

THE MILE-LONG SPACESHIP

They knew that some entity, living somewhere, had awareness of them, and their immense ship. But they couldn't find out where he was, because he didn't know. . . .

BY KATE WILHELM

Illustrated by From

Allan Norbett stirred uncontrollably, huddling up under the spotless hospital sheet seeking warmth. He stared furthfully as consciousness slowly returned and with it the blinding stab of pain through his head. A moan escaped his lips. Immediately a nurse was at his side, gently, firmly forcing him back on the bed.

THE MILE-LONG SPACESHIP

"You must remain completely still, Mr. Norbett. You're in St. Agnes' Hospital. You suffered a fractured skull in the accident, and surgery was necessary. Your wife is outside waiting to see you. She is uninjured. Do you understand me?"

The words had been spoken slowly, very clearly, but he had grasped only fragments of them.
