04-01 It was supposed to be an easy case Fast money and a way to kill some time something Derek Adams a down on his luck Glasgow private investigator has way too much of Recover a stolen family heirloom and try to keep the relationship with his very beautiful and very married client strictly professional Easy But the Johnson Amulet is no mere trinket and Derek isn't the only person trying to find the priceless relic Before long he's up to his armpits in bodies femme fatales and tentacles The stars have aligned An ancient evil has awakened To save the day Derek must take some dark pathways and not everyone is going to make it back out into the light **The Midnight Eye Files**

William Meikle, 2005-10 Derek Adams is a Glasgow PI with plenty of time on his hands Until the Bogart Case walks in A priceless family heirloom has been stolen and everyone in town is looking for it The stars are right once more and an ancient evil has been awakened from its dreaming sleep It was supposed to be an easy case fast money But pretty soon Derek is up to his armpits in bodies femme fatales and tentacles The city's dark side has him And it doesn't want to let the Midnight Eye go

The Midnight Eye Files Collection William Meikle, 2016-08-04 The exploits of Glasgow private investigator Derek Adams collected in a three volume set of Lovecraftian noir This collection includes *The Amulet* It was supposed to be an easy case Fast money and a way to kill some time something Derek Adams a down on his luck Glasgow private investigator has way too much of Recover a stolen family heirloom and try to keep the relationship with his very beautiful and very married client strictly professional Easy But the Johnson Amulet is no mere trinket and Derek isn't the only person trying to find the priceless relic Before long he's up to his armpits in bodies femme fatales and tentacles The stars have aligned An ancient evil has awakened To save the day Derek must take some dark pathways and not everyone is going to make it back out into the light The Sirens Glasgow private investigator Derek Adams can't seem to get away from the otherworldly especially not when it seems to be the only paying gig in town So when an old widow offers him two grand to find her son who isn't exactly missing just not himself it's not long before things start to get weird and a road trip to the rural village of Skye turns into a detour to the twilight Before long Derek is on a remote island hip deep in mermaids stalked by shape shifters and tangled in the nets of a diabolical fisher cult intent on waking an ancient god and unleashing the apocalypse In other words it's business as usual The Skin Game Things are finally looking up for Glasgow private investigator Derek Adams The agency is flush with cash and finally getting some respect and the nightmares Well there's booze for that But the dark side isn't finished with Derek What starts off as a simple inquiry into the dealings of a shady bookie quickly descends into a battle with the shadowy unknown Before he knows it Derek is on the run framed for an impossible murder His only leverage is a strange skin belt that seems to have a life of its own but hanging onto it might cost Derek more than just his life This collection also includes three bonus Midnight Eye stories *The Forth Protocol* *A Slim Chance* and *One Two Go* [The Dunfield Terror](#) William Meikle, 2018-03-07 It starts with a strange glowing fog that arrives at the height of a snowstorm A terror from the past has

returned bringing with it death and destruction that threatens to overrun the town The old stories tell of a post war experiment gone wrong one that opened the way for the fog or whatever was behind it to begin its reign of terror A small team of workmen are the last hope to keep their town alive through the long storm filled night But the many horrors that await them are beyond anyone s worst nightmares **The Hole** William Meikle,2017-09-08 It starts with an odd hum that brings headaches and nosebleeds to the inhabitants of a remote sleepy country town Then a sinkhole begins to form and out from that hole comes the townspeople s worst nightmares Facing their fears and the growing madness a group of survivors descend into the collapsed area in an attempt to save what is left of their town Sacrifices will be required but will they be enough The hole is growing spreading and the horror within it is growing stronger **Songs of Dreaming Gods** William Meikle,2017-09-08 A mysterious house sits on a corner block on a hill in St John s Newfoundland in one of the oldest cities in North America a non descript three story wooden cube going slowly to seed When local cops John Green Janis Lodge and Todd Wiggins are sent to investigate a multiple murder on the top floor of the property they start opening doors and uncovering secrets But like peeling the layers off an onion each door opened only leads them deeper into the mystery There are houses like this all over the world and those who suffer are drawn to them as John Janis and Todd have been drawn They have found their way in Can they find their way out again And at what cost *The Green and the Black* William Meikle,2018-10-09 A small group of industrial archaeologists head into the center of Newfoundland investigating a rumor of a lost prospecting team of Irish miners in the late Nineteenth century They find the remains of a mining operation and a journal and papers detailing the extent of the miners activities But there is something else on the site something older than the miners as old as the rock itself Soon the archaeologists are coming under assault from a strange infection that spreads like wildfire through mind and body one that doctors seem powerless to define let alone control The survivors only have one option They must return to the mine and face what waits for them down in the deep dark places where the green meets the black **The Exiled** William Meikle,2018-01-17 When several young girls are abducted from various locations in Edinburgh Detective John Grainger and his brother Alan a reporter investigate the cases from different directions The abductor is cunning always one step ahead and the only clue he leaves behind at each scene are the brutalized corpses of black swans When the brothers investigations finally converge at a farmhouse in Central Scotland they catch a glimpse of where the girls have been taken a place both far away yet close enough to touch A land known throughout Scottish history with many names Faerie Elfheim and the Astral Plane It is a place of legend and horror a myth But the brothers soon discover it s real and to catch the abductor they will have to cross over themselves To catch a killer John and Alan Grainger will have to battle the Cobbe a strange and enigmatic creature that guards the realm a creature of horrific power that demands a heavy price for entry into its world The fate of both realms hangs in the balance and time is running out Tormentor William Meikle,2018-03-20 This story isn t really about me On the Isle of Skye near the community of Dunvegan sits a rustic old one

bedroom home waiting for a new tenant It seems like the perfect opportunity for Jim Greenwood to escape the hectic London city life a place to move on from tragedy This is the story of a house As he tries to settle into country life his is tormented by mysterious soot marks left throughout the house while he sleeps cryptic emails from unknown senders and hundreds of hand drawn stick figure drawings etched in a perfect pattern on the cottage s cellar walls Stay Beth needs you Jim begins losing control drinking excessively shaking to an uncontrollable beat in his head trying to decipher what may or may not be a code or a warning No limbs no limbs no head no head left arm gone left leg gone no legs no head The door is open and something is coming through It s just a matter of when and what

Night of the Wendigo William Meikle, 2018-01-16 Four hundred years ago a Scottish cargo ship fell prey to a Wendigo at an early settlement on the Hudson River Now a team of archaeologists have uncovered the boat and let loose the evil Soon Manhattan is hit by an ice storm like no other Besides the wind and ice there is something else moving in the storm Blue cold things with razor sharp teeth
